

THOMAS M. KOHLER AWARD (FOOTBALL)

The Thomas M. Kohler Award was started by his family following his passing in December 2004. It was decided by both the Alumni Varsity E Club, and accepted by the football coaches, to honor his memory by awarding a student-athlete for his academics, leadership, community service and hard work on the field (both game day as well as the practice field) much like that of what Mr. Kohler had done in his life.

This included being a family man, career firefighter, member of various charity organizations that included: Burn Foundation, Masons, youth sports programs, member of the Easton Football Chain Gang for 38 years, treasurer of the Alumni Varsity Club for 32 years, and time-keeper for EAHS wrestling and basketball teams for nearly 2 decades up until his passing. It represents a student-athlete in the football program that conducts himself as a gentlemen in all fields of his life.

This award is a non-scholarship award and selected annually by the football coaching staff. It is presented at the football teams post-season banquet.

2003-04	Kevin Danko
2004-05	David Mazzie
2005-06	Jonathon Baltz
2006-07	Dung Nguyen
2007-08	Gary Fish

EASTON AREA SCHOOL DISTRICT MISSION STATEMENT

The Easton Area School District respects the diversity of its student population and is dedicated to the importance of developing our students into responsible citizens. We will provide each student with an academically challenging program that enhances creativity, develops an ability to use technology, and encourages critical thinking and problem solving. In support of this mission, we will ensure a safe instructional environment and promote life-long learning.
