Athletics in Georgetown ISD

Jason Dean, Director

Goal of GISD Athletics

When our kids graduate from GISD we want them to say “I had the best high school experience because of my athletic team and the coaches I had while playing the sport that I loved.”

What the kids say:

Survey for 2023/24 school year

Almost 40% of high school students in GISD said “**they felt the most connected to their school because of the sports that were happening at their school.**”
