

Wolf Pack Press

Dear Wolf Pack families,

- We need to share some GREAT information about Parkwood High School's School Performance Grade. Each high school in North Carolina receives an overall grade for the school's performance each year. This year, I'm very proud to announce that our students and teachers are **AMAZING** (no surprise there). Overall, our School Performance Grade increased from 74 to 75! Our grade of B keeps getting stronger!
- **Parents of student drivers:** Please note that, according to the Student Parking Application, students are held accountable for their unexcused tardies which also impacts their parking privileges. Since your students drive themselves to school, they are in control of when they arrive. When students reach 3 tardies, they receive a lunch detention. In addition to this, assistant principals will be calling parents to notify them of their students' habitual tardiness. Upon their 6th tardy, students will **lose** their driving privileges for 5 days. Every increment of 3 tardies beyond 6, students will also lose their driving privileges for 5 days. Please ensure that your students are getting to school and to class on time every day. It is also **imperative** that they leave home on time in order to be able to drive safely to school every day.

UCPS 2024 Bond Vote

UNION COUNTY PUBLIC SCHOOLS
2024 BOND VOTE
NOV. 5

Union County Public Schools (UCPS) is committed to ensuring that all students receive a quality education in safe and efficient learning environments.

On Nov. 5, Union County residents will vote on **\$39,421,448** in school bonds. This bond package will address aging facilities at Parkwood High and East Union Middle. The schools were built in the 1950s and 1960s, and are inadequate for modern-day teaching and learning.

This bond will invest in pre-construction for a new Parkwood High School and a construction project that will relocate East Union Middle to the Forest Hills High campus. The 2024 bond will build on previous commitments and investments to provide modern schools for our students. For Parkwood High, the funding will address design work, assessments and land surveys. For the East Union Middle project, the funding will provide demolition, additions and building renovations to accommodate middle school academic and athletic programming.

With a successful bond, more projects will move up on the priority list for capital needs and future bonds. All communities benefit when we value public schools. District improvements increase safety, support evolving educational programs and practices, modernize aging facilities and directly impact the quality of life in Union County.

UCPS 2024 Bono Voto

UNION COUNTY PUBLIC SCHOOLS

2024 BONO VOTO

NOV. 5

Las Escuelas Públicas del Condado de Union (UCPS) se comprometen a garantizar que todos los estudiantes reciban una educación de calidad en entornos de aprendizaje seguros y eficientes.

El 5 de noviembre, los residentes del Condado Union votarán acerca de \$39,421,448 en bonos escolares. Este paquete de bonos abordará las instalaciones antiguas de Parkwood High y de East Union Middle. Las escuelas fueron construidas en las décadas de 1950 y 1960 y son inadecuadas para la enseñanza y el aprendizaje de hoy en día.

Este bono se invertirá en la pre construcción de una nueva escuela secundaria Parkwood High y en un proyecto de construcción que trasladará East Union Middle al campus de Forest Hills High. El bono 2024 se basará en compromisos e inversiones anteriores para proporcionar escuelas modernas a nuestros estudiantes. Para Parkwood High, los fondos se destinarán al trabajo de diseño, evaluaciones y estudios topográficos. Para el proyecto East Union Middle, los fondos proporcionarán demolición, ampliaciones y renovaciones de edificios para dar cabida a los programas académicos y deportivos de la escuela intermedia.

Con un bono exitoso, más proyectos ascenderán en la lista de prioridades para necesidades de capital y bonos futuros. Todas las comunidades se benefician cuando valoramos las escuelas públicas. Las mejoras del distrito aumentan la seguridad, apoyan la evolución de los programas y prácticas educativas, modernizan las instalaciones antiguas e impactan directamente la calidad de vida en el condado Union.

Please contact melinda.rivers@ucps.k12.nc.us to update your information.

Keep in Mind - You will need to show your ID when coming to the school so please remember to bring it with you.
