BENEFIT ENTIRELY FROM YOUR BENEFITS

GESD provides many professional and personal opportunities for your benefit!

Wholesome Wellness

Our employees are our greatest asset and, as such, we want to ensure they are well physically, emotionally and financially. GESD's Wellness Program puts together many events, meetings and programs to maintain your wellness.

Stipend Pay

Stipend pay ranges up to \$5,000 and the opportunities are vast! Opportunities for teachers to earn stipend pay include but are not limited to the following: Coaching, Student Group Sponsor, ELD Teacher, Gifted Teacher, Team Leader, Tech Mentor, Webmaster, etc.

New Teacher Orientation Week

Here in GESD, it is important that our new teachers feel welcomed, well-prepared and supported as you begin to make GESD your long-term home. One way that we achieve this is through New Teacher Orientation Week, where new teachers start the school year a full five days before returning teachers. This provides time to acclimate to your campus, get to know both district and site leaders, and take a guided dive into the curriculum resources. You will also participate in workshops that chunk the important components of Preparing for Successful Learning (like setting up your classroom, teaching procedures, and responding to students, just to name a few) and then you are actually given time to put it into action. New teachers are provided small group and individualized time with site administration. Achievement Advisors, Induction Coaches. and Technology Mentors all aimed at supporting a successful start of the year.

Comprehensive Benefits

All regular full-time employees at Glendale Elementary School District take part in District provided Medical, Dental and Vision benefits, Group Life Insurance, Identify Theft Monitoring, Employee Assistance Program (EAP), ASRS Contribution, and various leave plans. Additionally, employees have the following options: Flexible Spending Account, Supplemental Life Insurance and AD&D, Health Savings Account, Pet Insurance, Accident, Critical Illness, Cancer and Hospital Indemnity Insurance, Legal Plan, Tax Shelter Annuities and Short-Term Disability.

Professional Development

Teachers have many opportunities for professional development at GESD. We provide various on-site courses, and completion of the courses earns teachers seat hours for credit on the salary schedule. Teachers continuing their education can also submit completed course work for advancement on the salary schedule.

The Benefit of Time

Teachers at GESD are provided the benefit of time for learning, with all students being released early every Wednesday. There are various ways of growing professionally using that extra time, such as sitespecific trainings, district-wide trainings, collaborative team time and more.
