Consultant will not be compensated for any Basic or Additional Services required as a result of wrongful acts or omissions.

5.1 **Reimbursement for Certain Expenses.** In addition to the above fees, the District shall reimburse Consultant for Reimbursable Expenses (defined below). Consultant's total reimbursement for Reimbursable Expenses shall not exceed \_\_\_\_\_ dollars (\$ \_\_\_\_\_), which is Consultant's estimate of the maximum total cost of Reimbursable Expenses for performance of the Services. Any expenses incurred by Consultant in excess of the Reimbursable Expenses amount set forth above shall not be compensated. District agrees to pay Reimbursable Expenses, up to the maximum amount provided herein, within sixty (60) days of receipt of a detailed invoice from Consultant, including any additional supporting documentation District reasonably requests. "Reimbursable Expenses" means Consultant's actual out-of-pocket expenses, without markup, incurred in performance of the Services, including fax, reproduction expense (excluding expense for reproduction for Consultant's office use), postage, messenger, transportation, living expenses in connection with out-of-town travel, and long distance communications. "Reimbursable Expenses" do not include indirect costs, such as general overhead (for example, home office overhead, including technology hardware and software, or insurance premiums); nor do they include expenses incurred in connection with services that result from Consultant's wrongful acts or omissions.

6. **Indemnity.** Consultant shall defend, indemnify, and hold harmless District and its agents, representatives, officers, consultants, employees, Board of Trustees, members of the Board of Trustees (collectively, the "District Parties"), from and against any and all claims, demands, liabilities, damages, losses, suits and actions, and expenses (including, but not limited to attorney fees and costs including fees of consultants) of any kind, nature and description (collectively, the "Claims") directly or indirectly arising out of, connected with, or resulting from any act, error, omission, negligence, or willful misconduct of Consultant, the Consultant Parties or their respective agents, subcontractors, sub-consultants, employees, material or equipment suppliers, invitees, or licensees in the performance of or failure to perform Consultant's obligations under this Agreement, including, but not limited to Consultant's or the Consultant Parties' use of the site, Consultant's or the Consultant Parties' performance of the Services, Consultant's or the Consultant Parties' breach of any of the representations or warranties contained in this Agreement, or for injury to or death of persons or

damage to property or delay or damage to the District or the District Parties. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity, which would otherwise exist as to a party, person, or entity described in this paragraph. The indemnification provided for in this Section 6 includes, without limitation to the foregoing, claims that may be made against District by any taxing authority asserting that an employer-employee relationship exists by reason of this Agreement, and any claims made against District alleging civil rights violations by Consultant or Consultant Parties under the California Fair Employment and Housing Act (“FEHA”).

7. **Equipment and Materials.** Consultant at its sole cost and expense shall provide and furnish all tools, labor, materials, equipment, transportation services and any other items (collectively, “Equipment”) which are required or necessary to perform the Services in a manner which is consistent with generally accepted standards of the profession for similar services. Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Consultant or the Consultant Parties, even if such Equipment is furnished, rented or loaned to Consultant or the Consultant Parties by District. Furthermore, District may reject any Equipment or workmanship that does not conform to the requirements of this Agreement and Consultant must then promptly remedy or replace it at no additional cost to District and subject to District’s reasonable satisfaction.

8. **Insurance.** Without in any way limiting Consultant’s liability, or indemnification obligations set forth in Section 6 above, Consultant shall secure and maintain throughout the Term of this Agreement the following insurance: (i) comprehensive general liability insurance with limits of not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (ii) commercial automobile liability insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (iii) worker’s compensation insurance as required by Labor Code section 3200, *et seq.*; and (iv) professional liability insurance covering errors and omissions with limits not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate. Neither Consultant nor any of the Consultant Parties shall commence performing any portion of the Services until all required insurance has been obtained and certificates indicating the required coverages have been delivered to and approved by District. All insurance policies shall include an endorsement stating that District and District Parties are named additional insureds. All of the policies shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days’ prior written notice has been given to District. If such a notice is not given or even if District receives a notice, District may, at its sole option, terminate this Agreement. All insurance policies shall include an endorsement stating that it is primary to any insurance or self-insurance maintained by District and shall waive all rights of subrogation against District and/or the District Parties. A copy of the declarations page of Consultant’s insurance policies shall be attached to this Agreement as proof of insurance.

9. **Independent Consultant Status.** The Parties agree that Consultant is free from the control and direction of District in connection with Consultant’s performance of the Services. Consultant is hereby retained to provide the specified Services for District, which are outside the usual course of District’s business. Consultant certifies that it is customarily engaged in an independently established trade, occupation, or business to provide the Services required by this Agreement. Consultant understands and agrees that Consultant and the Consultant Parties shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District’s employees are normally entitled.

10. **Taxes.** All payments made by District to Consultant pursuant to this Agreement shall be reported to the applicable federal and state taxing authorities as required. Unless required by law, District will not withhold any money from fees payable to Consultant, including FICA (social security), state or federal unemployment insurance contributions, or state or federal income tax or disability insurance. If applicable, Consultant shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Consultant and the Consultant Parties and otherwise in connection with this Agreement.

