School Plan for Student Achievement
2024-2025

This School Plan for Student Achievement (SPSA) is a plan of actions to raise the performance of all students. The SPSA contains the following:

Needs Assessment

- School Demographics
- English Language Arts
- Mathematics
- English Learners
- Culture/Climate Domain
- SPSA Effectiveness

Accountability Measure I: Increase Achievement

- Core Programs (ELA, Writing, Math)
- Interventions
- Transitions

Accountability Measure II: School Climate

Accountability Measure III: Professional Development

- Professional Development
- Teacher Involvement

Accountability Measure IV: Parents and Community Involvement Assurances

- School Budget for Categorical Programs
- SSC Membership
- ELAC Membership
- ELAC Recommendations
- Assurances, Approval and Signatures

The School Site Council (SSC) completed a comprehensive needs assessment, including analyses of student performance in relation to the state

academic content standards. In order to provide supplemental interventions, the SSC analyzed the academic performance of all students and subgroups, and it considered the instructional program's effectiveness for at-risk students.

The School Site Council aligns the Long Beach Unified School District's Strategic Plan and LCAP into the SPSA. The LCAP Goals are presented at: lbschools.net/lcap. The LCAP Federal Addendum is presented at: lbschools.net/departments/business-and-finance/fiscal-services/state-and-federal-programs/state-and-federal-required-plans

Education Code 52062 (4) requires that the superintendent of the school district review school plans for schools within the school district and ensure that the specific actions included in the local control and accountability plan or annual update to the local control and accountability plan are consistent with strategies included in the school plans submitted.

Progress and components of LBUSD's Strategic Plan, viewable at lbschools.net/departments/strategic-planning, are rooted in the following core values:

- Centering student needs and voice
- Authentic community engagement and collaboration
- Culture of innovation and creativity
- Diversity and inclusion
- Environment that fosters connection, respect and safety
- Equity and social justice
- Excellence and accountability through continuous improvement
- Fostering joy and commitment
- Integrity and responsible leadership

The Board of Education has set goals to help guide the district and schools:

Goal 1: Reading: Proficiency

The percentage of Grade 3 students who meet or exceed grade-level standards on the state English Language Arts SBAC assessment will grow from 48% in June 2023 to 70% by June 2028.

Goal 2: Reading: Acceleration

The percentage of students in Grades 4-8 scoring at the “Not Met” achievement level in the prior year who meet the scale score growth target on the state SBAC-English Language Arts assessment will increase from 28% in June 2023 to 60% in June 2028.

Goal 3: Algebra Proficiency

In pursuit of having more than 80% of Black/African American students meet the Algebra A-G requirement by the end of Grade 9, the proficiency gap between Black/African American students and all other students will decline from 5% in June 2023 to 0% by June 2028.

Goal 4: College & Career Readiness

In pursuit of having more than 66% of Black/African American graduating seniors A-G eligible, the proficiency gap between Black/African American students and all other students will decline from 15% in June 2023 to 0% by June 2028

In addition, the SSC recognizes following recommendations made by the District Community Advisory Committee (DCAC) and the District English Learner Advisory Committee (DELAC):

DCAC Recommendations:

Recommendation 1: Provide more parent involvement and parent education training at all schools, including sending parent participants to conferences in order to empower and train parent leaders.

Recommendation 2: Create and provide a more inviting, safe and welcoming climate/community atmosphere at all sites for all cultures, parents and students.

Recommendation 3: Re-establish district Parent Centers and encourage sites to establish a parent center/parent resource room to better engage and serve parents.

DELAC Recommendations:

1. Monitor the implementation of the district's comprehensive English Language Development (ELD) program in grades K-12th addressing language and academic needs of a diverse EL population from newcomers to Long Term English Learners.
2. Provide parent workshops to build capacity on specific topics such as LCFF, LCAP and SSC to better understand how each functions;
3. Continue to explore programs at sites that address the social/emotional development and well-being of all students, including English Learners
4. Expand tutoring and other intervention programs that are content-specific to meet the student's identified needs including special education students

The SSC recognizes the importance of **Parent and Family Engagement** and emphasizes LBUSD Board Policy 6020:

The Governing Board recognizes that parents/guardians are their children's first and most influential teachers and that continued parent involvement in the education of children contributes greatly to student achievement and a positive school environment. For this reason, the Governing Board will have a written parent involvement policy developed jointly with and agreed upon by parents/guardians and applicable to non-Title I schools.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so.

