

Community Schools Fee Structure

Effective: 01/22/2025

The superintendent or designee shall submit a fee structure that lists the amount or method of calculating rent and fees to be charged for facility use to the board for approval prior to the beginning of each school year. Other school facilities may be used only in exceptional circumstances based on a justified need and as approved by the superintendent or designee. The superintendent or designee is authorized to determine the fees for the use of facilities in such circumstances.
