BOARD OF EDUCATION WORK SESSION
Thursday, October 20, 2016

NOTE TO CITIZENS IN ATTENDANCE

The Board of Education conducts Work Session, Business and Executive Meetings.

Work Session Meetings allow the members of the Board of Education to review and discuss school-related matters. The Board may take action at a Work Session meeting but most of its actions take place at Business Meetings. Work Session Meetings are open to the public. Individuals with a relevant interest in the function or duties of the Board are invited to speak a maximum of five (5) minutes on any one issue. You are required to give your name and address before speaking.

Business Meetings are those at which the Board of Education acts on the vast majority of items under its jurisdiction. The meetings are open to the public and citizens are allowed to speak. The Board welcomes comments from citizens. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the Board. Individuals with a relevant interest in the function or duties of the Board are invited to speak a maximum of five (5) minutes on any one issue. You are required to give your name and address before speaking.

Executive Meetings are conducted when the Board of Education must review and discuss confidential matters. By illustration, pending legal cases, personnel matters, and collective bargaining proposals are appropriate reasons for the Board to hold an Executive Session. These meetings are not open to the public.
