

# FUN FOR KIDS!

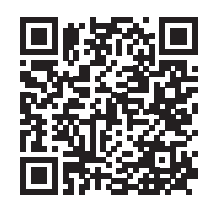

Our Family Series of performances are designed for families and younger children! Last season, we had sing-alongs, animal meet-and-greets, and learning about Elijah Pierce, a renowned artist from right here in Columbus

This next season, we are excited to bring back Miss Marlene as she weaves together a 45-minute performance of heartwarming and entertaining songs. Bring the whole family for music, laughter, and cherished memories as participants are encouraged to move and dance around the theater as joyful sounds are being made by all!

We will also be hosting a sensory-friendly screening of the popular movie "Sing"! The MAC's sensory-friendly screening of Sing provides a welcoming, supportive, judgment-free environment for theatre-goers with autism, sensory processing challenges, and other social, learning, or cognitive disabilities. Modifications for this screening include relaxed house rules, reduced volume and lighting levels, extra space for movement, and a designated quiet room.

BUY TICKETS HERE:

## Miss Marlene Dance & Sing

Saturday, May 10, 2025; 10:00am

## Sing | Sensory-friendly movie

Saturday, March 29, 2025; 10:00am
