P1	Period 1	8:00 – 9:35 AM
P2	Period 2	9:40 – 11:15 AM

Registration closes May 15, 2025 at noon.

No late registrations will be accepted.

Summer School

New for 2025

- There will be an extended time period to sign up for alternate transportation. Alternate Transportation is transportation to or from any location other than your home address. The deadline for registering and paying for Summer School alternate transportation is May 31, 2025. No late requests for alternate transportation will be accepted.
- There are new courses being offered this summer:
 - Escape Room Challenge (Intermediate School)
 - Science of Superheroes (Intermediate School)
 - MS & HS Swimming Lessons – Basic Skills (grades 7-12)
- If you created a parent login in 2024 for the online summer school registration program, your username and password have been saved. You will still need to add your student/s back on your account. All student information from 2024 was removed from the registration system. The most current 2025 student information was then uploaded into the registration program for Summer School 2025.

General Information

Absences: If your child will be absent from summer school classes, please call to let us know. We realize that attendance is not mandatory, but we want to make sure all children are safe and accounted for. The Summer School attendance line is available starting June 17.

Summer School Attendance Line 608-849-2885

Adding/dropping classes: Families will be able to add or drop classes on their own by logging into their Summer School registration account and making the changes themselves. If you wish to replace a class, you need to drop the old class first prior to registering for the new class. Adding classes is subject to availability. **Registration closes May 15, 2025 at noon. No late registrations will be accepted.** To drop a class after 5/15, please call the Summer School office.

Arrival/Departure: Students should not arrive earlier than 7:35 am at the elementary schools or Intermediate school. Supervision staff is not available prior to that time. Students should be picked up promptly after their last class. Please do not use the bus loop if you are driving your child to school.

- **Arriving late or leaving early?** Please use the main entrance to the building and stop in the school office. The office staff will be happy to help you locate your child.

Catalogs: Dates, times and resident fees as noted. Classes meet Monday-Thursday (exception: Strength and Conditioning).

Class Cancellation: If a course is canceled, parents/guardians will be notified and will be refunded their money.

Classroom Code of Conduct: The Waunakee Community School District is committed to maintaining an educational atmosphere of excellence. Teachers are expected to create a positive classroom environment that is conducive to learning and self-discipline. Students are expected to behave in a manner that is based on respect and consideration for the rights of others.

Class Locations: Classrooms are subject to change. Building and room numbers are noted and on your student's schedule found online through your summer registration account.

Eligibility: All children living within the boundaries of the Waunakee Community School District are eligible to register. The Waunakee Summer School Program is not available for non-residents.

Emergency Closings: In case of an emergency closing, an announcement will be made on local radio and TV stations and on the Waunakee School District website: www.waunakee.k12.wi.

Fees: The Waunakee Community School District summer school fee structure aligns with state requirements. Fees are as noted in the catalog and online. The District does waive fees for those families who are eligible for the federal free or reduced price lunch program and have elected to share that information. Families who have submitted the proper paperwork will have their summer school fees waived after the registration process. The District encourages families with financial need to complete the paperwork and seek the fee waiver if applicable. Contact Business Services for more information at 849-2000 ext.8491.

Health Information : All students, current & new to the district, who will require over the counter medications or prescription medications during Summer School must complete the appropriate form for EACH medication. This includes emergency medications such as EpiPen, AuviQ, Midazolam, Glucagon, etc. The forms can be found on the Summer School webpage under the Health Information tab.

Holiday: There will be **no Summer School on Friday, July 4th**. Waunakee Community School District Buildings will be closed in observance of the holiday.

Locations: Summer School classes will be held at Arboretum Elementary, Heritage Elementary, Prairie Elementary, Intermediate School, Middle School, and the High School. **If your child does not or will not attend one of our elementary schools, they must register for elementary classes at the school closest to your child’s home address.**

Materials: The school does not supply notebooks or pencils. The teacher will notify you if your child needs supplies for the class.

