**BOARD OF EDUCATION CONFERENCE MEETING**  
**Thursday, October 15, 2015**

NOTE TO CITIZENS IN ATTENDANCE

The Board of Education conducts Conference, Business and Executive Meetings.

Conference Meetings allow the members of the Board of Education to review and discuss school-related matters. The Board may take action at a Conference meeting but most of its actions take place at Business Meetings. Conference Meetings are open to the public. Individuals with a relevant interest in the function or duties of the Board are invited to speak a maximum of five (5) minutes on any one issue. You are required to give your name and address before speaking.

Business Meetings are those at which the Board of Education acts on the vast majority of items under its jurisdiction. The meetings are open to the public and citizens are allowed to speak. The Board welcomes comments from citizens. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the Board. Individuals with a relevant interest in the function or duties of the Board are invited to speak a maximum of five (5) minutes on any one issue. You are required to give your name and address before speaking.

Executive Meetings are conducted when the Board of Education must review and discuss confidential matters. By illustration, pending legal cases, personnel matters, and collective bargaining proposals are appropriate reasons for the Board to hold an Executive Session. These meetings are not open to the public.

**Mission Statement**

The Mission of the Pennsauken Public School District is to provide a safe, challenging, and enriching learning environment for all students that leads to academic success and the development of personal responsibility and self-directed lifelong learning needed to become contributing members of a diverse, global society.

### **2014-2015 ANNUAL TRAINING & ACKNOWLEDGEMENT OF RECEIPT**

NJSBA has created this form to help New Jersey school boards document that they have met the annual requirement for ethics training. Typically, boards will also record in their minutes that the training occurred. The form is designed to be used as a tool to memorialize that training was provided, but it does NOT replace the individual ethics training required for all school board members and trustees.

Additional detail on school ethics training can be found under the “Ethics” section of the Legal section of NJSBA’s website, [www.njsba.org/legal](http://www.njsba.org/legal) and on the “Mandated Training” section of the Training section of NJSBA’s website, [www.njsba.org/training/](http://www.njsba.org/training/).

*N.J.A.C. 6A:32-3.2* Requirements for the code of ethics for district board of education members and charter school board of trustees members.

(a) Each district board of education and charter school board of trustees shall:

1. Discuss the School Ethics Act and the Code of Ethics for School Board Members, pursuant to *N.J.S.A. 18A:12-21 et seq.*, at a regularly scheduled public meeting annually;
2. Adopt policies and procedures regarding the training of district board of education and charter school board of trustees members in understanding the Code of Ethics; and
3. Provide documentation pursuant to (b) below that each member of the district board of education or board of trustees has received and reviewed the Code of Ethics.

(b) Each member of the district board of education or charter school board of trustees shall sign an acknowledgement of receipt of the Code of Ethics for School Board Members contained within *N.J.S.A. 18A:12-21 et seq.* This acknowledgement of receipt requires each district board of education member and charter schools board of trustees member to read and become familiar with the Code of Ethics.

### **Code of Ethics**

According to New Jersey statute, a school board member shall abide by the following Code of Ethics:

- a. I will uphold and enforce all laws, rules and regulations of the State Board of Education, and court orders pertaining to schools. Desired changes shall be brought about only through legal and ethical procedures.

- c. I will confine my board action to policy making, planning, and appraisal, and I will help to frame policies and plans only after the board has consulted those who will be affected by them.
- d. I will carry out my responsibility, not to administer the schools, but, together with my fellow board members, to see that they are well run.
- e. I will recognize that authority rests with the board of education and will make no personal promises nor take any private action that may compromise the board.
- f. I will refuse to surrender my independent judgment to special interest or partisan political groups or to use the schools for personal gain or for the gain of friends.
- g. I will hold confidential all matters pertaining to the schools which, if disclosed, would needlessly injure individuals or the schools. In all other matters, I will provide accurate information and, in concert with my fellow board members, interpret to the staff the aspirations of the community for its school.
- h. I will vote to appoint the best qualified personnel available after consideration of the recommendation of the chief administrative officer.

PUBLIC COMMENT

The Pennsauken Township Board of Education recognizes that the schools are the concern of all members of the community. With this in mind, the Board of Education welcomes and solicits input from the public. During board meetings, members of the community are afforded an opportunity to express their views. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the Board. **Further, the Board asks that citizens who choose to speak at a public board meeting be reminded that comments should always be respectful, non-defamatory and should maintain the level of decorum appropriate for a meeting of a public body.** Individuals with an interest in the functions or duties of the Board are invited to speak a maximum of five (5) minutes on any one issue. You are required to give your name and address before speaking.
