Welcome to Westfield Summer Camps for Preschool, Pre-K and Kindergarten

Westfield Summer Camps 2025, a summer program offered by Westfield Washington Schools for children who are 3 or 4 years old by **May 1, 2025** or will be a kindergarten student the 2025-26 school year.

This summer, the full summer care program for children ages 3, 4, and entering kindergarten will be located at Carey Ridge Elementary due to construction at the Early Learning Center. Our program is exciting and filled with many fun activities to keep your child engaged and creative. Children will be grouped by age or grade and participate in planned activities that are age appropriate. In order to submit enrollment, families must live in the Westfield Washington School district. Come join us and have the opportunity to make some new friends. Enrollment is limited.

Children entering kindergarten the 2025-26 school year will also have the option to enroll in opportunity camps offered by WWS teachers and staff. These camps are four half days (1 1/2 hours long). You can enroll your child in the opportunity camps only or in addition to your child's full-time summer camp. We hope you will find camps that are of interest and fun for your child and provide an opportunity to make new friends, strengthen relationships, and expand their interests and experiences.

Register for camps online through the school district's website by [clicking this link](#) or scan the QR code below to access enrollment through EZChildTrack. Step-by-step online enrollment instructions for the summer program can be found in this catalog and online when logged into EZ ChildTrack.

We are looking forward to an exciting summer with your child!

Monthly Themes

June 2-27, 2025

Theme: Wheels

The world runs on wheels! From tires and Ferris wheels to stroller wheels and rolling pins for baking, wheels are all around us. As we investigate and explore wheels, we will spin them, push them, and use them to go places and create. We will also explore how we can make our own wheels. So for the month of June, fasten your seat belt and get ready to go. We will spend our time movin' and groovin'. Try to keep up as we zippity zoom through our first month of summer camp!

June 30-July 25, 2025 (closed July 4)

Theme: Water

Young children are naturally drawn to water. They want to explore and play with water while washing their hands, and they enjoy splashing in puddles on the way to the playground. You might have seen a mesmerized child watch sprinklers spraying water onto the grass or wonder what happened to an ice cube that melted in their cup. With this in mind, we will spend July diving into make a splash as we experiment with different ways that we use water, how water changes and how water can help people. So let's get ready for a splish splashing time sprinkled with laughter, friends and warm sunshine!