Music Camps: Music camps are scheduled after the end of the summer school day. Transportation is not available for music camps.

Music Lessons: Students are **pulled from their regular schedule** for all music lessons. Students should not register for a music lesson during a remedial class. If your child will be bussed, register for a full morning of classes **plus** the music lessons.

For questions concerning lessons please contact the appropriate individual below.			
Contact Person	Phone	email	Subject
Elizabeth Zinger	849-2176	elizabethzinger@waunakee.k12.wi.us	Band 6
Jamie Sercombe	849-2060	jamessercombe@waunakee.k12.wi.us	Band 7-12
Mike Steen	849-2176	michaelsteen@waunakee.k12.wi.us	Orchestra 5 and 6
Elizabeth Albrecht-Heiks	849-2100	elizabethheiks@waunakee.k12.wi.us	Orchestra 7-12

Ex: Grades 5-6 register for 3 classes **plus** music lessons for a total of at least 4 classes. Grades 7-12 register for 2 classes **plus** music lessons for a total of at least 3 classes.

Non-Residents/Open-Enrolled/Private School Students: Classes are open to all children living within the boundaries of the Waunakee Community School District and/or currently attending WCSD. The Waunakee Summer School Program is not available for non-residents. Open-enrolled students are eligible to attend summer school. You are considered a non-resident if you have **not** completed your first year of full-time attendance within the Waunakee School District. **If your child does not or will not attend one of our elementary schools, please register for elementary classes at the school closest to your child’s home address.**

Payment: No payments will be collected at time of registration. If a student is registering for Camp Invention which has a fee, payment will be made outside of the registration program. Directions on how to pay the Camp Invention fee will be emailed to the families of students registered for the course. Payment must be made between May 1 - May 15, 2025 in order for your camp registration to be finalized. Failure to pay by that date will result in your camp registration being dropped.

Preschool Classes: The Waunakee Summer School Program is for school age children (students who will be in grades 4K – 12 in the fall). The Aquatics Center and Community Ed Programs offer summer classes for preschool learners. For more information on those classes, please visit the Aquatics Center and Community Ed websites.

Registration: All summer school registration is online or by calling the summer school administrative assistant 608-849-2063. Use your child's **2025-26** grade for registration.

Refund Policy: Refunds will not be provided for any summer school registrations. The Waunakee Community School District makes decisions on staffing levels and course supplies/materials based on your selections during the registration process. As a result, please do not register for any classes that your student may not attend. Thank you for your consideration.

Remedial Classes for students currently in Grades K-7: "Teacher recommendation only" Students who have been identified in need of remediation will receive an email recommending them for a specific class. This recommendation does not automatically enroll your child in the class. **To register your child for the recommended class:**

Step 1: Enroll your child in the recommended class during online registration.

Step 2: If your child will **not** be attending summer school – reply to the recommendation email you received and to let the appropriate school office know your student won't be attending.

Remedial Classes by teacher recommendation only for students currently in Grades 9-12: This program is designed for students who fail one or two classes in the areas of English, Math, Science, Physical Education/Health and/or Social Studies. Students who failed a class and qualify for the summer remedial program will be notified by the individual teacher. A follow-up letter regarding the recommendation will be sent to Parent(s)/Guardian(s). This does not automatically enroll a student in the class.

To register your student for a recommended class:

Step 1: Call 849-2100 to confirm whether or not your student will be attending the recommended class.

Step 2: Complete the online registration to enroll your student for the recommended course(s). High School Summer School orientation is Monday, June 23rd at 8:00 a.m. in the high school commons.

At this time students will meet the summer school staff, receive information on program expectations, class locations and class meeting times. Individual remediation plans are developed by the recommending teacher.

Summer school attendance is essential. All work must be completed at school. Once a student's remedial plan is completed to the supervising teacher's satisfaction, credit will be awarded and no further attendance is required.

