CCSD's An Evening with the Stars presents Storybook Soirée

Office of Communications

Anita W. Huggins, M.Ed.
Superintendent of Schools

Michelle A. Mills
Associate of Communications

Who: Media outlets are welcome and encouraged to attend.

What: Charleston County School District's (CCSD) annual gala will have a storybook theme this year. *An Evening with the Stars presents Storybook Soirée* is funded by the generosity of donors locally, regionally, and nationally, and celebrates educators in CCSD, including the [2024-2025 Teachers of the Year](#) from each school and the [2024-2025 Star Principals](#).

This year's event will increase awareness of public education through community partnerships, recognize the accomplishments of outstanding teachers and administrators who are raising the achievement of all students, and help fund the district's annual summer Charleston Educator Symposium for principals and teachers. The symposium is a premier three-day learning event designed to elevate instruction and achievement in every classroom across CCSD.

When: Saturday, March 1, 2025; doors open at 7:00 p.m., and the program starts at 8:00 p.m.

Where: Charleston Marriott Hotel, 170 Lockwood Drive, Charleston, SC 29403

For more information, contact CCSD's Office of Communications at (843) 937-6303.

About the Charleston County School District

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 50,000 students in 88 schools and specialized programs.

CCSD offers a diverse portfolio of educational options and specialized programs delivered to the students of CCSD through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools and programs. Rich educational opportunities for students include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; military; dual credit; and many more.
