*On the day(s) a student is NOT scheduled for EOC testing, the parent may choose from one of the following options:

1. Student can attend the full day of school and participate in a supervised study hall with teacher help in the cafeteria during the morning testing window.

NOTE: Students who are failing classes at the 13.5-week progress report OR are not on track for graduation are REQUIRED to choose this option.

2. Student can study from home during the morning testing window and report to school at the B² time listed on the bell schedule above.

NOTE: The parent must provide transportation to school for their child if they choose this option as buses will be running their regularly scheduled routes.