Snacks: Students may bring a nutritious snack (fruit, granola bar, juice box, etc.). Students should not bring candy or similar items (chocolate chips, soda, etc.) for their snack. Teachers will permit students to eat their snack in the 2nd class period. Students are responsible for their snacks. Please be aware there may be student's with food allergies. Please send a filled water bottle for your child each day.

Special Education Students/English Language Learners: Parents/guardians should work collaboratively with their child's case manager to enroll their child in summer school classes.

Swim Lessons: Contact the Aquatics Director at 849-2420 with any questions. All summer swim registrations must go through either online or walk-in registration.

- It is very important to review the level descriptions prior to registration to ensure proper placement. Proper placement is critical for the safety of swimmers and staff. Due to limited seats, it is unlikely there will be space to move swimmers who are not placed correctly. Incorrectly placed swimmers will be dropped or moved to a different time period or session. Swimmers are not allowed to participate in a level that does not match their ability.
- This swim program is progressive and swimmers must pass each level before moving to the next.
- Most swimmers require at least 2 sessions at a level to successfully complete the skills before advancing to the next level.
- If your child cannot perform the required skills on the first day of class, staff will attempt to find an open class at the appropriate level. In many cases, this means changing swim times or sessions.
- For enrollment changes after online registration closes, please contact the Aquatics Center office at

608-849-2420. Staff will be able to assist you Monday - Thursday from 9:00 a.m. - 4:00 p.m. Please do not wait until the first day of classes as space may not be available.

- If you need to make any changes for a future session of swimming lessons, please do so immediately while you are on site and have your progress report. **Changes on the first day of a new session can only be accommodated in rare circumstances as class sizes determine staffing.**

Transportation:

The Waunakee Community School District works in partnership with Lamers Bus Company to provide transportation to and from summer school for our families. For the summer of 2025, all K-12 students registered for summer school that live within the transportation boundaries are automatically enrolled for transportation to and from their home address. Service will be available on the first day of summer school, Monday, June 23, 2025 and continue until July 31, 2025. There is no cost for this service for our families.

Transportation Opt-Out

We are asking for your partnership regarding transportation this summer. You can help alleviate the pressure on our bus system and allow us to not allocate resources for scheduling routes for families not choosing to use this service. You can assist us by opting-out of transportation for summer school programming. If you would like to opt-out of regular transportation for summer school, please complete the online form as soon as possible for us. Opt out forms filled out for the school year do not apply to summer school.

Alternate Transportation Requests

Alternate Transportation is transportation to or from any location other than your home address. Alternate transportation for Summer School is open from April 2, 2025 to May 31, 2025. After the registration deadline, there will be no additional extensions or changes available for summer school. We appreciate your prompt attention to this request. Register for alternate transportation requests online. Alternate transportation requests for the school year do not apply to summer school.

Transportation Exclusions

There is no busing provided during the middle of the Summer School day. There is no busing provided for music lessons that end outside of the normal Summer School hours. There is no summer school transportation for swimming lessons, strength and conditioning, August Training Camp, Camp Invention, or any of the music camps.

Deadlines

There will be no exceptions this year with late deadlines or not registering for alternate transportation. This is transportation to a location other than home address.

Your transportation routes/times will be mailed to your home address as soon as the summer school routes have been finalized by Lamer's. Routes for Session 1 will be mailed on June 13, 2025. Session 2 routes will be mailed on July 3, 2025.

Important Dates

April 1, 2025 - Alternate Transportation Registration opens

May 31, 2025 - Alternate Transportation Registration closes

With questions, please contact the WCSSD Business Office at wcsd_transportation@waunakee.k12.wi.us.

Wait Lists: Classes fill on a first-come, first-serve basis. There are no wait lists available except for Camp Invention. If you were unable to register a student for Camp Invention because it was full and would like to add your student to the wait list, visit the Summer School webpage. There is a tab for Camp Invention Wait List. Click on the tab and complete the form. The Summer School office will contact you if space becomes available.

