Interlake FAQ's

Take a deep breath!

- You do not have to know or remember all the details about graduation now.
- Your high school counselors will guide you throughout high school to ensure you understand and meet the graduation requirements.
- We are here to answer questions along the way.
- Come back and review these slides anytime!

What do I need to graduate?

- Earn 24 credits (students earn 0.5 credits per course per semester) in specific courses over 4 years
- Cumulative 2.0 grade point average (GPA)
- 40 hours of Community Service
- Complete High School and Beyond Plan
- Complete a Graduation Options Pathway
- Complete WA State History

Graduation Requirements:

BSD CREDIT REQUIREMENTS FOR THE CLASS OF 2019 AND BEYOND		
Subject	Semesters	Credits
English	8	4.0
Mathematics	6	3.0
Social Studies	7	3.5
Science*	6	3.0
Career & Technical Education	2	1.0
Fine Arts (Drama, Music, Visual Art)**	4	2.0
Health	1	0.5
Physical Education	3	1.5
World Language***	4	2.0
Electives	7	3.5
TOTAL	48	24

*Science requirement of 3.0 credits must include two lab classes

**Fine Arts requirement of 2.0 credits can include 1 credit of PPR (Personalized Pathway Requirement)

***World Language requirement of 2.0 credits can be replaced by PPR

Am I on track to graduate?

- Failed any classes ?
- Summer School registration info will be posted on the BSD website (bsd405.org) later in the spring.
- 40 hours of Community Service turned in to X2vol (through Clever) [Community Service Ideas](#)

What is the High School and Beyond Plan (HSBP)?

- A plan that specifies how you will meet your goals after high school.
- Help guide you and inform what classes to choose in your four years at Interlake.
- Use Naviance (college and career readiness platform) to create and revise the HSBP yearly.
- Activities include career assessments, resume, college research, game plan, and more.

Completing Graduation Pathways

- There are several options
- Students must meet at least one of the pathway options to graduate
- Most students will complete requirement by the end of 11th grade
- Pass the Smarter Balance Tests in English & Math
- Earn a specific score on the SAT/ACT or IB/AP exams
- Earn Dual Credit in English/SS and Math
- Meet standard on the ASVAB
- Complete Career & Technical course sequence

Question: What is a PPR ?

- PPR = Personalized Pathway Requirement
- Can be used to replace the 2.0 credit World Language and/or 1.0 credit of the Fine Arts requirement
- All students must complete at least 1.0 credit of Fine Arts
- PPR's are optional ways of meeting certain requirements. Not every student will use this option
- Work with your counselor in 11th grade to decide if a PPR is needed to meet graduation requirements

Washington State History Requirement

If you were not in BSD in 7th and 8th grade, you must take a WA State History class.

Options:

- **Pacific Northwest History class at Interlake High School**
- **OneNote BSD Course: see your counselor for registration**
- **Approved DLD Online Course: see your counselor for information.**

****Already took a State History course in middle school (outside BSD)? Provide proof to Mr. Astudillo (Registrar).**

Planning for your future!

- Rigorous & Balanced schedule all 4 years!
- IB/AP courses will prepare you for the rigor of a college curriculum.
- Colleges expect high school students to take 4 years of English, Math, Social Studies and Science
- Fine art is required for high school graduation and college admissions. The University of California system requires 1.0 credit in the same discipline (i.e. performing vs. visual)
- World Language (2-3 years minimum). Take 4 years if you love it!

Planning for your future

- ACT or SAT: Sign up and take them in 11th grade! Many 4-year colleges in the US no longer require for admissions, including UW Seattle and the UC system.
- College visits: use breaks to visit/ask questions. Check out the virtual options.
- Get involved at Interlake: clubs, sports and leadership. Follow your passions!
 - For extracurricular activities, colleges prefer *quality* over *quantity*.

What will I do in the IB Diploma Program?

