ADDRESSING BULLYING

IN THE DIGITAL AGE

SPASH Library
March 5
6:00 - 7:00 PM

Who Should Attend?
Parents and Guardians
of students grades 5-12

What is the Focus?
SPAPSD School Safety
Update & Bullying Data for
Secondary Sites

In our series, "Addressing Bullying and Harassment in the Digital Age," we will explore the challenges children face online, including social media use and cyberbullying. Parents can expect practical tips, expert insights, and strategies to help protect their children and foster a safer digital environment.

donations to the
100th Day Community
Service Project!!**

**5th & 6th Grade Elementary
Track Meet
May 21st & May 22nd
Rain Date May 23rd**

Kennedy Expectations for Cool Weather

(Updated 2/21/2025)

cool

Parents/Guardians: As temperatures remain cold and snow is on the ground, winter clothing items are needed for going outside. We are fortunate that our school has received donations of items over the years to lend out to students; however, we do not have enough for everyone and recess time is lost when students look for things to borrow.

If you could please ensure that your child has these necessary items each day, it would be helpful and very much appreciated! Lastly, it is always a good idea to pack extra socks, undergarments and even pants so your child can remain comfortably dry and warm after recess.

If your family is in need of assistance with outerwear, please do not hesitate to contact our school counselor, Mrs. Armstrong at 715-345-5614 or via email at: carmstro@pointschools.net.

Temperature-Based Requirements

- 40-50 Degrees: At the minimum, students need long sleeves
- < 40 Degrees: Students need a warmer coat or winter jacket

Minimal Expectations (When Snow Arrives & Remains on the Ground)

- Hats/Mittens: K-6 - needed each day
- Winter Coat: K-6 - needed each day
- Boots: Grades K-2 - needed each day
Grades 3-6 - needed when leaving the blacktop area
- Snow Pants: Grades K-2 - needed each day
Grades 3-6 - needed when leaving the blacktop area

****As you will notice, ALL GRADE LEVELS are expected to wear a coat, hat (or hood) and gloves when there is snow on the ground. Please help us by reminding your 3-6th grader that they do need to wear gloves, coat, and head covering. Hands in pockets do not count as gloves.**

As a school staff, we will continue to encourage students to follow the above cool weather expectations. We also expect students to make informed choices about what they wear outside. Many students, particularly in grades 4,5 and 6 choose to wear tennis shoes in the snow and/or go outside without hats, gloves and warm jackets. Please help us keep your child warm and comfortable outside by discussing these cool weather expectations with them at home. It is important for students to realize that there may be different expectations at school compared to those at home. Thank you for supporting the efforts of the school staff to keep consistent guidelines for the well being of our students.
