## General School Information

---

### HSAP Website

Check this site for information and updates: [www.wdmcs-hsap.org](http://www.wdmcs-hsap.org)

### Schedule

Students may enter the building between 8:50-9 a.m. We encourage all students to be in their seats ready to learn by 9 a.m. as we will begin class instruction at that time.

### Classes at Rex Mathes

Students must be enrolled in the enrichment classes to be able to attend the classes, and they may participate in all six enrichment classes at Rex Mathes. If there is a class a student will not be taking, parents must pick up the student. If the student is not picked up within 5 minutes of the class starting, the student will need to attend the class until supervision arrives.

### Students Arriving Early

Students should not arrive on the school grounds prior to the designated time for entrance into the building. Due to other responsibilities, staff members are not available for supervision of students until the designated entrance time into the building.

### Students Arriving Late

If your student arrives late to Rex Mathes, they will need to ring the doorbell. All late-arriving students are required to stop at the front desk at Rex Mathes and sign-in.

### Students Leaving Early

Students leaving the school before dismissal time must check out at the front desk. No student will be allowed to leave early unless we have received notification at the attendance link on our website from the student's parent/guardian granting permission to leave the school early. If someone other than a parent or guardian will be picking the student up, notify us through the attendance link on our website: [Enrichment Class Attendance](#).

### Student Pick-up

Please place your last name card in the passenger window. **Due to safety standards, students must get in the vehicle on the passenger side, no exceptions.** Make sure to pick up your student on time. Students who are not picked up will go to the building to wait for the parent/guardian to arrive. Parents/guardians will need to enter Rex Mathes at the front door to pick up their student.

## Attendance

Our role in preparing our students for postsecondary learning, careers, and life is best fulfilled when we are all HERE. We want your student to feel connected and that they belong HERE in WDMCS.

Please report an Enrichment Class absence, late arrival, early pick-up, or change in pick-up at the link on the homepage of our website: [Enrichment Class Attendance](#). If there is anything we can do to help your child attend enrichment classes regularly and on time, please contact us.

## Miscellaneous Information

### **Birthdays/Special Days**

Birthday treats may be shared with classmates, if desired. Birthdays are important for students, and we would like to give them the opportunity to commemorate the day, using a minimum amount of class time for this purpose.

Homemade treats are not allowed. If you select from one of the items listed on the store-bought snack list, you can bring a classroom treat that was purchased from a store. All treats must be store-bought and meet the USDA guidelines for snacks. Approved Snacks can be found online at <https://discover.wdmcs.org/classroom-snacks>.

### **Can I bring homemade treats from home for a classroom party to share with others?**

Homemade treats cannot be sold or shared with multiple students during the school day.

### **What about pre-packed treats from a store?**

Please select one of the items listed on the store-bought snack list.

Birthday treats will be eaten during lunch. Please give them to the teacher at the front desk, and they will deliver them to the room where your student eats lunch.

Please do not allow home party invitations to be distributed at school unless a whole class is being invited. We want to be inclusive of all students, and this will help to avoid students being left out.

### **Lost and Found**

We have a lost and found box in the main office at Rex Mathes. Families and students are encouraged to check this box as needed. Items that are not claimed are donated to area charitable institutions periodically and at the end of the year.

### **Lunch**

Students should bring lunch and a drink to Rex Mathes. Students may bring a special drink (milk, juice, etc.) for lunch but it must be finished or disposed of before leaving the lunch classroom. We will have bins for kindergarten students to place their items at the beginning of the day. All other students will keep their lunch with their backpack. Due to increased allergens, no peanut or nut products may be brought to school. No electronics will be used during lunch. Please reference the Nutrition portion of the district website for classroom snack information.

### **Other General Guidelines**

- Please label all water bottles, lunch boxes, and backpacks.
- No gum, fidget spinners, roller shoes, Rubik's Cubes, nor toys are allowed at Rex.
- No weapons of any kind may be brought to school. This includes pocket knives, play guns, etc.