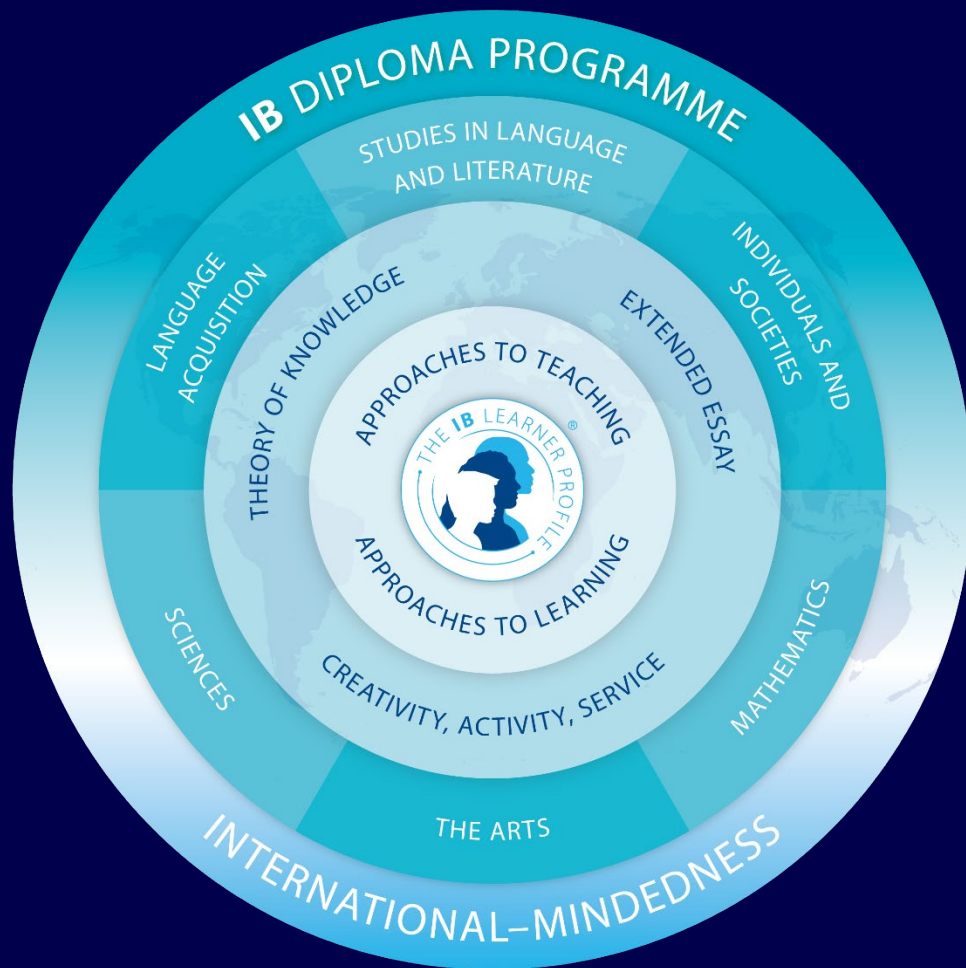

6 courses over two years

- 3 High Level (HL) & 3 Standard Level (SL)
- Group 1 – Studies in Language and Literature
- Group 2 – Language Acquisition
- Group 3 – Individuals and Societies
- Group 4 - Sciences
- Group 5 - Mathematics
- Group 6 – The Arts

Core requirements

- Theory of Knowledge course
- Extended Essay
- CAS

Requirements for
the 6 subjects:

one subject from each
of the six groups

at least three but not
more than four taken
at higher level (HL)

others at standard

English Options for AL 10th graders

You have these classes to choose from:

- AL IB Language and Literature HL1: Course Content is focused on non-fiction and the study of language. This is a two-year course. Students will take IB Language & Literature HL2 in their junior year.
- AL IB Literature HL1: Course content is focused on the study of the novel. Fiction works will be studied, some will be American Literature, some will be World Literature. This is a two-year course. Students will take IB Literature HL2 in their junior year.

- IB CHINESE
- IB SPANISH
- IB FRENCH
- ARABIC, HINDI, and KOREAN (*online through BDD*)

