## CLUB, ACTIVITY & ATHLETIC INVOLVEMENT GOLD “L” POINT SERVICE AWARDS

Gold “L” points are awarded to outstanding students to recognize their participation in extracurricular activities and service to the school and the community. The service provided is usually done outside the school day except for club meetings during lunch. Towards the end of each semester, blank “point sheets” may be picked up from the Activities Office. Points are assigned by faculty advisors and accumulated each semester you attend Lakewood High. A medal for the specific award is given to students when they are seniors during a special award ceremony and may be worn at vespers and graduation ceremonies. Students involved in extra-curricular activities outside the normal school day provide an important service to the school. The Faculty Scholarship Committee, when awarding scholarships, use Gold “L” points as criteria for selection.

### STATE LAW PROHIBIT INDIVIDUAL SALES ON CAMPUS

CA Education Code § 51520 prohibits outside organizations from soliciting pupils on school property during school hours, as well as one hour before and one hour after school. Education Code § 51521 requires that all organizations that conduct fundraising to benefit clubs, schools, students or the district at the K-12 level have prior approval from the school district’s governing board.

Individual staff or students may not conduct their own fundraising on campus for personal use. State law prohibits any solicitation—sales or other requests for money—of students on campus except by district-controlled programs, such as the Cafeteria, Student Store, Student Clubs, Parent Booster Clubs, or other board-approved groups. Individual students, teachers and other employees do not fall into these categories. An individual’s fundraising would be taxable income to that individual, reportable to the Internal Revenue Service (IRS) and Franchise Tax Board. Student body groups may participate in the district’s special income tax exempt status, but individuals may not.