11. **Fingerprinting/Criminal Background Investigation Certification.** Consultant and the Consultant Parties shall at all times comply with the fingerprinting and criminal background investigation requirements of the California Education Code (“Education Code”) section 45125.1. Before performing any Services, Consultant shall execute and return the District’s Fingerprinting Notice and Acknowledgement form and the required certification (see **Exhibit B**).

Consultant further agrees and acknowledges that if at any time during the Term of this Agreement Consultant learns or becomes aware of additional information which differs in any way from the information learned or provided pursuant to Section 45125.1, or Consultant or Consultant Parties add personnel who will provide Services under this Agreement, Consultant shall immediately notify District and prohibit any new personnel from interacting with District students until the fingerprinting and background check requirements have been satisfied and District determines whether any interaction is permissible.

12. **Not Used.**

13. **Confidential Information.** All District information disclosed to Consultant during the course of performance of services under this Agreement shall be treated as confidential and shall not be disclosed to any other persons or parties excepts as authorized by District or required by law. Consultant shall maintain the confidentiality of, and protect from unauthorized disclosure, any and all individual student information received from the District, including but not limited to student names and other identifying information. Consultant shall not use such student information for any purpose other than carrying out the obligations under this Agreement. Upon termination of this Agreement, Consultant shall turn over to District all educational records related to the Services provided to any District student pursuant to this Agreement.

14. **Assignment/Successors and Assigns.** Consultant shall not assign or transfer by operation of law or otherwise any or all of its rights, burdens, duties or obligations under this Agreement without the prior written consent of District. Subject to the foregoing, this Agreement shall be binding on the heirs, executors, administrators, successors, and assigns of the respective Parties.

15. **Severability.** If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision of this Agreement.

16. **Amendments.** The terms of this Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever except by written agreement signed by both

Parties and approved by the District's governing board.

17. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of California, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the Superior Court of the State of California for the County of Alameda, subject to transfer of venue under applicable State law, provided that nothing in this Agreement shall constitute a waiver of immunity to suit by the District.

18. **Written Notice.** Written notice shall be deemed to have been duly served if delivered in person to Consultant at the address located next to the party signatures below, or if delivered at or sent by registered or certified or overnight mail to the last business address known to the person who sends the notice.

19. **Compliance with Law.** Each and every provision of law and clause required by law to be inserted into this Agreement shall be deemed to be inserted herein and this Agreement shall be read and enforced as though it were included therein. Consultant shall comply with all applicable federal, state, and local laws, rules, regulations and ordinances, including but not limited to fingerprinting under Education Code section 45125.1 and confidentiality of records. Consultant agrees that it shall comply with all legal requirements for the performance of duties under this Agreement and that failure to do so shall constitute material breach.

21. **Attorneys' Fees.** If a party to this Agreement commences a legal action against the other party to enforce a provision of this Agreement or seek damages related to the services provided under this Agreement, the prevailing party in the legal action will be entitled to recover from the other party all of its reasonable litigation expense, costs, and fees actually incurred, including reasonable attorneys' and experts' fees.

22. **Liability of District.** Notwithstanding anything stated herein to the contrary, District shall not be liable for any special, consequential, indirect or incidental damages, including but not limited to lost profits in connection with this Agreement.

23. **Time.** Time is of the essence for performance of the Services under this Agreement.

24. **Waiver.** No delay or omission by either Party in exercising any right under this Agreement shall operate as a waiver of that or any other right and no single or partial exercise of any right shall preclude either Party from any or further exercise of any right or remedy.

25. **Reports.** Consultant shall maintain complete and accurate records with respect to the Services rendered and the costs incurred under this Agreement, including records with respect to any payments to employees, subcontractors and sub-consultants. All such records shall be prepared in accordance with generally accepted accounting procedures. 27. **Licensing of Intellectual Property.** This Agreement creates a non-exclusive and perpetual license for the District to copy, use, modify, reuse or sublicense any and all copyrights, designs and other intellectual property embodied in the Documents (“Intellectual Property”) not only as they relate or may relate to the Services but as they relate or may relate to other projects. The Consultant shall require any and all subcontractors and sub-consultants to agree in writing that the District is granted a similar non-exclusive and perpetual license for the Intellectual Property of such subcontractors or sub-consultants that they provided to Consultant as part of the Services. The compensation for the Services includes compensation not only for any such use of the Intellectual Property in connection with the Services, but also for any re-use of the Intellectual Property by the District in relation to other projects. Consultant represents and warrants that Consultant has the legal right to license the Intellectual Property that Consultant, its subcontractors, or its sub-consultants prepare or cause to be prepared under this Agreement.

28. **Entire Agreement.** This Agreement is intended by the Parties as the final expression of their agreement with respect to such terms as are included herein and as the complete and exclusive statement of its terms and may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement, nor explained or supplemented by evidence of consistent additional terms.