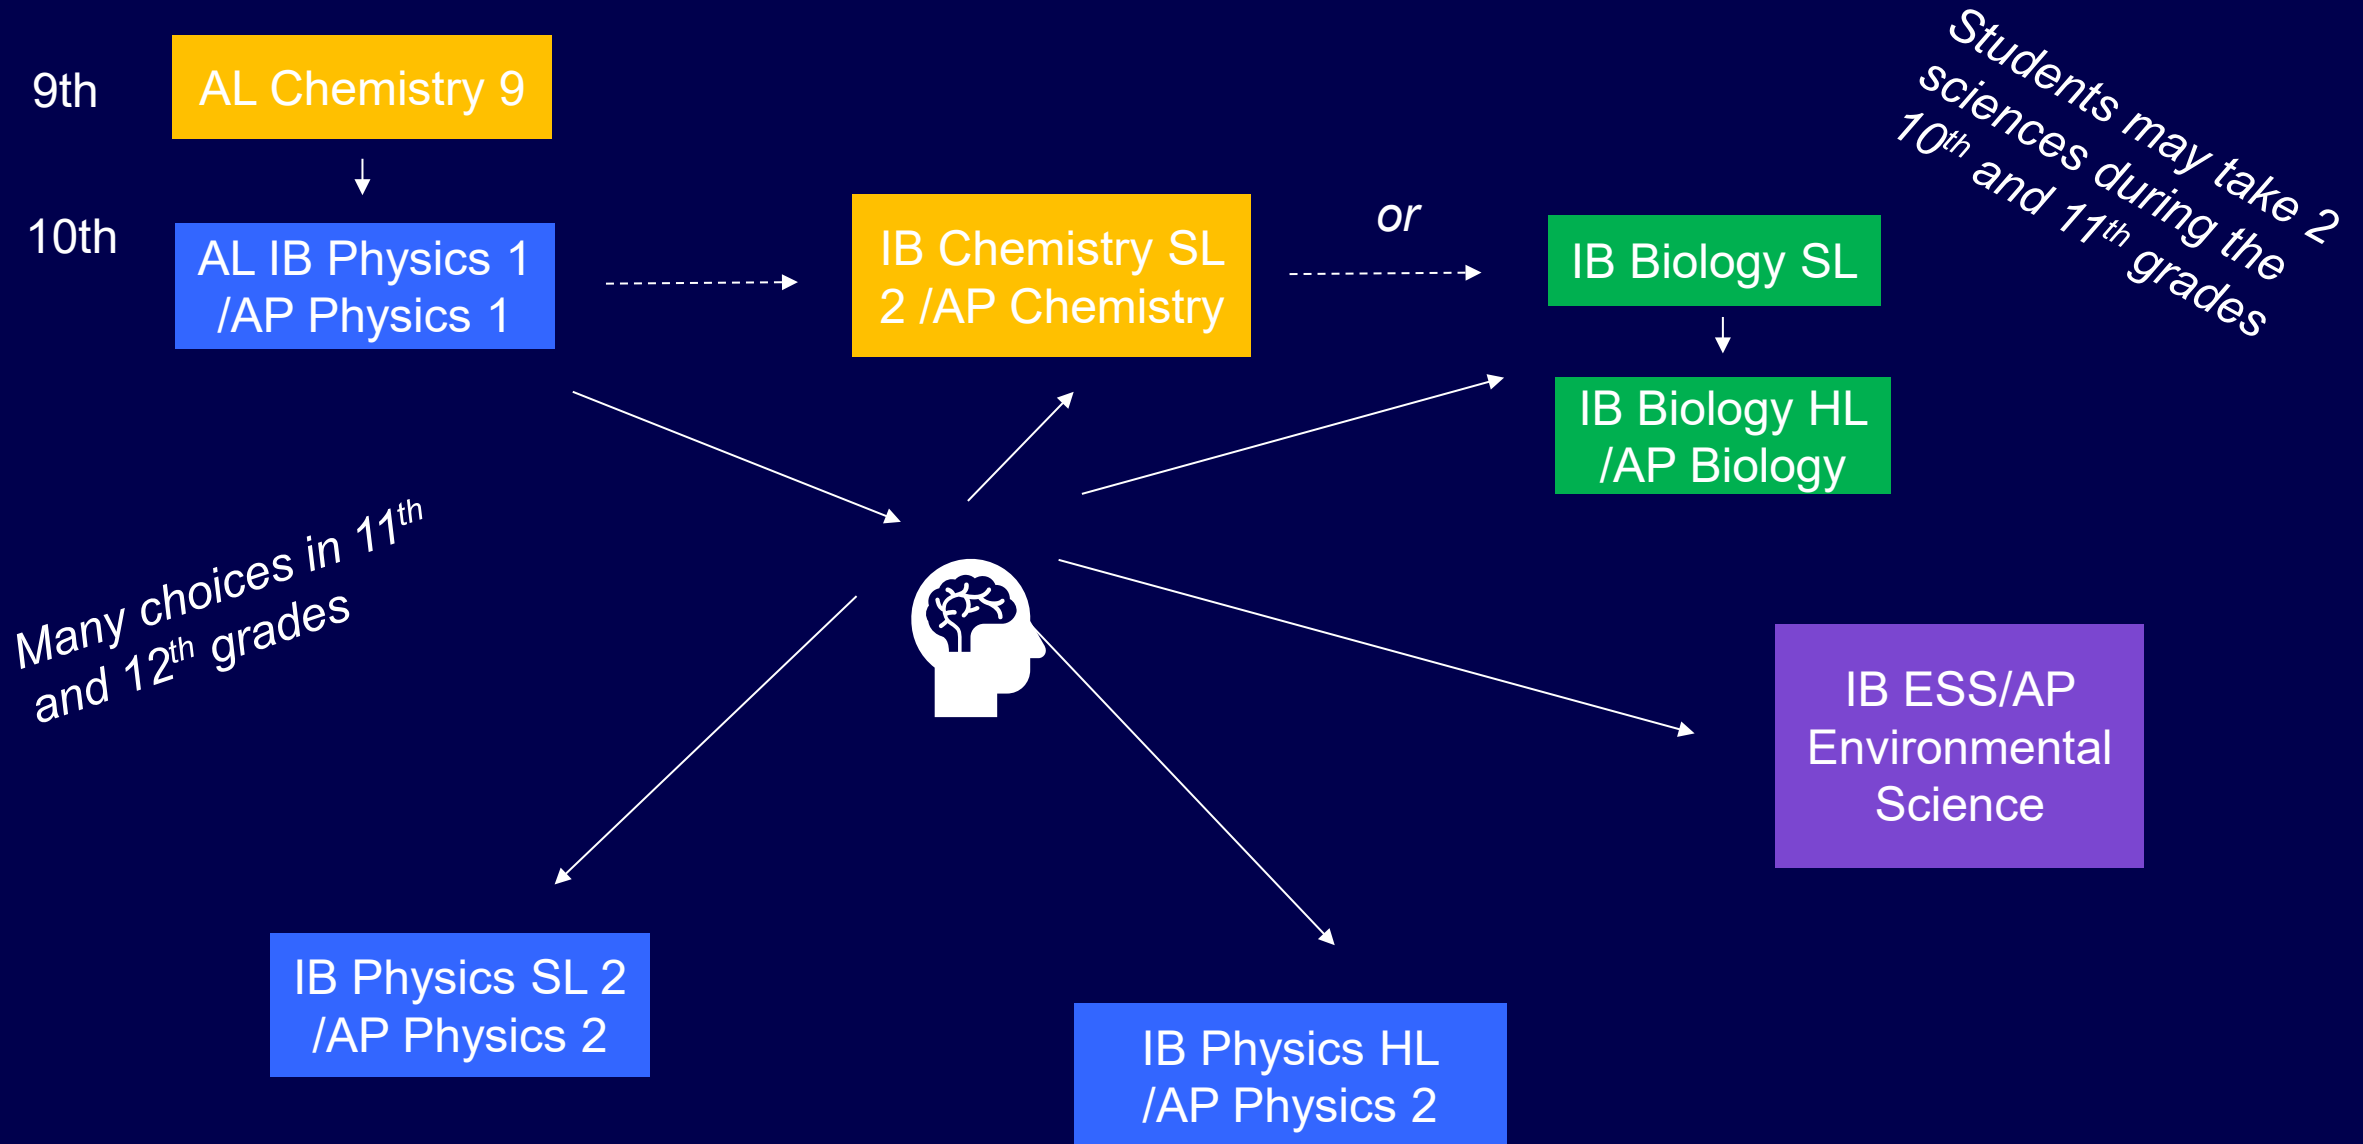

The Bellevue School District requires that all students study a world language or complete a Personal Pathway. The mission is to equip students with the skills to communicate effectively across multiple cultures. Most colleges and universities require at least two years of study one world language. However, competitive admission schools may require more.

Seal of Biliteracy

- In the State of Washington, students qualify for the Seal of Biliteracy by demonstrating proficiency in English and another World Language.
- Students must demonstrate proficiency on a nationally normed language test (AP, IB, or a World Language Competency Exam).

Science (Group 4)

What is your Math Path?

