RE: FY25 January Finance Report

School Budget (general fund)

The approved school budget for FY25 totals \$23,909,407, with an additional one-time allocation of \$342,399 to address the special education shortfall. This brings the total available budget for FY25 to \$24,251,806. As of January 31, 2024, expenditures amount to \$12,288,914, with encumbrances for supplies, materials, and remaining payrolls on purchase orders totaling \$12,779,963. This results in an estimated shortfall of (\$817,071), an increase from last month's shortfall of (\$740,327).

We are closely monitoring all accounts, and the budget has been frozen. No budget overrides will be permitted, meaning no deficits will be allowed unless approved by the Superintendent.

The Special Education (SPED) tuition budget was set at \$926,416 and is currently encumbered on purchase orders. There is a shortfall of (\$180,935) in tuition costs, which remains unchanged from last month. Additionally, the SPED transportation shortfall has increased from (\$56,454) to (\$111,384) over the past month.

Budget line items which show shortfalls are as follows:

SPED Tuitions	\$180,935
Utilities	\$154,178
SPED Transportation	\$111,384
Custodial supplies/materials	\$ 40,884
Salaries	\$329,690

Circuit Breaker

Circuit Breaker funding received in FY24 was \$1,177,034. Due to budget shortfalls and unanticipated expenditures, the district needed to utilize \$1,078,643 leaving a balance of \$98,391 to be carried over into FY25.

Circuit breaker funding to be received in FY25 will be \$1,097,956 being paid to us in four installments. We have received the first two payments in the amount of \$274,489 each. (\$548,978).

The Circuit Breaker program is a state initiative designed to assist school districts by reimbursing a portion of the expenses incurred in providing a "free appropriate public education" (FAPE) to students with special needs. This reimbursement helps offset the costs associated with special education services, including tuition and transportation for out-of-district placements.

In Massachusetts, the program reimburses 75% of eligible special education costs that exceed four times the state average per pupil foundation budget.

This support is crucial for districts managing the financial challenges of delivering specialized education services to students with significant needs.

Transportation

We are currently reviewing our transportation needs due to an increase in ridership. The old "blue bird bus" has been permanently retired, as it is beyond repair. We are coordinating with the Town to surplus both the "blue bird" and the "minibus," which has been out of service for several years. Additionally, we have submitted a capital request to replace the blue bird bus in the upcoming year.

Conclusion

At this stage of the school year, there are concerns regarding utilities, tuitions, transportation, and salaries. The FY25 Budget has been frozen, and no additional expenses will be approved without the Superintendent's authorization.

If you have any specific questions, please reach out to me before the meeting so I can be fully prepared to address your concerns. You can contact me at (781) 383-0611.