Walk-Thru Day: Want to help your child get familiar with the summer school buildings and find his/her classrooms prior to the start of summer school? We invite you and your child to take a self-guided tour through the schools. Maps will be available and classrooms will be labeled. Summer school staff will not be present. The Walk-Thru Day is scheduled for **Wednesday JUNE 18, 4:00 p.m. – 7:00 p.m.**

Worksheet to Help You Visualize Your Child's Schedule

Classes meet Monday-Thursday (exception Strength and Conditioning and music lessons).

*****If your child is bused to and from school, they must be registered for a full morning of classes*****

Grades 1-4

Camp Invention Presents

DISCOVER

Students who will be entering grades 1-6 may enroll in Camp Invention as a part of summer school. This will save each participant \$220! The cost is \$55 instead of \$275. This program is only open to eligible Waunakee residents and will not appear on a public Camp Invention website.

Registration: Registration for this camp is now included in Summer School registration.

Camp Invention registration opens Tuesday, April 15 at 6:00 PM.

Materials Fee: The fee for Camp Invention will not be paid at time of registration. Registered participants will be sent an email link on May 1, 2025 to pay the \$55.00 along with an online registration form from Camp Invention. This fee along with the registration form will be due by May 15th at noon to keep the registered spot.

Dates: June 16 – June 20, 2025 from 9:00 a.m. to 3:30 p.m.

Location: DISCOVER is hosted at Arboretum Elementary – 1350 Arboretum Drive in Waunakee.

Transportation: Parents need to provide transportation for Camp Invention

Meals: Participants bring a sack lunch and snack daily.

Supplies: More information will go out to registered participants in May.

Wait List: Once Camp Invention is full, you may sign up on the waitlist found on the Waunakee Summer School webpage.

What is Camp Invention – DISCOVER

Participants rotate with same aged peers between five classes in this full day Camp Invention experience. Children are empowered to have big ideas while they take on challenges that inspire them to question, brainstorm, collaborate with teammates, and build amazing invention prototypes.

Details on the classes are found on the following page!

Discover our new 2025 Camp Invention program, DISCOVER

This year's all-new program is designed to build essential STEM (science, technology, engineering and mathematics) skills while also boosting reading abilities. This is all accomplished through hands-on activities that offer so much fun and excitement, kids don't even realize how much they're learning!

In Control

As travelers on the ultimate road trip, campers put their navigation skills to the test as they study traditional travel maps and explore the use of artificial intelligence in GPS. Campers explore electromagnetic waves as they assemble their very own receiver and transmitter and are given secret messages in Morse code. Campers use creative problem solving and build persistence by inventing their way out of numerous bumps in the road that threaten their course.

Illusion Workshop

Campers explore the science behind optical illusions in art, movies, theater and animation, finding inspiration from real life theme park technology and the inventors behind it. While exploring special effects in the entertainment industry, campers find inspiration for their own moving props using pneumatics. Campers are challenged to create their own Spin-o-scope™ to show the illusion of motion, blending the realms of science and art.

Claw Arcade

Campers build their very own functional claw machines complete with one-of-a-kind prizes as they dive into the world of physics and mechanics. Campers discover the biology of claws, talons and pincers and mimic how animals use their external parts to help them survive, grow and meet their needs. After exploring entrepreneurial principles and crafting marketing strategies, campers pitch their arcade ideas to hook investors and secure funding for their claw arcades.

Penguin Launch

Campers embark on an eco-expedition to investigate penguins and the geography and climate of their home in Antarctica. With the help of a Snow-ver – a rover equipped with a robotic research penguin that can roll and glide across snowy and icy surfaces—campers enter penguin colonies undetected. Campers unleash design thinking to create flippers and launchers that propel their own plush penguin across the South Pole and beyond, delivering penguin - and planet-saving messages.

Aquatic Center

Swim class enrollment is based on your child's age and ability.

If you need assistance in determining which level - check out the detailed descriptions found on the Summer School webpage.

To Make Enrollment Changes:

If after the first session you find you need to change the swim level your child is enrolled in the Aquatic Center staff can assist you.

