Program Standards

Cardinal Place staff make every effort to include a variety of activities into every program day including:

- Technology
- Art
- 4-H programs
- Gym/outside time
- Quiet Reading time
- Free Choice time

Cardinal Place kids go outside everyday unless there is a heat or cold advisory. We ask that your children arrive dressed for the weather everyday.

Cardinal Place keeps a ratio of 1 staff to 15 students K-5 and 1 staff to 10 students preschool.

Staff Standards

- Program standards for Cardinal Place are adapted from the Minimum Standards for School-Age Care Programs guidelines built by the Minnesota Community Education Association. Cardinal Place does this to ensure the quality of staff through out the program.
- We are dedicated to the safety of the students who attend Cardinal Place. All staff are required to pass a criminal and child protection background check as required by the school district. Designated staff are also required to complete CPR and First Aid within 90 days of their original hire date.

Comments, Questions or Concerns

- Cardinal Place staff are always open to hear any questions or concerns that you have regarding your child. We recommend the following steps so that your needs can be met as efficiently as possible. 1: speak with the site supervisor; 2: if the concern continues or discussions with site supervisor are insufficient, call the Program Coordinator at 320-214-6680.

Right of Refusal in Program

- Cardinal Place and Willmar Community Education reserves the right to reject registration or discontinue participation in Cardinal Place for the following reasons.
 - ⇒ Ongoing discipline or behavior concerns, violations of school policies, or state laws.
 - ⇒ Delinquent or missed payments, continued lack of communication with billing coordinator.
 - ⇒ If your child attends Cardinal Place after their termination date you will be contacted for pick up.

Child Abuse and Neglect

- Under Minnesota law, all professional staff who work with children are required to report all suspected physical, emotional, sexual abuse or neglect of children to the appropriate authorities.
- Disruption

ZERO BULLYING TOLERANCE

Cardinal Place has no tolerance for aggression or bullying. If your student physically hurts another student, you will receive an incident report. If your student returns and hurts another student, he/she will be suspended from Cardinal Place for 3 days. If your student is aggressive a third time, we will have a parent meeting and your student may be suspended for a week or expelled from the program at the discretion of the Coordinator. If your student is verbally or physically aggressive with another student repeatedly, your student may be suspended or expelled at the Coordinator's discretion.

WHAT IS BULLYING?

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Both, kids who are bullied and who bully others, may have serious lasting problems.

In order to be considered bullying, the behavior must be aggressive and include:

- **An Imbalance of Power:** Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- **Repetition:** Bullying behaviors happen more than once or have the potential to happen more than once. Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

Summer Programming

General Info

- Cardinal Place provides breakfast, lunch, milk and a snack to all students during the summer.

Enrollment Requirements

- Students in Cardinal Kids Preschool through 5th Grade are permitted to enroll in our summer program.
- While we understand that accidents do happen occasionally, students should be fully potty trained to enter Cardinal Place.
- Cardinal Place staff will request a meeting with the family of a student with an IEP so that we can better serve their needs (unless we have already visited about this). If Cardinal Place decides a 1:1 staff is required, the child's start date may be delayed so that staff can be hired and trained. Cardinal Place reserves the right to suspend or terminate a contract if it is decided that Cardinal Place cannot meet the needs of the student and the family.