The district's local control and accountability plan (LCAP) shall include goals and strategies for parent/guardian involvement and family engagement, including district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. (Education Code 42238.02, 52060)

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district's parent/guardian and family engagement efforts, including, but not limited to, input from parents/guardians, family members, and school staff on the adequacy of involvement opportunities and on barriers that may inhibit participation.

Title I Schools

The Superintendent or designee shall involve parents/guardians and family members in establishing district expectations and objectives for

meaningful parent/guardian and family engagement in schools supported by Title I funding, developing strategies that describe how the district will carry out each activity listed in 20 USC 6318, as contained in the accompanying administrative regulation, and implementing and evaluating such programs, activities, and procedures. As appropriate, the Superintendent or designee shall conduct outreach to all parents/guardians and family members. (Education Code 11503; 20 USC 6318)

When the district's Title I, Part A allocation exceeds the amount specified in 20 USC 6318, the Board shall reserve at least one percent of the funding to implement parent/guardian and family engagement activities and shall distribute at least 90 percent of those reserved funds to eligible schools, with priority given to high-need schools as defined in 20 USC 6631. The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how the district's Title I funds will be allotted for parent/guardian and family engagement activities. (20 USC 6318).

Conclusions from the needs assessment were used to prioritize supplemental programs, materials, professional development, targeted interventions, and other activities that will strengthen the school's academic achievement, close the achievement gap, and provide a safe, civil and productive school.

Comprehensive Needs Assessment: English-Language Arts

ELA Findings
2023-2024 ELA SBAC resulted in a 24% M/E achievement. This is down 2% in comparison to the year before. There is a 25% overall gap in ELA M/E between Avalon School and the district. 2023-2024 ELA SBAC resulted in a decrease of 19% for the boys growth target at Avalon School.

ELA Goals

Comprehensive Needs Assessment: Mathematics

Math Findings
2023-2024 Math SBAC resulted in a 13% M/E achievement. This is down 6% in comparison to the year before. There is a 23% overall gap in Math M/E between Avalon School and the district.

Math Goals

By June 2025, the gap between Avalon and the district will be reduced by 50% per cohort and subgroup with an overall achievement level in Math of 25% M/E. Goal 4th = 44% M/E (38% to 44%) Goal 5th = 32% M/E (18% to 32%) Goal 6th = 27% M/E (13% to 27%) Goal 7th = 20% M/E (6% to 20%) Goal 8th = 26% M/E (16% to 26%)

ACTION PLAN: Focus on data analysis and next step during professional development release time.

Math Department attending professional development conferences to implement best practices.

MONITORING: I-Ready Math data analysis and planning for next steps.

Action Plan: This year teacher will engage in I-Ready PD focused on data analysis and next steps per instructional group focused on Literacy. Before the first semester commenced teachers and administration met for data day to analyze data from Spring 22-23. A plan for next steps was put in place after analysis for test preparation, purpose and focused scheduling for testing. This is an ongoing analysis.

Focused Groups:

ELLs: Mariners foundation has provided tutoring in math for this specific group.

LTELS: A designated specialist was approved to focus assisted these students and families understanding their data and test preparation. Along with academic support

ELLs, LTELS, SES, HISPANIC:, STUDENTS WITH DISABILITIES: New teachers working with these groups of students are being mentored by experienced teachers. They meet regularly to plan and discuss specific challenges and researched based solutions to fill gaps in mathematics.

Comprehensive Needs Assessment: English Learners

English Learner Findings

2023-2024 ELA SBAC achievement for ELLs was 2% M/E. This is an increase of 2% in comparison to the year before. The overall gap for ELL in Avalon vs. the district is 12%. 2023-2024 Math SBAC achievement for ELL was 5% this is an increase of 5% in comparison to the year before. There is a 6% overall gap in Math M/E between Avalon School and the district. 2023-2024 Math SBAC above growth target for RFEP students decreased by 13%

English Learner Goals

By June 2025, ELLs M/E achievement score in ELA per SBAC will increase by 7% with a goal of 12% M/E. By June 2025, the ELL M/E achievement level for Math SBAC will increase by 6% with a goal of 11% M/E. By June 2025 RFEP students above growth targets measure in Math will have increased by 20% increasing from 25%-45%.

