

Our totally rad book fair will be held in the media center from March 21 through 28! The book fair offers high quality books that kids want to read at affordable prices.

For more information, visit our book fair website at <https://tinyurl.com/ikesspring2025>. On this site, you can check out the Literati Book Fairs website, sign up to volunteer, and view class shopping times.

We accept cash, checks made payable to IKES, or credit cards. You may also purchase a Literati Gift Card, a payment method which allows friends and family members to load funds with a set amount of money so that students can shop the book fair in a safe and secure manner. You can also purchase Literati gift cards for your child's teacher(s) to add books to the classroom library or make a donation to help purchase books for students at our school. Visit our book fair website to purchase a gift card.

Thank you for supporting the book fair!
