Pennsauken Board of Education Resolution for School Boards Regarding Sequestration

WHEREAS, a world class public education is essential for the future success of our nation and today's schoolchildren; and

WHEREAS, the Budget Control Act of 2011 includes a provision to impose \$1.2 trillion in across-the-board budget cuts to almost all federal programs including education that would become effective January 2, 2013; and

- WHEREAS, these across-the-board budget cuts would impact school districts during the 2013-14 school year, with the exception of the Impact Aid program, with which a reduction would become effective this school year; and
- WHEREAS, these across-the-board budget cuts, also known as sequestration, would impact education by a reduction in funds of 8.2 percent or more and could result in larger class sizes, fewer course offerings, possible four-day school weeks, loss of extracurricular activities, and teacher and staff lay-offs; and
- WHEREAS, sequestration would impact almost every public school system in the nation and the millions of students educated through programs such as Title I grants for disadvantaged students, the Individuals With Disabilities Education Act (IDEA), English Language Acquisition, Career and Technical Education, 21st Century Community Learning Centers, and more; and
- WHEREAS, The Pennsauken Board of Education, as well as other public schools, would be impacted nationwide by an estimated \$2.7 billion loss from just three programs alone – Title I grants, IDEA special education state grants and Head Start – that serve a combined 30.7 million children; and
- WHEREAS, federal funding for K-12 programs was already reduced by more than \$835 million in Fiscal Year 2011, and state and local funding for education continues to be impacted by budget cuts and lower local property tax revenues; and

WHEREAS, states and local governments have very limited capacity to absorb further budget cuts from sequestration, as Pennsauken Board of Education has already implemented cuts commensurate to state and local budget conditions;

NOW THEREFORE, BE IT RESOLVED, that the Pennsauken Board of Education urges Congress and the Administration to amend the Budget Control Act to mitigate the drastic cuts to education that would affect our students and communities, and to protect education as an investment critical to economic stability and American competitiveness.

BE IT RESOLVED by the Board of Education of the Township of Pennsauken to encourage Congress not to go through with the anticipated reduction in Federal Grant Allotment.

PUBLIC COMMENT - AGENDA ITEMS ONLY

The Pennsauken Township Board of Education recognizes that the schools are the concern of all members of the community. With this in mind, the Board of Education welcomes and solicits input from the public. During the regular monthly Business Meeting, members of the community are afforded an opportunity to express their views. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the Board. Individuals with a relevant interest in the functions or duties of the Board are invited to speak a maximum of five (5) minutes on any one issue. You are required to give your name and address before speaking.

PUBLIC COMMENT

The Pennsauken Township Board of Education recognizes that the schools are the concern of all members of the community. With this in mind, the Board of Education welcomes and solicits input from the public. During the regular monthly Business Meeting, members of the community are afforded an opportunity to express their views. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the Board. Individuals with a relevant interest in the functions or duties of the Board are invited to speak a maximum of five (5) minutes on any one issue. You are required to give your name and address before speaking.
