Meet our scholars that attend JMC.

The Jackson Middle College High School program is JPS' newest Advanced Academic program. This program features a partnership with Jackson State University to establish a "Grow-Your-Own" Mathematics Educator development component, allowing participants to complete the first two years of college while in high school (tuition-free). The Middle College is for highly motivated, disciplined, rising 11th-grade scholars interested in Mathematics. JMC scholars will work to meet all teacher licensure requirements before returning to teach for JPS for a minimum of three years.

Nissan hosted 62 African American high school students from around the country for the annual Nissan Ready program Feb. 18-20. In partnership with 100 Black Men of America, Nissan Ready educates and inspires through interactive career-building workshops, dynamic presentations and camaraderie. Nissan has partnered with 100 Black Men of America, the nation's top African American-led mentoring organization, since 2014. Representing 100 Black Men chapters from Detroit, Chicago, Atlanta, Dallas, Jackson (Miss.), Washington, D.C., and Middle Tennessee, the 62 high school students demonstrated a commitment to their studies and a desire to excel to earn their spot at the event.

Provine would like to recognize JaiAllen Clincy and others for being selected for the Nissan internship. Malcolm Wilson, Javon Rockett, and JaiAllen Clincy were selected to participate in the Nissan Ready Program through 100 Black Men.

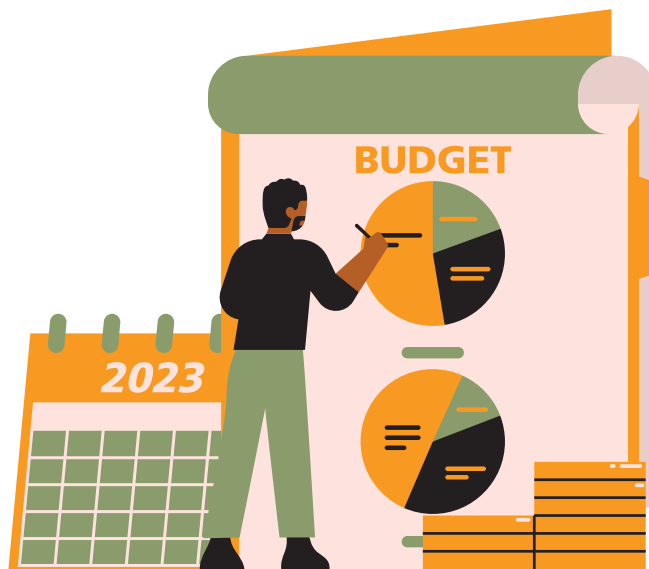

Welcome to the Real World

Real World Fair for Seniors

The senior scholars participated in a "Real World Fair" sponsored by the Mississippi State Extension Service and Ms. Gray- Career Coach. Career Coaches from all over the district came to assist with manning the tables. The students were able to go around to each table such as rent, car, personal hygiene, and spend money based on their salaries. The salaries were randomly assigned, and the student had to budget their monthly wages.

The MS State Extension Service representative agreed to partner in the future with future projects at Provine High School.

MVSU visits Ram City

Mississippi Valley State University

Friday afternoon MVSU students, alumni, and friends came to Provine to welcome new students for the Fall of 2024 and to also encourage future students to consider Valley for the next stop in their academic journey. We had several juniors and seniors who were admitted to MVSU and recognized. This included Micheal Jones, Tomorrian Smith, Amein Black, Terrell Sutton and Denzell Stuckey. Tomorriran Smith received full academic scholarship.

The guest included "Famous Amos" - Amos Brazen MS Valley Alumni, MVSU travel Band, MVSU Choir and cheerleader. Applications were shared with any student who would like to consider admission

New Teacher Spotlight

My name is Rachel Linao. I have a Bachelor in Secondary Education. My major is in Mathematics. I have been teaching for 10 years in the Philippines. I always believe that my students have their own unique way of learning. They are all capable of doing excellent things and achieving their goals in life. As a teacher, we are here to help guide them. The focus are the kids, so I teach because I care.

Business Academy

The business academy will be hosting a "Denim & Daisy" pop-up shop during the fashion show on April 5th. We are seeking vendors. The Vendor fee for students is \$10. Regular vendor fees are \$25.

If interested, please see Mrs.Dickey-Rawls in room 105 or Mrs.Dale in room 107 to register your business.

Celebrating Reading

In honor of Read Across America Day our scholars visited John Hopkins Elementary School. Read Across America Week is a part of a bigger program, which aims to promote reading through events and partnerships among children and teens across the nation.

WHAT IS READ ACROSS AMERICA?

Launched in 1998 by the National Education Association (NEA) and guided by a committee of educators, NEA's Read Across America is the nation's largest celebration of reading. This year-round program focuses on motivating children and teens to read through events, partnerships, and reading resources that are about everyone, for everyone.

The titles and resources featured by NEA's Read Across America include books that students can see themselves reflected in, as well as books that allow readers to see a world or a character that might be different than them.

Readers who feel included, recognized, and a part of the world are engaged readers. We hope that you'll be able to share these recommended titles—and many others—to celebrate Read Across America in March and throughout the year.

Music Excellence

Congratulations to
Senior Tomorian
Smith for making JPS
All-City Honors Band.

Congratulations to Mr. Kelly and the "Pride of Provine" Concert Band for an outstanding performance at the Magnolia Concert Festival. The band was rated "Excellent" in Concert performance, and "Good" in Sight-reading performance.
