BOARD OF EDUCATION BUSINESS MEETING
Tuesday, September 19, 2017

NOTE TO CITIZENS IN ATTENDANCE

The Board of Education conducts Business and Executive Meetings.

Business Meetings are those at which the Board of Education acts on the vast majority of items under its jurisdiction. The meetings are open to the public and citizens are allowed to speak. The Board welcomes comments from citizens. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the Board. Individuals with a relevant interest in the function or duties of the Board are invited to speak a maximum of five (5) minutes on any one issue. You are required to give your name and address before speaking.

Executive Meetings are conducted when the Board of Education must review and discuss confidential matters. By illustration, pending legal cases, personnel matters, and collective bargaining proposals are appropriate reasons for the Board to hold an Executive Session. These meetings are not open to the public.

Mission Statement

The Mission of the Pennsauken Public School District is to provide a safe, challenging, and enriching learning environment for all students that leads to academic success and the development of personal responsibility and self-directed lifelong learning needed to become contributing members of a diverse, global society.

The Pennsauken Township Board of Education recognizes that the schools are the concern of all members of the community. With this in mind, the Board of Education welcomes and solicits input from the public. During board meetings, members of the community are afforded an opportunity to express their views. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the Board. **Further, the Board asks that citizens who choose to speak at a public board meeting be reminded that comments should always be respectful, non-defamatory and should maintain the level of decorum appropriate for a meeting of a public body.** Individuals with an interest in the functions or duties of the Board are invited to speak a maximum of five (5) minutes on any one issue. PUBLIC COMMENT

The Pennsauken Township Board of Education recognizes that the schools are the concern of all members of the community. With this in mind, the Board of Education welcomes and solicits input from the public. During board meetings, members of the community are afforded an opportunity to express their views. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the

Board. Further, the Board asks that citizens who choose to speak at a public board meeting be reminded that comments should always be respectful, non-defamatory and should maintain the level of decorum appropriate for a meeting of a public body. Individuals with an interest in the functions or duties of the Board are invited to speak a maximum of five (5) minutes on any one issue. You are required to give your name and address before speaking.
