

This resource was developed by the RICs to support teachers effective use of Google Services. The resource identifies services that students can use. While the RICs will update this resource on a regular basis, **please be aware that Google may make updates and changes to the list of products students can use and those changes could cause this information to become dated.** As a result, district administrators should verify this information using the [Google Workspace Service Summary](#) as there are questions about certain services.

## GOOGLE SERVICES FOR STUDENTS **WORKSPACE FUNDAMENTALS EDITION**

STUDENTS CAN USE THESE SERVICES AS CONTRACT TERMS ARE IN PLACE TO PROTECT STUDENT DATA