29. **Ambiguity.** The Parties to this Agreement, and each of them, hereby represent that the language contained herein is to be construed as jointly proposed and jointly accepted, and in the event of any subsequent determination of ambiguity, all Parties shall be treated as equally responsible for such ambiguity.

30. **Execution of Other Documents.** The Parties to this Agreement shall cooperate fully in the execution of any and all other documents and in the completion of any additional actions that may be necessary or appropriate to give full force and effect to the terms and intent of this Agreement.

31. **Execution in Counterparts.** This Agreement may be executed in counterparts such that the signatures may appear on separate signature pages. A copy, facsimile, or an original, with all signatures appended together, shall be deemed a fully executed agreement.

33. **Mediation.** A party to this Agreement shall, as a condition precedent to initiating any litigation against the other party, demand mediation of any dispute. The parties shall endeavor to include any third party claimant in the mediation. The parties shall select a mediator and schedule the mediation within thirty (30) days of the initial demand for mediation. If the parties cannot agree on a mediator, the mediator shall be appointed by JAMS. The parties to the mediation, including the parties to this Agreement, shall pay equal shares of the mediator’s fees. Each party shall bear its own attorney’s fees related to the mediation.

34. **Forms.** Prior to performing any Services, Consultant shall prepare, execute, and submit all forms that may be required by law for this Agreement, including but not limited to disabled veteran business enterprises (“DVBE”) certification (Education Code §17076.11) and an Iran Contract Act certification (Public Contract Code §2204). If a form is necessary, Consultant shall use the District’s versions of these forms, which the District shall make available upon request.

Failure to comply may result in the termination of the Contract.

36. **Designation of Key Personnel.** The individuals specified in the attached **Attachment D** shall provide the services set forth herein, and shall be the persons primarily in charge of such work. No other individuals may provide services for Consultant on the this project without first obtaining the written approval of the City Manager.

None of such individuals shall, during this term of this Agreement, acquire any interest which conflicts, or could potentially conflict, in any manner with the interests of the District.

38. **Notice to Proceed; Progress; Completion.** Upon execution of this Agreement by the parties and approval of it by the District’s governing board, District shall give Consultant written notice to proceed with the Services. Such notice may authorize Consultant to render all of the Services contemplated herein, or such portions or phases as may be directed by the District. In the latter event, District shall, in its sole discretion, issue subsequent notices from time to time regarding further portions or phases of the Services. Upon receipt of such notices, Consultant shall diligently proceed with the Services authorized and complete it within the agreed time period.

(Education Code Section 45125.1)

Other than business entities performing construction, reconstruction, rehabilitation, or repair who have complied with Education Code section 45125.2, business entities entering into contracts with the District must comply with Education Code sections 45125.1. Such entities are responsible for ensuring full compliance with the law and should therefore review all applicable statutes and regulations. The following information is provided simply to assist such entities with compliance with the law:

1. You (as a business entity) shall ensure that each of your employees who interacts with pupils outside of the immediate supervision and control of the pupil's parent or guardian or a school employee has a valid criminal records summary as described in Education Code section 44237. (Education Code §45125.1(a).) You shall do the same for any other employees as directed by the District. (Education Code §45125.1(c).) When you perform the criminal background check, you shall immediately provide any subsequent arrest and conviction information it receives to the District pursuant to the subsequent arrest service. (Education Code §45125.1(a).)
2. You shall not permit an employee to interact with pupils until the Department of Justice has ascertained that the employee has not been convicted of a felony as defined in Education Code section 45122.1. (Education Code §45125.1(e).) See the lists of violent and serious felonies in ***Attachment A*** to this Notice.
3. Prior to performing any work or services under your contract with the District, and prior to being present on District property or being within the vicinity of District pupils, you shall certify in writing to the District under the penalty of perjury that neither the employer nor any of its employees who are required to submit fingerprints, and who may interact with pupils, have been convicted of a felony as defined in Education Code section 45122.1, and that you are in full compliance with Education Code section 45125.1. (Education Code §45125.1(f).) For this certification, you shall use the form in ***Attachment B*** to this Notice.
4. If you are providing the above services in an emergency or exceptional situation, you are not required to comply with Education Code section 45125.1, above. An "emergency or exceptional" situation is one in which pupil health or safety is endangered or when repairs are needed to make a facility safe and habitable. The District shall determine whether an emergency or exceptional situation exists. (Education Code §45125.1(b).)
5. If you are an individual operating as a sole proprietor of a business entity, you are considered an employee of that entity for purposes of Education Code section

45125.1, and the District shall prepare and submit your fingerprints to the Department of Justice as described in Education Code section 45125.1(a). (Education Code §45125.1(h).)

I, as \_\_\_\_\_ *[insert "owner" or officer title]* of \_\_\_\_\_ *[insert name of business entity]*, have read the foregoing and agree that \_\_\_\_\_ *[insert name of business entity]* will comply with the requirements of Education Code §45125.1 as applicable, including submission of the certificate mentioned above.
