Calling All Car Enthusiasts!

GHMS is holding its spring Cruise the Halls night on April 15 from 4:30-7 p.m. for families to come tour the building and view student work.

But there's a twist to this spring's event – and here's where the car enthusiast part comes in. GHMS is looking to hold a car show that evening! Any individual who has a restored or antique car is invited to attend – there is no fee to participate and you do not have to be a CV family or resident. Just show up with your car and enjoy a fun evening with other car enthusiasts! We want to make this a truly fun community evening!

CV Cares

CV Cares is a decades-old program designed to recognize CV employees who have gone above and beyond to make our students, parents and guardians, and community members feel welcome and supported. The recognition could be for a single extraordinary event or an ongoing pattern of positive interaction and support.

If you have had the opportunity to be on the receiving end of this type of engagement, take a moment to fill out the [online form](#) to recognize that special educator. Remember, an educator is anyone who has the opportunity to positively impact the life of a child. As such, an educator can be a bus driver, secretary, custodian, teacher, cafeteria worker, school counselor, administrator, or any other support or professional staff associated with CV.
