INTERNATIONAL BACCALAUREATE PROGRAMME

IB AT SOUTH FORSYTH

UNLOCK YOUR GLOBAL POTENTIAL WITH IB EXCELLENCE

Are you the type of student who is **self-motivated**, enjoys **exploring global topics**, seeks out **academic challenges**, and has a **driving curiosity** and a desire to be a **competitive college applicant**? The South Forsyth High School IB Diploma Programme or Career-related Programs could be for you!

The IB Diploma Programme and IB Career-related Programme equips students with:

- Skills such as **problem-solving, critical thinking** and **fostering intellectual curiosity**.
- Becoming **well-rounded individuals** through **creativity, activity and service learning activities**.
- Opportunities to **contribute to their local and global communities** and become more **active citizens** of our community.
- Develop **internationally minded** people who, recognizing their common humanity and shared guardianship of the planet, **help to create a better and more peaceful world**.
- Prepare students with the skills and knowledge to be **successful in high school, college, career and life**.

According to a study completed by The International Insight Research Group:

The average acceptance rate of IB students into university/college is **22%** percentage points higher than the average acceptance rate of the total population.

DIPLOMA PROGRAMME

10 Reasons why the IB Diploma Programme (DP) is ideal preparation for university

- It increases academic opportunity**
Research shows that DP graduates are much more likely to be enrolled at top higher education institutions than entrants holding other qualifications.
- IB students care about more than just results**
Through creativity, action, service (CAS) you learn outside the classroom and develop emotionally and ethically as well as intellectually.
- It encourages you to become a confident and independent learner**
For example, the extended essay requires independent research through an in-depth study.
- It's an international qualification**
The DP is recognized globally by universities and employers.
- Graduates are globally minded**
Language classes encourage an international mindset, key for increasingly globalized societies.
- The IB encourages critical thinking**
Learn how to analyse and evaluate issues, generate ideas and consider new perspectives.
- DP students have proven time management skills**
Take good study habits and strong time management to further education and the working world.
- It assesses more than examination techniques**
Learn to understand, not just memorize facts or topics and prepare for exams.
- Subjects are not taught in isolation**
Theory of knowledge (TOK) classes encourage you to make connections between subjects.
- It encourages breadth and depth of learning**
You are able to choose courses from six subject groups and study subjects at different levels.

CAREER-RELATED PROGRAMME

10 Reasons why the IB Career-related Programme (CP) is the ideal study for students looking to pursue a range of pathways

- It encourages you to think about others**
The service learning course allows you to make a positive difference to the world around you.
- Explore, understand and engage in real world issues**
The CP requires you to explore, analyse and evaluate global issues from a local perspective.
- It integrates academic and practical learning**
The CP combines academic rigour with practical study and develops skills and competencies required for life-long learning.
- It allows you to do what you really want to do**
You can combine your academic subjects with your interests and skills.
- It gives you more career options**
With a CP you can access further education, apprenticeships and employment in areas such as business, IT, health care, sports and many others.
- Learn about different cultures**
Language development encourages you to engage with other cultures and increase your understanding of the wider world.
- Build friendships and connections**
Collaborative projects allow you to build friendships as well as working relationships.
- Explore and apply your creativity in innovative ways**
Personal and professional skills courses promote creative thinking techniques.
- Develop essential life skills**
Skills including critical thinking, communication and personal development are an important focus of the CP.
- Become an independent learner**
Taking part in the reflective project, you learn how to research subjects and explore multiple sources of information.
