

THE NEWSLETTER OF

THE BORO BEAT

THE FREEHOLD BOROUGH SCHOOL DISTRICT

Family Science Night

Dear Parents and Staff,

As we welcome the vibrant month of March, we reflect on a fruitful February filled with accomplishments and growth. We are grateful for the hard work and dedication of our staff, students, and families, which made last month so successful.

February was marked by engaging classroom lessons and school-wide activities, and we are excited to carry this positive momentum into March. During the next month, we look forward to creative educational opportunities and special family engagement events, which promise to enrich our students' learning experiences and strengthen our community bonds.

Thank you for your ongoing commitment to our district's success. Together, we are building a brighter future for our students.

Best regards,
Asia Michael, Superintendent

Thank Our School Social Workers

During the month of March, we acknowledge the incredible work of our school social workers, **Mrs. Marx and Mrs. DeLorenzo**. Their dedication, compassion, and unwavering support make a profound difference in the lives of our students, families, and the entire school community. Thank you to our school social workers for being a beacon of hope and support for our students and families. Their work is truly invaluable, and we are deeply grateful for all that they do. Please send them a note of gratitude!

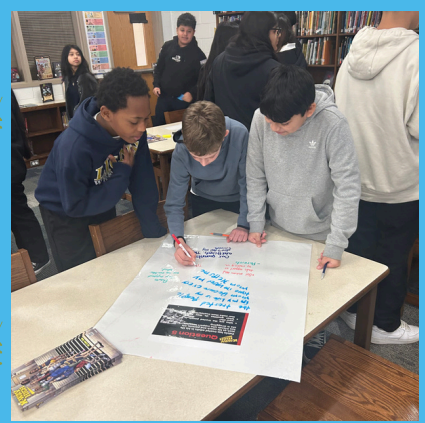

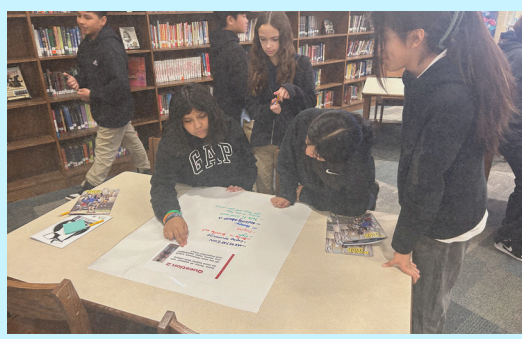

Student Activities

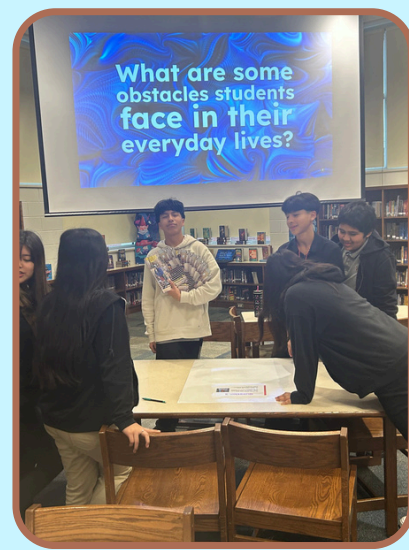

HAPPY
100 Days
OF
SCHOOL

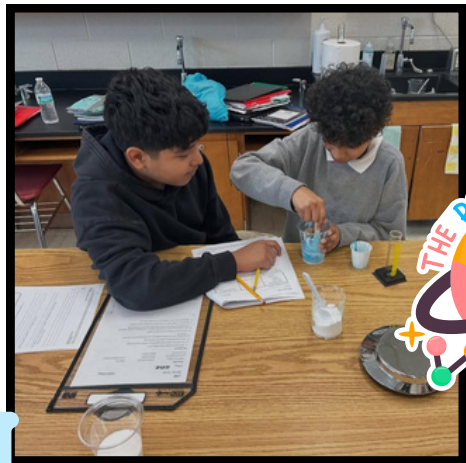

K-WAY HIGH COMIC BOOK ACTIVITY

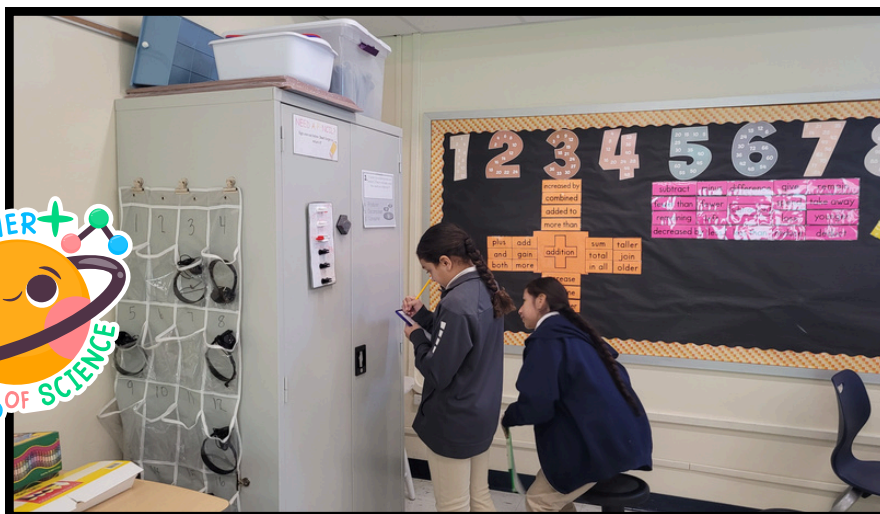

FIS students learn life lessons through comic book series.

In the Classroom
