"BUILDING A BETTER WORLD ONE STUDENT AT A TIME"

On behalf of the Board of Education, before we begin tonight's meeting, I would like to make a statement in regards to the return of the Superintendent. The Board of Education prides themselves on being transparent and we are receptive to your comments, as always.

Please know that polices, laws, ethics and regulations limit the Board of Education's ability to engage in public discussion on personnel matters. The Superintendent's personal attorney and our Board of Education attorney has advised we follow these polices, laws, ethics and regulations relating to personnel communication.

Although we are somewhat constrained in what we can openly discuss, one thing we would like to clarify; the agenda item for March 13th's meeting has NOTHING to do with Mr. Chidiac's work as Stafford superintendent, but are simply memorializing our previously agreed upon shared services with Eagleswood. Consideration of Mr. Chidiac's contract extension and raise was closed at the November 18, 2024 meeting and the board has made it clear that we do not intend to reconsider or negotiate those terms for the foreseeable future.

However, Mr. Chidiac is currently under contract and performing services at the Eagleswood School District. At the advice of our attorney, we must amend his contract to account for those services. If the shared services agreement were to end for any reason, Mr. Chidiac's salary would revert back to his original contracted rate.

We really appreciate everyone coming out to convey their concerns and feedback. We hear you and value all voices in the Stafford Township community. Thank you.
