

# SPRING INTO TECHNOLOGY

Secondary Instructional Technology Newsletter | Spring 2025

## Bloom into Learning

### By the numbers

PEW Research Center's Teens, Social Media, and Technology 2024

### Listen to learn

Healthy Children's Helping Kids Navigate Social Media

### Digital Organization Tip

Google Keep helps students organize tasks & set reminders.

## Stay Informed

Snapchat's "My AI" chatbot has raised concerns among parents regarding its impact on teens' social interactions and exposure to inappropriate content. To manage your child's experience, access Snapchat's Family Center to adjust privacy settings.

## Schoolology Tip

Did you know you can receive **daily or weekly email summaries** of your child's Schoolology activity? Check out the **Schoolology Parent Guide** to subscribe.

## Coming Up

ISC Parent Education Series

### Integration of AI in Academic Life

Date: Wednesday, March 5

Time: 7:00 PM on Zoom

## Did You Know?

The "Wait Until 8th" pledge, encouraging parents to delay giving children smartphones until the end of 8th grade, is gaining traction among parents nationwide.