S= Session (Monday-Thursday)

S2	Adaptive Swim	12:00-12:30 PM	07/07 - 07/17	M-T-W-TH	K - 12+	\$0
S3	Adaptive Swim	12:00-12:30 PM	07/21 - 07/31	M-T-W-TH	K - 12+	\$0

4K Aquatics ~ 4 year old students enrolled in WCSD 4K in the fall

4K students who have registered for the WCSD 4K program in the fall (2022-2023 school year) are eligible to participate in WCSD Summer School. There are preschool aquatics classes being offered for them.

S1, S2, S3	PS Level 1, 2, 3	10:30-11:00 AM		M-T-W-TH	4K	\$0
S1, S2, S3	PS Level 1, 2, 3	11:15-11:45 AM		M-T-W-TH	4K	\$0
S4	PS Level 1, 2, 3	9:00-9:30 AM		M-T-W-TH	4K	\$0
S4	PS Level 1, 2, 3	9:45-10:15 AM		M-T-W-TH	4K	\$0

Learn to Swim ~ Grades K - 12

Designed to help participants achieve maximum success, Learn-to-Swim courses are based on a logical, six-level progression that helps swimmers of varying ages and abilities develop their water safety, survival and swim skills.

LEVEL 1

Learn to Swim Level 1 is designed to begin developing positive attitudes, good swimming habits and safe practices in and around the water. This class is for participants 5 years of age or older.

Available:

S1B1,S1B2,S1B3, S1B4, S1B5, S1B6
 S2B1, S2B2, S2B3, S2B4, S2B5, S2B6
 S3B1, S3B2, S3B3, S3B4, S3B5, S3B6
 S4B3, S4B4, S4B5, S4B6

LEVEL 2

Learn to Swim Level 2 is designed to give participants success with fundamental skills, including learning how to float without support and to recover to a vertical position. This class is for participants 5 years of age and older.

Available:

S1B1,S1B2,S1B3, S1B4, S1B5, S1B6
S2B1, S2B2, S2B3, S2B4, S2B5, S2B6
S3B1, S3B2, S3B3, S3B4, S3B5, S3B6
S4B3, S4B4, S4B5, S4B6

LEVEL 3

Learn to Swim Level 3 is designed to build on the skills in Level 2 by providing additional guided practice in deeper water. This class is for participants 5 years of age and older.

Available:

S1B1,S1B2,S1B3, S1B4, S1B5, S1B6
S2B1, S2B2, S2B3, S2B4, S2B5, S2B6
S3B1, S3B2, S3B3, S3B4, S3B5, S3B6
S4B3, S4B4, S4B5, S4B6

LEVEL 4

Learn to Swim Level 4 is designed to develop participants' confidence in the strokes learned in Level 3 and to improve other aquatic skills. By the end of Level 4, swimming will have been introduced to all 6 strokes in the American Red Cross Learn-to-Swim Program. This class is for participants 5 years of age and older.

Available:

S1B1,S1B2,S1B3, S1B4, S1B5, S1B6
S2B1, S2B2, S2B3, S2B4, S2B5, S2B6
S3B1, S3B2, S3B3, S3B4, S3B5, S3B6
S4B3, S4B4, S4B5, S4B6

LEVEL 5

Learn to Swim Level 5 is designed to help participants further learn how to coordinate and refine strokes. This class is for participants 5 years of age and older.

Available:

S1, S2, S3 11:15-11:55 AM, S1B3, S2B3, S3B3, S1B5, S2B5, S3B5
S4 9:00-9:40 AM, S4B5

LEVEL 6

Learn to Swim Level 6 is designed to refine strokes so participants swim them with more ease, efficiency, power and smoothness and over greater distances. The course will focus on swimming as a lifelong wellness activity and introduce various equipment used for lap swimming and water exercise.