### **Pets/Service Animals**

Student safety and the cleanliness of the building are put at risk when animals accompany their owners for a drop-in visit at school. Pets are not allowed in WDMCS facilities without prior written consent by a building administrator. In keeping with state and federal law, WDMCS recognizes there may be a need for employees or students to use or have access to qualified service animals. Students who need service animals, which are

defined by law as “animals that are individually trained to do work or perform tasks for persons with disabilities,” are welcome to consult with their building administrator.

### **School Pictures**

School pictures take place each year. Information will be sent home with students prior to the day pictures are taken.

### **Surveys**

In order for WDMCS to provide the best service possible for our students and families, it is important that we have reliable data and feedback on which to make decisions. Surveys are one way for our district to obtain this valuable information. WDMCS distributes various student surveys throughout the year.

Parents/guardians will be informed of any state-mandated surveys. Parents/guardians may be informed in advance of student surveys and asked to provide written or electronic permission based on guidelines outlined in the [State of Iowa Senate File 496](#).

### **Visitors and Volunteers**

WDMCS welcomes visitors and volunteers to its school buildings. Visitors are individuals who come to watch an assembly, eat lunch with their child, or visit their child’s classroom. Typically, visitors arrange 24 hours in advance when they wish to meet with a classroom teacher and limit their visits to a short period of time. It is important that they do not interfere with the class in progress or discuss individual concerns when students are present. Young children and/or students must be accompanied by an adult when visiting.

Volunteers are often asked to help with a project at school. There are many choices for volunteers, including classroom assistance, participation in building and activity support groups, and service on districtwide or building committees. You may obtain more information about sharing your time and skills by calling your school office. Volunteers may be subject to additional screening processes. Learn more about volunteer background check requirements at <https://www.wdmcs.org/engage/volunteer>.

Both visitors and volunteers enter the building through the front door and check in at the office to pick up a visitor badge every time they visit. Please bring your personal identification with you. Examples of personal identification include a state-issued ID, passport, military license, Mexico Consular ID card, and Permanent Resident card. Your ID will be run through a screening process called Raptor. They will also be asked where they will be in the building. This helps school staff understand where individuals are in the event of an emergency. Individuals who do not pass the Raptor screening process will not be allowed into the building.

Because WDMCS adheres to state and federal laws, all visitors and volunteers on school grounds must comply with the [State of Iowa’s Senate File 482](#), which states individuals must use the restroom of their assigned gender at birth. All schools have multi-stall, gender-specific, and individual restrooms available.

---

## **Educational Programs**

---

### **Dual Enrollment**

Students in the HSAP program may dual enroll at one of the WDMCS schools to participate in a class or activity. Students who are WDMCS residents may participate at their local school if there is room available. Parents should contact the home school coordinator for building placement to make sure there is available space. The HSAP coordinator will then contact the school registrar for correct placement. Students who are open enrolled should contact the HSAP coordinator for school placement.

- All elementary band students will be placed at Clive or Crossroads.
- All junior high orchestra students will be placed at Stilwell.

### **Band**

Students may begin band in fifth grade. This includes lessons and large group rehearsal. Instruments are purchased or rented through a music store. A few larger instruments are available to rent from the school. Other expenses may include: lesson book, reeds, and supplies for instrument maintenance. Accommodations can be made for students who need financial support.

In order to develop the necessary skills, students are asked to practice 20-30 minutes daily. Parent/guardian interest and encouragement are very important to student success. Please contact Tami, the program coordinator, if your child is interested in participating.

### **Orchestra**

Students may begin orchestra in fourth grade. This includes lessons and large group rehearsal. During the school year, elementary students have several opportunities to perform as part of a large ensemble during the orchestra concerts. In addition, solo and chamber ensemble opportunities are available through the Solo and Ensemble Festival held once a year as well as the chamber concert held each spring.

Instruments need to be purchased or rented through a music store or the Valley Orchestra Guild. There are a few larger instruments, cello and bass, available through the school. Other expenses include lesson books, rosin, shoulder rest (violin and viola only), and rock stop (cello and bass only.) Accommodations can be made for students who need financial support.

