

Salisbury Elementary School Spring Parent/Learning Facilitator Conferences March 19 & 20, 2025

Parent/Learning Facilitator conferences are an important time for you to meet with your child's learning facilitator and share information about your child's progress and how they are doing in school overall. This year, parents will have the

option of attending either an in-person conference or participate in a virtual conference via GoogleMeet.

Please follow the instructions below to sign up for your conference.

Kindergarten - 2nd Grade: Will have a traditional parent/learning facilitator only conference. Please allow twenty minutes for these conferences and they can be scheduled online for either an in-person or virtual conference.

3rd - 6th Grade: You may choose from the following conference styles.

- In-person Conferences will be learner-led and last approximately 40 minutes. Learners will need to be present for this conference. To schedule an in-person conference, please call the office and speak to Valerie Kauffman
- Virtual Conference will be a 25-minute traditional Parent/Learning Facilitator conferences. Learners are not required to attend and can be scheduled online.

Online Registration Instructions

After completing the online registration your child's learning facilitator will send an individual GoogleMeet code closer to the date of your conference. If you are unable to join via GoogleMeet, you will also be provided with a phone number so you can call directly into the conference.

- Visit the Salisbury page of the new PV website and click the image for Parent-Learning Facilitator conferences

OR

- Visit the following website to access the conference scheduler:
https://www.ptcfast.com/schools/Salisbury_Elementary_School

Online registration will close on Monday, March 17.

If you have questions concerning registration or do not have access to the internet, please call the Salisbury office at 717-442-8268 and request to speak to Valerie Kauffman.
