- **Volunteers are IRS Certified!**

Each year, the United Ways of Chautauqua County administers the federal Volunteer Income Tax Assistance program locally, training volunteers to prepare income tax returns at no charge to residents.

Qualifying residents include individuals with a household income of $67,000 or less, persons with disabilities and those with limited English proficiency. Volunteers ensure that individuals and families receive every dollar they are eligible for in their federal and state returns, including valuable credits like the Earned Income Tax Credit. The goal of United Way and its volunteers is to ensure that 100% of individuals' refunds are returned to the taxpayers locally.
