The contractor will be responsible for mowing, trimming along all fence lines, sidewalks, buildings and any obstructions within the cutting areas and weed control at all designated locations starting from April 1, 2025 through October 30, 2025.

Lawns and tree lawns shall be cut every 7 to 10 days while sports fields may require more frequent cutting 4 to 7 days. Note: Less frequency will be required in the month of October as the growing season slows.

All sidewalks, outdoor common spaces and drive areas shall be kept clean of all grass and weed debris after each cutting.

Fertilizer and weed control will be applied twice yearly to lawns and sports fields, once in the spring and once in the fall unless specifically requested for additional applications by the District Facilities Supervisor.

When it becomes necessary to add shredded mulch to planting beds and tree lawn areas, the contractor and the District Facilities Supervisor will discuss and determine which areas will be addressed. The mulching contract is separate from this proposal contract.

Contractor is responsible to provide an email confirmation with the Facilities Department ([mcritchfield@revereschools.org](mailto:mcritchfield@revereschools.org), [oeogrosky@revereschools.org](mailto:oeogrosky@revereschools.org)) when cutting and trimming have been completed. The email confirmation should coincide with the weekly invoices for payment.

The quote is for a one (1) season contract. Which may be mutually renewed by the District and the Contractor for two (2) subsequent seasons.

Either party may terminate this contract with a thirty (30) day written notice.

Include with the proposal a list of all equipment that you have available to use for the purposes of completing the terms of the contract along with the number of employees you will have assigned to the district.

Include with the proposal a current list of your customers similar in scope, as well as their contact information to be used for references.

If you are awarded the contract please provide the following:

- Copy of your workers compensation certificate.
- Certificate of Insurance from your Insurance Company that lists Revere Local School District as the Certificate Holder.

