DISCUSSION	Mentor Update: Going extremely well. Nothing but positive feedback has been received. We have reached out to CHS to try and piggyback the program. Dr. Duncan does an amazing job. She puts a lot of thought into matching students with their mentor. We could use more mentors.	
DISCUSSION	This past Fist Bump Friday was the best one yet. Will change the format to add more Participants in the back with the buses. Spirit of the Season is at 9AM the Friday before break. Ms. Monti Invited the council to attend. They will have a reindeer run and a surprise for the students!
