**PARENT TO PARENT OF NYS
offices provide:**

Support: Through the Parent to Parent Matching Program, we help family caregivers connect one-to-one with someone who has "been there" as a caregiver of a child with the same type of disability, chronic illness, or health care concern.

Information & Referral: We help family caregivers find answers to general questions or information on a specific disability or health care need. We also can direct you to those who provide services, such as finding help to locate and pay for health care, equipment, or transportation needs.

Training: We offer training, such as using a Health Care Notebook or an Education Records Organizer, and Understanding Medicaid Service Coordination.

Fact Sheets and Health Care Notebooks are available from PARENT TO PARENT OF NYS offices, or may be downloaded by visiting the organization's website, www.ptopnys.org.

PARENT TO PARENT OF NYS is

- An alliance member of Parent to Parent USA
- The state affiliate of Family Voices National
- New York's Family-to-Family Health Information Center
