**BOARD OF EDUCATION BUSINESS MEETING**  
**Thursday, August 22, 2019**

NOTE TO CITIZENS IN ATTENDANCE

The Board of Education conducts Business and Executive Meetings.

Business Meetings are those at which the Board of Education acts on the vast majority of items under its jurisdiction. The meetings are open to the public and citizens are allowed to speak. The Board welcomes comments from citizens. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the Board. Individuals with a relevant interest in the function or duties of the Board are invited to speak a maximum of two (2) minutes on any one issue. The Board has allocated a total of twenty (20) minutes for public comments. You are required to give your name and address before speaking.

Executive Meetings are conducted when the Board of Education must review and discuss confidential matters. By illustration, pending legal cases, personnel matters, and collective bargaining proposals are appropriate reasons for the Board to hold an Executive Session. These meetings are not open to the public.

**Mission Statement**

The Mission of the Pennsauken Public School District is to provide a safe, challenging, and enriching learning environment for all students that leads to academic success and the development of personal responsibility and self-directed lifelong learning needed to become contributing members of a diverse, global society.

## PUBLIC COMMENT – AGENDA ITEMS ONLY

The Board of Education recognizes that our schools are the interest and concern of all members of the community, and we welcome comments from the public. Please keep in mind that it may not always be possible or appropriate for the Board to directly answer questions during the public comment period – however, you can be sure that we are always receptive and give full consideration to each of your comments. We ask that community members should first try to resolve their concerns by speaking directly to school administrators before bring those concerns to the Board. We also ask that anyone who chooses to speak during the public comment period should keep their comments respectful and non-defamatory, and that they maintain the level of decorum appropriate for a meeting of a public body and where minors may be in the audience. The board of Education now welcomes the public to comment on the items which are on our agenda tonight. Each person is allotted a maximum of two (2) minutes to make their statement. No one may speak more than once on the same topic. You are required to give your name and address before speaking.