In order to develop the necessary skills and reach their potential, students are asked to practice 20-30 minutes daily. Parental interest and encouragement are very important for student success. Please contact Tami, the program coordinator, if your child is interested in participating.

---

## **Student Conduct**

---

### **Cell Phones and Communication**

- If there is a family emergency, please contact the school office, and they will reach your child. If there is an emergency at school, we will call the parent/guardian.
- Cell phone usage is only allowed before or after school.
- Smart watches can be worn as long as they are not a distraction.
- If a phone or other device becomes a distraction, a teacher or staff member may keep the device until the end of the day.

- WDMCS is not responsible for lost, damaged, or stolen cell phones or communication devices.
- To learn more about cell phone privacy, please read [Board Policy 502.08](#)

## **Student Discipline**

A safe climate is essential to any school. A vital part of the total educational program is to set and maintain high standards of behavior for its students. Students are expected to conduct themselves on the way to and from school, at school, on buses, and at all school-sponsored activities in a considerate and responsible manner.

Classroom rules are established in each room and enforced by the teacher in charge. Teachers will inform parents/guardians of their classroom expectations. Teachers also work with students to help them identify emotions so they can work on managing stress, impulse control, and learn to develop and maintain positive relationships. We believe as students develop strong social and emotional skills, we will see growth in their positive behavior and connections with others.

When discipline is needed, an adult is typically attempting to teach students another way to behave. Sometimes the student is not demonstrating a level of self control to enable learning. At this point, the student may be sent to the office. When students are sent to the office for discipline reasons, they are given the opportunity to learn the skill that gave them the problem.

WDMCS is committed to fostering an equitable and affirming learning environment in which each student and staff is treated with dignity, respect, and fairness. Because we prioritize creating a healthy learning environment for each student, we want to know if a student experiences or perceives bullying or harassment. Please reach out to your child's teacher, counselor, or school administrator to express your concerns. If you do not believe these steps resolved the situation, a helpful next step is to submit a complaint form. This form can be found in [Board Policy 502.02: Anti-Bullying/Harassment](#).

Severe behaviors in the classroom or on the playground, such as fighting, swearing/inappropriate language, insensitive language directed toward others, or property damage will result in an immediate visit to the principal/assistant principal's office. Other referrals may result from an accumulation of inappropriate actions or decisions.

## **Homework**

Homework may be assigned by the teacher for enrichment or reinforcement that is consistent with student ability and developmental level. The amount of time necessary to complete homework will vary according to the assignment and the student's ability.

### **THE TEACHER WILL:**

- relate assignments to the classroom objectives.
- coordinate assignments with other teachers, if it is necessary.
- give clear directions.
- maintain contact between home and school regarding homework.
- modify or enhance homework assignments according to individual student ability and need.
- provide all materials necessary to do homework beyond everyday resources.

### **THE STUDENTS SHOULD:**

- ask for clarification, if needed.
- have necessary materials before leaving school.

- plan ahead by estimating the amount of time it will take to complete assignments.
- complete and return assignments as directed.

#### FAMILIES CAN HELP BY:

- providing a quiet, comfortable environment and adequate time to complete homework.
- providing motivation, guidance, and resources, but insisting upon the child independently doing homework.
- conferring with the teacher if there are any questions about the purpose or procedures of the homework.

#### **Student Dress and Appearance (Board Policy 502.01: Student Appearance )**

Students and their parents/guardians hold the primary responsibility for what a student chooses to wear to school each day. When a student is comfortable in what they wear, including expressing their individuality and/or personal and family culture, they can better focus on learning. WDMCS expectations for student dress and appearance are based on safety and showing respect for others.

- Students are asked to dress appropriately for the weather, including coats, hats, gloves, and boots. Any families who need support in obtaining clothing or shoes should contact the school office.
- Shoes must be worn at all times for their safety.
- Clothing or other apparel promoting products illegal for use by minors or displaying obscene material, profanity, or reference to prohibited conduct are not allowed. If worn, a student will be asked to change or be given something different to wear for the day.