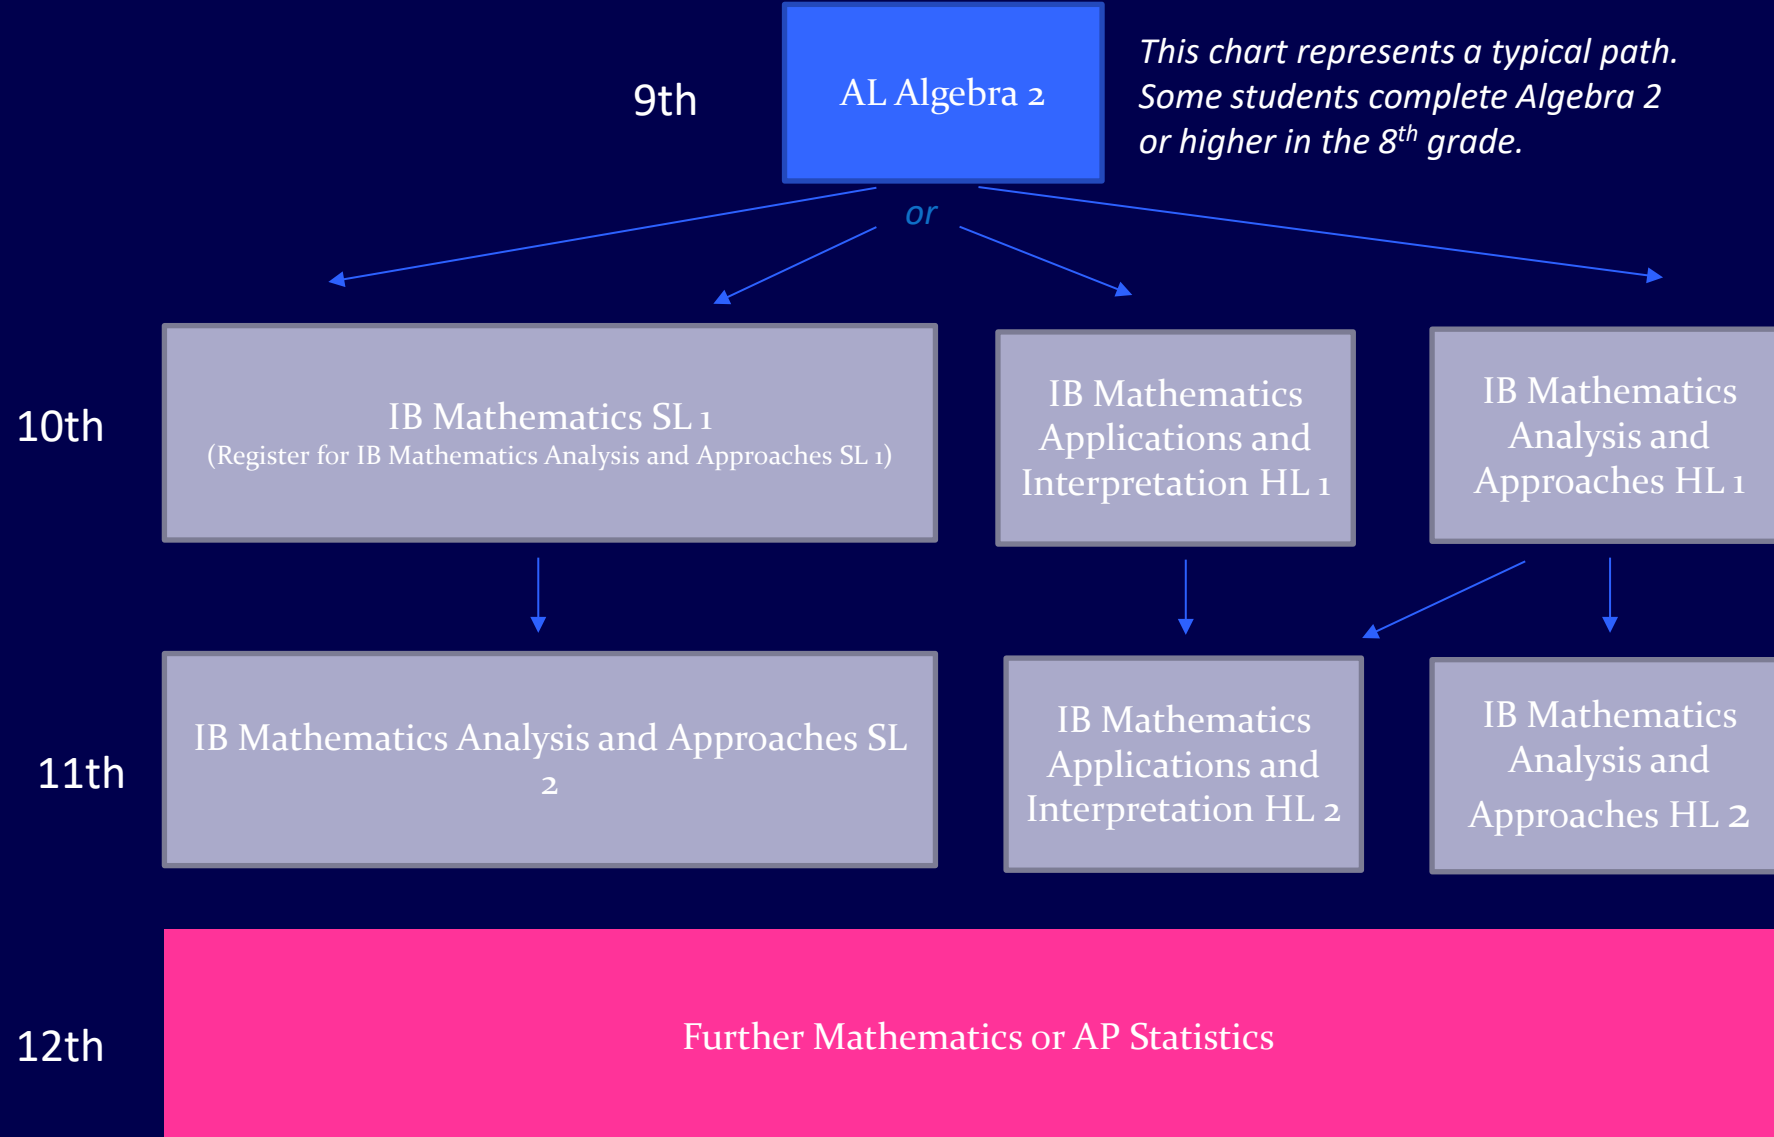

As an IB World School Interlake offers Math courses driven by the IB syllabi.

- IB Math is not focused solely on developing students towards Calculus. IB recognizes that mathematics has several branches that students should be exposed to, including statistics, probability, graph theory, linear algebra, differential equations as well as Calculus.

