

Take Flight at Meadowlark Ridge

A Note from the Principal

Spring is just around the corner! We have successfully navigated through the snow storms together! A heartfelt thank you to everyone who participated in our Parent-Teacher Conferences, Valentine's Day parties and Bingo night. Your involvement made these events truly special. Let's continue to celebrate our achievements as we welcome the new season!

–Heather Galvan

What's Happening at MLR?

100 and 101 Day of School

Kindergarten students and teachers celebrated the 100 day of school by doing all different types of activities that centered around the number 100. Grade 1 students celebrated the 101 day of school by dressing up in polka-dots like dalmatians. They also celebrated by doing several number activities involving the number 101. It was fun to see the students around the building dressed up to celebrate these special days in school!

Grade 1

MLR Pride

Please encourage your child to wear their MLR Pride shirt to school on Fridays!

THANK YOU to PTO for paying for these shirts!

They are great way to show school spirit!

Thank You!

Parent/Teacher conferences were a success! We strive for 100% attendance.

Meadowlark Ridge believes in the cooperation between parents and teachers to meet the needs of all students.

Thank you for taking time out of your day to meet with your child's teacher. Your involvement in your child's education contributes to their progress in school.

If you have additional questions throughout the school year please contact your child's teacher.

State Assessments

Students in Grades 3, 4 and 5 will be taking the Kansas State Assessments beginning after spring break.

These assessments are very important to show the growth all students have made. Classroom teachers will receive exact dates and times when these assessments will be taken. Please avoid these dates/times when scheduling appointments for your student during the school day.

Tips to help your child succeed:

- Make sure your child gets a good night's sleep
- Make sure your child eats breakfast
- Make sure your child is present on test day (children generally perform better when taking tests in their classroom rather than at a make-up-time)
- Get your child to school on time
- Encourage your child to do their best!

Kindergarten Roundup

We are rounding up next year's Kindergarten!

Children who will be five years of age on or before August 31, 2025 are eligible to attend Kindergarten.

This year's Kindergarten Roundup will be held on April 24 at 6:00 p.m.

Directions to register for this event will be sent out soon. And invitations will be mailed out in early April.

if you know someone who will be eligible please share this information with their parent/guardian.

Learning Disposition of the Month

We Embrace Challenges

Ask your student about challenges they have faced at home? School? With Friends?

How did they embrace the challenge and overcome it?
