College Applications 101

Apply to Schools

Select the schools on Common App you want to send an application to.

If a school is not on Common App, apply directly through that school's website.

Transcript Orders

Order your transcript through Parchment (additional information available on the counseling website)

For Common App schools: Select "Common App-1st Year Student" as the recipient to order one transcript for all Common App schools

Add your counselor to Common App

Add your counselor's email to the counselor section of Common App so they can access your profile
