Dear parents,

Earlier this year Forsyth County Schools and the Forsyth County Public Library announced a new partnership to provide free library cards to all students.

**Get Your Library Card**

For those students new to Forsyth County who requested a library card during registration, or for those returning Forsyth County students who don't have a library card, you can now create a library card account for your Forsyth County Schools student at www.forsythpl.org.

Signing up online creates a temporary account with limited access to online resources for a 21-day period, which may help with any last minute research projects or homework assignments your student needs to complete.

**FREE LIBRARY CARD FOR FCS STUDENTS**

Visit a library to get your student's library card & check out materials.

In order to get full library access (including checking out materials), students will need to convert their online account to a physical library card. To convert your temporary online account to a physical library card, visit the Ask Us desk at any Forsyth County Public Library location.

You may also skip creating an online account and go directly to the Ask Us desk to get a physical library card. You can use the card immediately to access all online resources and check out books and materials.

**Library Locations**

We encourage you to get your child's free library card at any of these Forsyth County Public Library locations:

> Cumming Library
> 585 Dahlonega Road, Cumming, GA 30040

> Hampton Park Library
> 5345 Settingdown Road, Cumming, GA 30041