Available:

S1, S2, S3 10:30-11:10 AM, S1B4, S2B4, S3B4
S4 9:45-10:25 AM

MS & HS Swimming Lessons-Basic Skills (grades 7-12)

Help participants gain basic aquatic skills and the six basic swimming strokes. Teach skills and concepts needed to stay safe in and around water and to help themselves or others in an aquatic emergency.

S1	MS & HS Swim	12:00-12:30 PM	06/23 – 7/03	M-T-W-TH	7 - 12	\$0
S2	MS & HS Swim	12:00-12:30 PM	07/07 - 07/17	M-T-W-TH	7 - 12	\$0
S3	MS & HS Swim	12:00-12:30 PM	07/21 - 07/31	M-T-W-TH	7 - 12	\$0

ARBORETUM ELEMENTARY

ACTIVE FUN FITNESS Grades 1 and 2

Get moving and learn the benefits of physical activity! Your child will learn teamwork, sportsmanship and physical skill building all while playing team sports, group problem solving and other activities both indoors and out. Moving is so great, feel free to sign up for both sessions.

PHOTOSHOP

This is a design course for the student interested in learning how to create art using a computer. This class will acquaint students with digital photography and animation. Students will be working with Adobe Photoshop to paint, draw, illustrate and build pieces from the ground up. No prior experience needed, just a willingness to learn and have fun! Please bring your own flash drive on the last day of class to save all of your work. You may also bring your own camera full of photographs to create digital art. Don't forget to bring your imagination!

Grades: 5 and 6

Available: S6P1, S6P2, S6P3

Course Fee.....**NO FEE**

SCIENCE OF SUPERHEROES

Students will conduct hands-on experiments to investigate superhero strengths such as flight, strength, elasticity, energy transfer, and sensory enhancements.

Grades: 5 and 6

Available: S6P1, S6P2, S6P3

Course Fee.....**NO FEE**

SUMMER FITNESS

This course will be held in the Fitness Center. It is designed to not only get students moving but also teach them the benefits and principals of training. Students will learn how to exercise correctly with safety. They will also learn how to develop a personal fitness plan. This is a great opportunity for any student to get moving and have fun doing it!

Grades: 5 and 6

Available: S6P1, S6P2, S6P3

Course Fee.....**NO FEE**

THE ARTIST IN YOU

Students will explore their inner artist, and find inventive ways to journal their thoughts, ideas, and imagination. They will find their unique voice using different art mediums to creatively express themselves!

Grades: 5 and 6

Available: S6P1, S6P2, S6P3

Course Fee.....**NO FEE**

MIDDLE SCHOOL

CALL OF THE WAUNAKEE WILD

Do you like being outside and learning more about the natural world around you? Then, this is the perfect class for you! Using a blend of both indoor and outdoor activities, you will learn more about animals, plants and local waterways that call Waunakee home. In this class, we will learn about insects, wetlands and so much more! Grab your hiking boots and get ready to explore!

Grades: 7 and 8

Available: S6P1, S6P2

Course Fee.....**NO FEE**

CAMP INVENTION JUNIOR COUNSELOR

This Leaders-in-Training program invites 7th to 9th graders to participate in the Camp Invention program in a whole new way. They'll guide children through exciting STEM activities, encouraging creativity and hands -on fun while building their leadership and goal setting abilities. Registered students will receive an email with details on fee payment and Camp Invention forms.

Grade: 7-9

Available: 6/16/25 - 6/20/25 9:00 a.m. – 3:30 p.m.

Course Fee.....**\$55.00**

COMMUNICATION ARTS 7

Build and continue to strengthen essential student skills in communication arts. This class is designed to strengthen basic competencies, offset normal summer “forgetting curve” and provide supporting transition to the start of the next grade.

Requirements: Teacher Recommendation is Required
Grade: 7

Available: S6P2

Course Fee.....**NO FEE**

COMMUNICATION ARTS 8

Build and continue to strengthen essential student skills in communication arts. This class is designed to strengthen basic competencies, offset normal summer “forgetting curve” and provide supporting transition to the start of the next grade.

