 GREAT SPACES, GREAT PROGRAMS!
 AGES 3-13

Time to Register for Summer Camp!

We are **VERY** excited to announce that Summer Camp & Academies Registration is **OPEN!**

From farming fun to outdoor explorations, art adventures or creative cooking, our Summer Camp & Academies offer more than 70 programs to keep children ages 3 to 13 entertained.

Morning and afternoon programs can be combined to provide a full-day, outdoor experience. Flanders offers an "all day" discount and early care (at an additional cost).

Programs are led by experienced educators, naturalists and enthusiastic summer camp counselors on the 200-acre Van Vleck Farm & Nature Sanctuary.

Discounts are offered for full day registration and for registering by May 1st! A further discount is applied for those families who are, or become Flanders members at the time of registration. Registration continues, depending on availability, all summer long but people are encouraged to register early to ensure getting their top choices!
