

**Santa Barbara Unified School District
E-RATE Funding Year 2025**

Form 470 #250020129

RFP #24/25-01 Network Electronics - Access Points/Licenses

**Addendum No. 1 -
Questions and Answers**

Q: “Vendor is preparing a proposal for the Category 2 services listed on Form 470 on the EPC Portal. To ensure our submission is accurate and comprehensive, we kindly request to be notified of any updates to your solicitation, including addenda or EPC modifications. Given the time-sensitive nature of the E-Rate program, we would appreciate these updates via email for a prompt response.”

A: All updates, addendum, questions, answers are posted on our district website at <https://www.sbunified.org/public-notice> and on the E-Rate EPC website at <https://portal.usac.org/suite/> as indicated on the RFP documents page 11.

Q: “Will the customer be handling the activation of the licenses?
a) If not, will they provide access to their Aruba Central portal for activation? “

A: The customer can assign the licenses when provided a license key. No access to Aruba Central will be necessary.

Q: “Can a proof of concept be done where a few licenses are activated and verified by the team, to show the customer and the rest by the customer, with support availability from the vendor if help/support is required on any specific one(s)? “

A: A proof of concept may be done by the vendor if necessary.

Q: Email address on Page 11 is incorrect.

A: Correct email address is crodriguez@sbunified.org
