Celebrating Childcare in Ocean View School District

February 25, 2025

Alice Lee, Ed.D., Assistant Superintendent of Educational Services

Jenna Landero, Coordinator, Child Development Programs

OVSD Childcare Programs

The OVSD Childcare Program focuses on developing the academic, social, emotional, and physical needs of students through a pupil-centered, results-driven approach that complements the regular instructional day and school year and leverages community partners.

- Hands-On Learning through Play
- Integrating Student Supports
- Supporting Staff Professional Development

After School Programs

Help children learn and contribute to their well-being

- Interacting with peers and building social skills
- Taking part in physical activity
- Fostering life skills
- Engaging in activities that encourage growth, like VAPA and STEAM

Support parents/guardians with providing for their families

- Helping working families remain employed
- Keeping youth safe and engaged after the school day ends

California recognized the need and established Expanded Learning Opportunities Program (ELOP) funding. ELOP funds require a plan outlining educational and enrichment opportunities for eligible students.

Before and After School Programs .... Kids Club

Transitional Kindergarten (TK) through Fifth Grades

On-site at all 10 elementary campus

6:45 am until 15 minutes before school starts

- Parent-paid supervision of “quiet” activities and breakfast