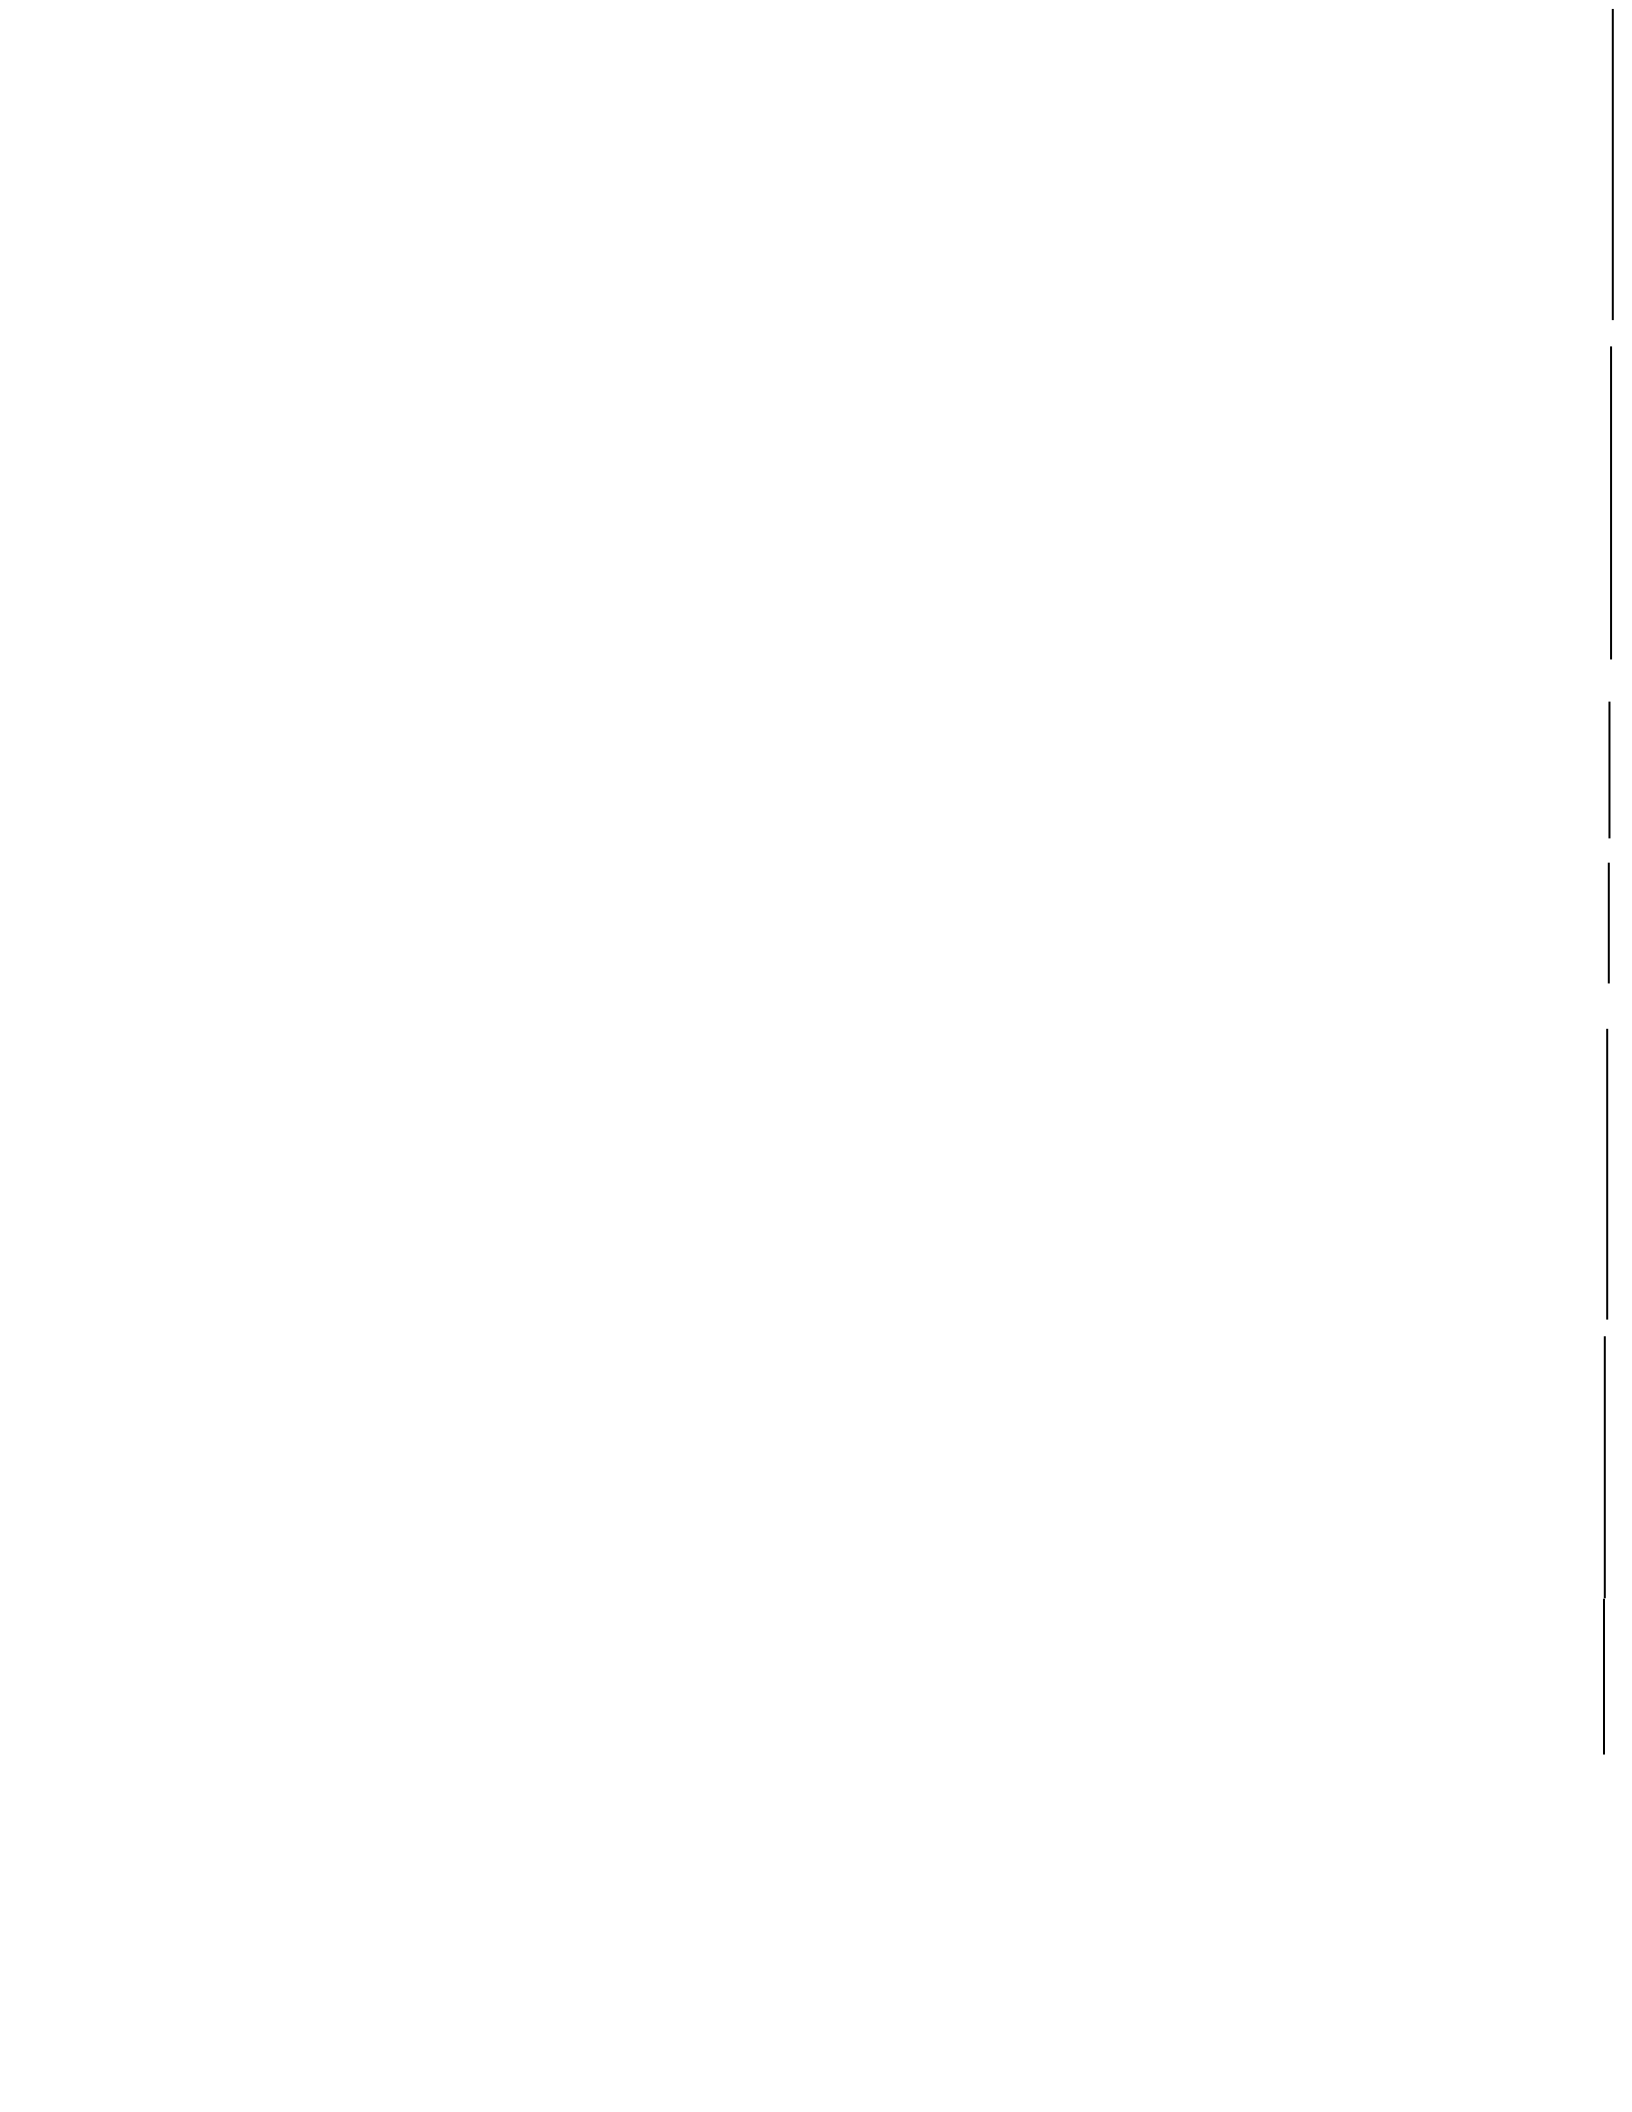

Subcontracting of Independent Companies will not be permitted to complete the terms of the contract.

The District reserves the right to award contracts separately by location as well as for lawn care versus sports field care.

All contractors should call the Facilities Department (Michael Critchfield 330-523-3103 or Eva Ogrosky 330-523-3122) to arrange a site visit. Maps of all locations can be available at this time upon request of the contractor.

All quotes must be in the Facilities Department no later than the end of the business day (4:00 pm) on Monday March 17, 2025.