School administration will work with the parent/guardian and student to address any concerns and create a positive solution. Board Policy 502 gives administration final discretion regarding student dress and appearance.

#### **Technology**

District-provided technology resources exist solely for the advancement and promotion of learning and teaching. The use of these resources will be consistent with the district's educational mission and policy, as well as state and federal laws and regulations.

Activity on the computers must be relevant to the classes being taken. Any student violation may result in a disciplinary consequence. Fees, fines, and other charges may also be imposed as a result of misuse of these technology resources.

Software is in place to follow a student's activity on building computers. Student directories are scanned on a regular basis for content not consistent with district and building procedures.

---

## **Safety and Health**

### **Safety**

#### **Bicycles/Rollerblades/Roller Shoes/Scooters/Skateboards**

- Wearing bicycle helmets is encouraged.
- Bicycles should be walked on school property and parked in the bike racks.

- Bicycle locks are encouraged.
- Damage or theft of bicycles should be reported to the local police department.

For safety reasons, rollerblades, roller shoes, scooters, and skateboards are not allowed on school property.

### **Communicating Student Safety Concerns**

Student safety is a top priority. A parent/guardian, student, staff, or community member who becomes aware of a student safety issue within a school day should contact the school and ask to speak with an administrator or counselor. If the concern is urgent, call 911.

### **Safety Drills**

WDMCS conducts emergency drills throughout the school year so that students and staff are aware of emergency protocols and procedures. Each school in our district performs severe weather, active threat, evacuation, ELF (Evacuate, Lockdown, Fight) and fire drills. Special assistance will be provided for students needing specific supports.

### **Student Safety Tips**

Staff in each building stress to our students that they have responsibilities when walking to school in the same way that drivers have responsibilities. Please go over the safest route to school with your children and stress to them that they are to use that route. Please review with your child how important it is to be aware of their surroundings and to reject rides from strangers. Notify law enforcement officials and school officials immediately if your child has been enticed by a stranger. Early notification can help law enforcement investigate any concerns.

## **Health**

### **Absences (Reasons)**

Regular attendance is a very important part of your child's education. **If your child is ill, please report their absence at the HSAP attendance link: [Enrichment Class Attendance](#).**

If you have any of these symptoms, it's best to stay home:

- A fever over 100.4 in the last day
- Vomiting two or more times in the past day, unless it's not from something contagious
- Signs of a more serious illness like fever, rash, sluggishness, persistent crying, irritability, difficulty breathing, or diarrhea (you must be free of diarrhea for 24 hours before coming back to school)
- If you have Impetigo, stay home until 24 hours after you start treatment. Impetigo is a skin infection with sores usually under the nose or by the lips, and it looks like a "golden crust."

You can help prevent the spread of infectious diseases by keeping your child home from school or child care until the illness is no longer infectious.

## Allergies

WDMCS promotes a safe and inclusive allergy aware environment for all students. Students with allergies may be entitled to services under Section 504 of the Rehabilitation Act and the Individuals with Disabilities Act. Accommodations and/or modifications will be considered and addressed on a case by case basis.

If your student needs diet modifications, a physician needs to complete the form:

<https://discover.wdmcs.org/nutrition-services>

When completed, return the form to the Nutrition Services department. Please check with your school nurse for specific information on restrictions and procedures related to allergies.

## Health Fact Sheets

The district website has a variety of health-related resources, including fact sheets on:

- COVID-19
- Chickenpox
- Bed Bugs
- Fifth Disease
- Head Lice
- Influenza
- Measles
- Meningitis
- Mono
- MRSA
- Pink Eye
- Ringworm
- Strep Throat

To learn more, visit <https://discover.wdmcs.org/health-resources>

## Health Records

In keeping adequate health histories, we are better able to evaluate, understand, and be responsive to your child's individual needs. Please send a note or call the school nurse regarding any developments concerning your child's health. This would include hospitalizations, all medications (type, amount, and time given), fractures, all recent diagnoses of medical conditions, and any other medical information that would be pertinent to the student's performance and attendance.