Requirements: Teacher Recommendation is Required
Grade: 8

Available: S6P1

Course Fee.....**NO FEE**

ENHANCING SKILLS - MS

This class is designed to provide individual and small group instruction in social, communication, behavioral and academic skills. Emphasis on maintaining and enhancing skills for middle school. This class runs 8:00 AM – 11:15 AM.

Requirements: Teacher Recommendation is Required

Grades: 7 and 8

Course Fee.....**NO FEE**

Build and continue to strengthen essential student skills in math. This class is designed to strengthen basic competencies, offset normal summer “forgetting curve” and provide supporting transition to the start of the next grade.

Requirements: Teacher Recommendation is Required

Grade: 7

Available: S6P1

Course Fee.....**NO FEE**

MATH 8

Build and continue to strengthen essential student skills in math. This class is designed to strengthen basic competencies, offset normal summer “forgetting curve” and provide supporting transition to the start of the next grade.

Requirements: Teacher Recommendation is Required

Grade: 8

Available: S6P2

Course Fee.....**NO FEE**

PLANTS TO PLASTICS AND GEAR

Plants and animals have amazing ways of protecting and defending themselves, which can inspire engineers to design new technologies. Join this class to design bioinspired gear. Take this a step further and turn plants into plastics – plants are not just for food anymore!

Grades: 7 and 8

Available: S6P1, S6P2

Course Fee.....**NO FEE**

PODCASTING/RADIO BROADCASTING

Welcome to Podcasting/Radio Broadcasting! Students will learn about the history and science of radio and media and the impact that has on music today. We also give students the ability to record anything they want to and to be broadcast via PODCAST or on the RADIO! If you love creating music, listening to music, podcasts, or the radio, and want the opportunity to learn about the process and do it like the professionals, this is the perfect class for you!

Grades: 7 and 8

Available: S6P1, S6P2

Course Fee.....**NO FEE**

SUMMER ART

This class is designed to expand your creativity and knowledge of different art processes. Each summer students will explore a variety of periods in art history, arts of other cultures and techniques used by specific artists. Students will use a variety of media/materials to create new and unique projects each summer.

Grades: 7 and 8

Available: S6P1, S6P2

Course Fee.....**NO FEE**

HIGH SCHOOL

ACT TEST PREP

Students in this class will learn and practice strategies for taking the ACT test. The class will examine the sections of the test and will discuss the strategies and timing needed for each section. Students will need a pencil, a calculator, and a watch. We will simulate the test on the second-to-last day, so students will be in class for about 4 hours that day.

Grades: 10-12

Available: 6/23-7/3 P1, P2

7/7 – 7/17 P1, P2

7/21 -7/31 P1, P2

Course Fee.....**NO FEE**

ENHANCING SKILLS - HS

This class is designed to provide individual and small group instruction in social, communication, behavioral and academic skills. Emphasis on maintaining and enhancing skills for middle school. This class runs 8:00 AM – 11:15 AM.

Requirements: Teacher Recommendation is Required

Grades: 9-12

Course Fee.....**NO FEE**

2025 MUSIC OPTIONS FOR GRADES 7-12

MS/HS BAND LESSONS

Group Lessons for MS and HS band students on their concert or marching instruments. Focus will be on fundamentals and preparation for the school year.

MS/HS ORCHESTRA LESSONS

Group Lessons for MS and HS orchestra students on their primary instrument. Focus will be on fundamentals and preparation for the school year.

GROUP PIANO LESSONS

If you want to try piano or further your piano skills in a small group setting, here's your chance. No previous music experience required. Music theory instruction is included and music selection is tailored to your ability level. Piano/keyboards are available at the school, but students are required to have their own home instrument. We will provide lesson books.

GROUP GUITAR LESSONS

If you want to try guitar or further your guitar skills in a small group setting, here's your chance! No previous music experience required. Music theory instruction is included and music selection is tailored to your ability level. Guitars are available at the school and are able to be checked out, if needed. We will provide lesson books.
