

THE FOUNDATION OF
St. Charles

INVITES YOU TO BECOME

A Lifetime Ambassador

"Be One & Find One"

The Foundation

In its 77th year of existence, SCC sets its sights on an enduring endeavor this Lent and invites those who have benefited from and believe in "The Comet Way" to become Lifetime Ambassadors of the newly formed Foundation of St. Charles. The purpose of the Foundation is to provide consistent, long-term support for the only Catholic high school in the River Parishes.

The Purpose

The purpose of the Foundation is to enhance SCC's academic and extracurricular programs and campus facilities, minimize tuition increases, and provide competitive faculty and staff compensation. All donations to the Foundation are use restricted and must be spent on academic improvements, such as teaching materials, computers, and other technology upgrades, building improvements, expansions, and maintenance, and support for extracurricular programs and administrative costs.

The Goal

By its nature, SCC has mastered the task of doing more with less by leaning on the wisdom that "if everyone does a little, no one has to do a lot." The goal of the Foundation is to have 1,000 Ambassadors give \$16.67 a month or \$200 every year as a perpetual Lenten penance. Once reached this goal will produce \$1,000,000 of support for SCC every 5 years, something that has never happened until now.

The Invitation

Deep within you is the desire to give back to the place that once gave you so much. Think back to your brightest moments at SCC. Then think forward to seeing your own children or grandchildren having the same or better moments. Become a Lifetime Ambassador. Better yet, "Be One & Find One." At your fingertips is a cell phone contact for a family member or your closest friend from SCC. In keeping with "The Comet Way" - extend the invitation.