Student's medical information is collected within a Health section of their record in Infinite Campus. Confidentiality of this information is a priority. This tab is only visible to nursing staff and a very small number of other district employees who help support nurses.

- [Family Educational Rights and Privacy Act \(FERPA\)](#)
- [Board Policy 506.01: Student Records](#)

## Immunizations and Health Screenings

Iowa Law requires all students, grades PK-12, to have evidence of a valid Iowa Immunization Certificate, Provisional Certificate of Immunization, or Iowa Certificate of Immunization Exemption on file to be enrolled in the WDMCS. This certificate may be obtained from your provider's office or from the school nurse. Students with immunizations partially completed will be issued a Provisional Certificate allowing

for a maximum of 60 days to complete the remaining immunizations. Communication will be provided to parents/guardians regarding immunization requirements and timelines, and further assistance will be provided from the school nurse. If the student hasn't met the requirements at the end of the provisional period, it is necessary by law to exclude the student from school. Student's transferring from another school system within the United States may be granted a Provisional Certificate until documentation of current immunizations are obtained and validated.

To support healthy students, Iowa's health screening programs are regulated by the state and are implemented by the schools. These screenings include: immunizations, dental, vision, and lead. Hearing screenings are also conducted by audiologists from the Heartland Area Education Agency (AEA) annually for students in grades pre-K, 1 and 5. Please notify your school nurse prior to the communicated screening dates if you would not like your student to participate. Further information regarding school screenings can be found on our website and will be provided by your school nurse.

### **Medication Guidelines**

- The Health Office must have written authorization from the parent/guardian. Please include the student's name, name of medication, amount to be given, time of medication is to be given, reason for the medication, and parent/guardian signature.
- The medication must be in the original current container (**NO** plastic bags or envelopes with loose pills).
- The directions on the medication container must match the parent/guardian authorization.
- **ALL** medications (prescription and over-the-counter) must be kept in the Health Office at all times. The only exception to this policy is if a student has provided a completed Self-Administration Consent form that is signed by a healthcare provider. This provides a student authorization to self-administer asthma/other airway constricting disease medication or Epinephrine auto-injector medications.

### **Non-Prescription Medications**

The WDMCS health offices stock non-prescription medications including Tylenol, ibuprofen, and Tums.

- All elementary school students (grades PK-6) will be provided a maximum of 4 doses of stock non-prescription medications during the school year.
- All junior high and high school students (grades 7-12) will be provided a maximum of 8 doses of stock non-prescription medications.
- Cough drops may be supplied by the parent/guardian but will not be provided as a stock medication.
- If further doses are necessary after the maximum number has been reached, the parent/guardian will be responsible for providing the medication to the health office and a doctor's note may be requested by the school nurse.

### **Emergency Response in Opioid Overdose**

WDMCS maintains a stock opioid antagonist (Naloxone) available at all times during emergency responses. There has been a substantial increase in the number of opioid overdoses nationwide and across Iowa and this change will allow us to provide a safe environment for our students, staff, and visitors. In order to

provide an emergency response to those that are at risk of a potentially life-threatening opioid overdose, all buildings (with students present) will have the medication available, and it will be stored/maintained by the school nurse. School nurses and trained personnel are authorized to administer the opioid antagonist to a student or individual if the school nurse and/or authorized personnel reasonably and in good faith believe the student or individual is having signs and symptoms of an acute opioid overdose. More information is available through [Board Policy 507.06: Stock Prescription Medication Supply - Naloxone](#).

### **Student Assistance Program (SAP)**

WDMCS contracts the services of Employee and Family Resources for our Student Assistance Program. If you need assistance with family or school issues, call 515-244-6090 to speak to a counselor or schedule an appointment. The phone line is open 24 hours a day, seven days a week. Counselor sessions to assess problems are provided at no cost to you. When additional services are needed, the student assistance counselor will refer you to an appropriate, beneficial and affordable resource.

School-based therapy services are available in each school building. Students have access to a licensed therapist in the building for appointments while minimizing travel time off campus. Families enroll students for services and are responsible for the cost. Contact the school counselor or principal for information about school-based therapy.
