

# Morristown Beard School

Dear MBS Community,

Morristown Beard is excited to offer a new opportunity for our current and accepted students. **This summer, we are offering Integrated Math 1 for academic credit for rising or incoming 9th-grade students.**

## Program Details:

- **Course Offered:** Integrated Math 1
- **Dates:** June 23, 2025 – July 25, 2025
- **Schedule:** Monday to Friday, 8:00 a.m. – 12:00 p.m. (100 hours)
- **Location:** MBS Campus - Math and Science Center (in person)
- **Eligibility:** Open to newly enrolled or rising 9th-grade students
- **Cost:** \$2,200

## About Integrated Math 1:

Integrated Math 1 initiates our Upper School math sequence by engaging students in foundational concepts, skills, and habits of thought. The course blends algebraic and geometric elements, covering topics such as linear equations and inequalities, absolute value, basic proofs and logic, angle relationships, coordinate geometry, graphing linear functions, systems of equations, and parallel lines. Our diverse pedagogical techniques and assessments cater to multiple learning styles, fostering a deeper understanding of mathematical concepts.

## Why Enroll in Integrated Math 1 This Summer?

- **Accelerated Learning:** Complete a full-year course in just five weeks.
- **Academic Credit:** Earn credit equivalent to a full-year program at MBS.
- **Reinforce** key topics and refresh your understanding of critical math principles.
- **Expert Instruction:** Learn from our experienced and dedicated faculty.
- **Personalized Attention:** Benefit from small class sizes and diverse teaching methods.

We believe this program will provide benefits to our students, offering them a unique opportunity to advance academically while enjoying a focused and enriching learning environment from the professional teaching staff at MBS
