

## MONTCLAIR KIMBERLEY ACADEMY

### **Upper School Mathematics / Computer Science Leave Replacement**

Montclair Kimberley Academy, an innovative PK – 12 independent day school with a strong national reputation and a recognized 1:1 laptop program, seeks a full-time Upper School Mathematics / Computer Science teacher to serve as a leave replacement from the start of the 2025-2026 school year until around mid-January 2026. Responsibilities include teaching four sections of mathematics or computer science.

As guided by its Strategic Plan, MKA is committed to promoting multicultural education grounded in equity, anti-bias education, and social justice. Multicultural education is a process of inquiry, reflection, and engagement that honors students' narratives, provides a safe environment to explore and discuss multiple perspectives, and helps transform students and faculty, school culture and curriculum, community, and society. We actively seek candidates who share our commitment to this process.

Qualified applicants will meet the following criteria:

- BS/BA or higher in Mathematics, Computer Science or related discipline;
- Experience and/or interest in computer science education, particularly at the Advanced Placement level, is a plus;
- Experience teaching high school students;
- Outstanding interpersonal, communication, and organizational skills;
- Range of instructional strategies to implement a student-centered approach in a 75-minute block period;
- Commitment to helping students one-on-one outside of the classroom;

Qualified applicants should email a letter of interest and résumé to Dennis Hu, Upper School Mathematics & Computer Science Chair ([dhu@mka.org](mailto:dhu@mka.org)). We will consider candidates as long as the job remains open, but we will look to fill it as soon as possible.

MKA's policy is to provide equal employment opportunity to all qualified persons regardless of age, race, creed, color, national origin, ancestry, sex, gender identity, sexual orientation, socio-economic background, or disability not related to the requirements for a successful MKA employee.