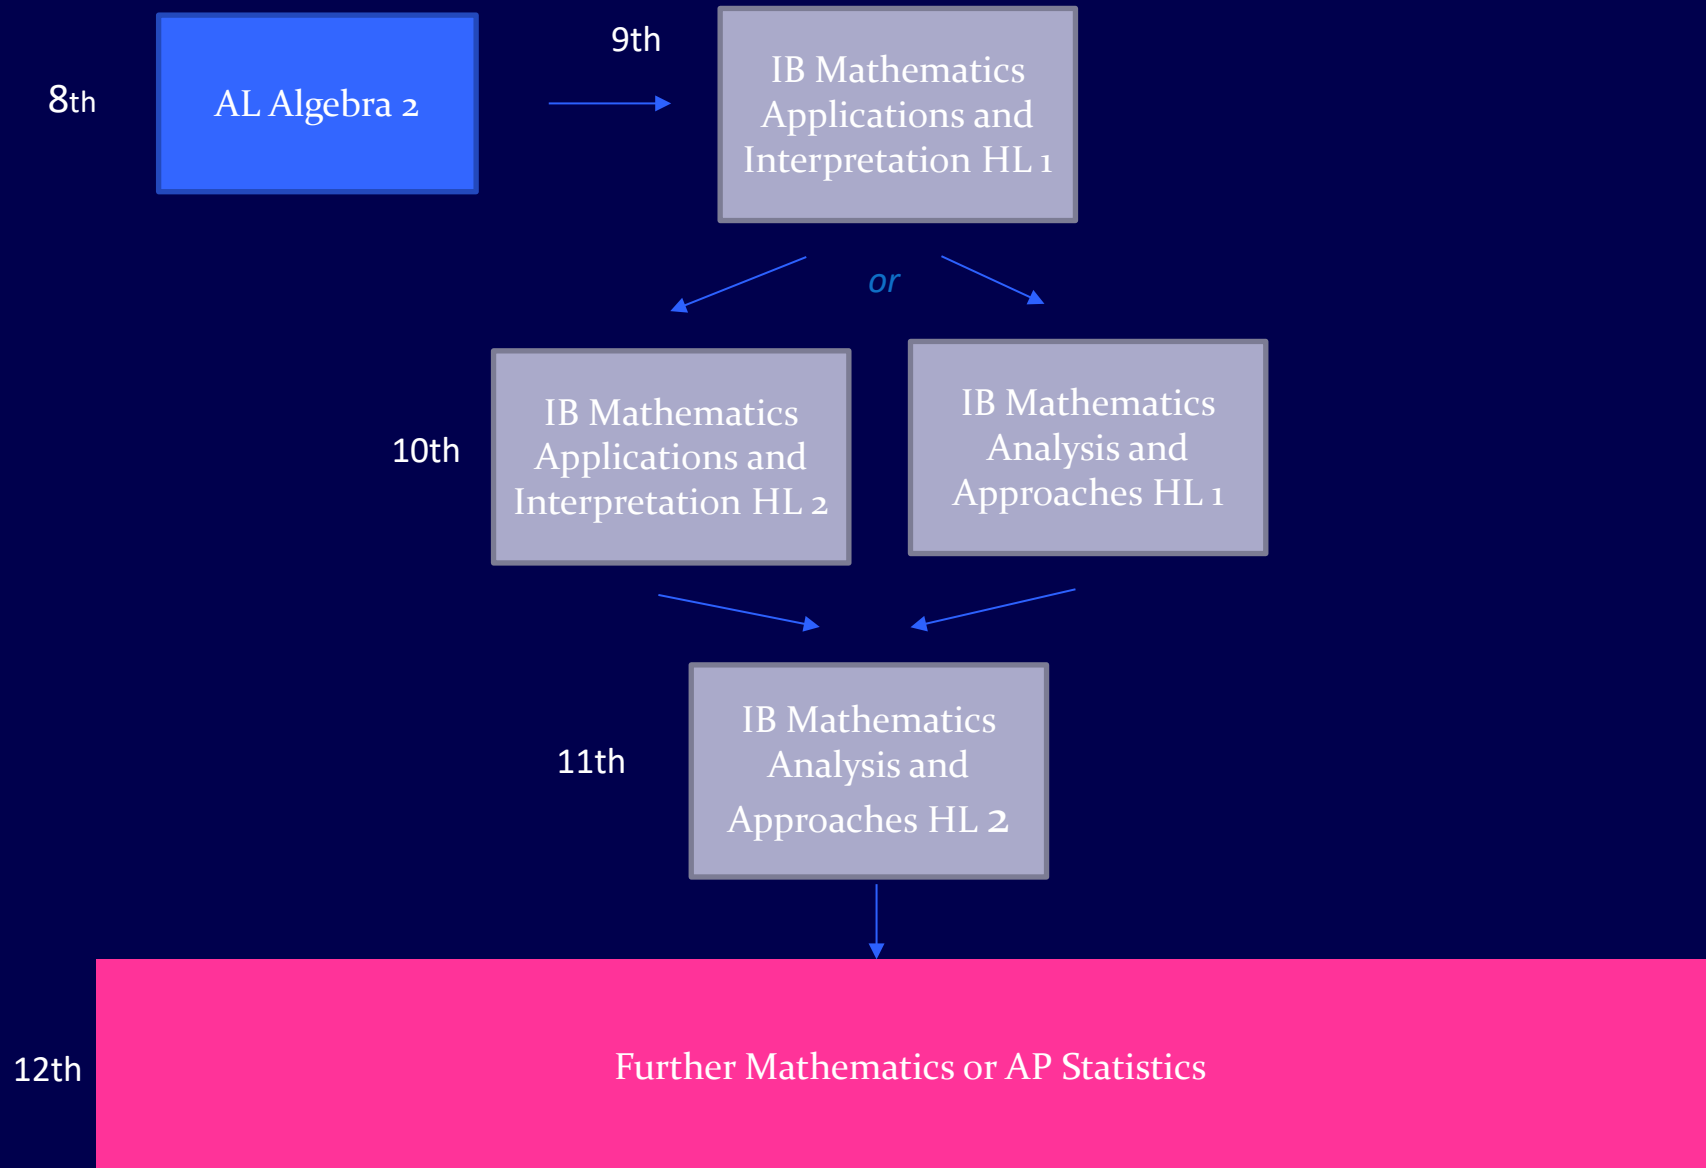

The math choices emphasize different branches of math.

- IB Math Applications will have more exposure to Statistics over Calculus. Technology based (calculator and computer will be emphasized).
- IB Analysis will have more calculus over statistics. Students will complete more traditional pencil and paper problem solving