MONITORING: I-Ready Math data analysis and planning for next steps.

Action Plan: This year teacher will engage in I-Ready PD focused on data analysis and next steps per instructional group focused on Literacy. Before the first semester commenced teachers and administration met for data day to analyze data from Spring 22-23. A plan for next steps was put in place after analysis for test preparation, purpose and focused scheduling for testing. This is an ongoing analysis. The discussion focused on our ELs and LTELs. We noticed growth and felt that putting a purpose on assessments and awareness on data would increase motivation to increase effort on SBAC, Iready and ELPAC. ELAC recommended a specialized data interventionist to work with LTELs on redesignation and was approved by SSC.

Focused Groups:

ELLs: designated and embedded PD for all teachers

LTELs: A designated specialist was approved to focus assisted these students and families understanding their data and test preparation. Along with academic support

ELLs, LTELs, SES, HISPANIC:, STUDENTS WITH DISABILITIES: New teachers working with these groups of students are being mentored by experienced teachers. They meet regularly to plan and discuss specific challenges and researched based solutions to fill gaps in all academic areas.

Comprehensive Needs Assessment: Culture/Climate Domain

Culture/Climate Findings

Improving the school culture/ climate is an area of focus and school initiative aimed as increasing safety and sense of belonging are being prioritized. Building teacher capacity to respond to solving student issues through verbal deescalation , RJ practices, PBIS, school wide discipline policies, and incentives and recognition is a focus area given only 32 % of secondary student answered favorably to this question in the Spring . 2024 Pulse survey. At the elementary level the increase of student's sense of belonging is a key are to focus on given only 58% of students answered favorable to this question per the Spring 2024 Pulse Survey.

Culture/Climate Goals

Elementary Sense of Belonging will increase from 58% to 72 %

Secondary Sense of Safety will increase from 53 % to 78%.

Progress Monitoring: Before the first semester commenced teachers and administration met for data day to analyze data from Spring 22-23. A plan for next steps was put in place after analysis for student student champions an accountability space for students to receive positive support behavior and monitoring on a weekly basis and character cards where teachers monitor students behavior on a quarterly basis. Second semester starting female student champions focusing on distinct needs needs of our female population.

Focused Groups:

White Students: Monitoring and focusing this group in student champions and female student champions. We can also disaggregate data on character cards to monitor progress.

- District generated, grade level Scope & Sequence and Units of Instruction to ensure all students are engaged in standards-aligned classroom instruction processes.
- Teachers and students will monitor and adjust teaching and learning, guided by the systematic application of formative assessment practices to identify students' progress and needs.

For High School (9-12):

Students pursue a balanced, integrated literacy program of literature and language study to promote academic discourse. In literature, students develop strategies to construct meaning and interact thoughtfully with all genres of literature and nonfiction texts. Language production (in both speech and written response) become an extension of experiences developed through reading literary and nonfiction works. Students also receive instruction in the conventions of written language, effective oral communication, and research techniques.

Reading activities are based on contemporary themes in literature and non-fiction selections to provide for an ever changing and highly motivational curriculum.

LBUSD offers the Expository Reading and Writing Course (ERWC) to prepare college-bound seniors for the literacy demands of higher education. Through a sequence of fourteen rigorous instructional modules, students in this yearlong, rhetoric-based course develop advanced proficiency in expository, analytical, and argumentative reading and writing. The cornerstone of the course—the assignment template—presents a process for helping students read, comprehend, and respond to nonfiction and literary texts. Modules also provide instruction in research

Reading & Writing Tasks: Making Meaning, Language Development, and Effective Expression Writing Tasks

These tasks provide students with opportunities to “attempt” or “discover” multiple strategies in their learning of new or reviewed skills. This process allows for multiple submissions to master the learning without penalty. These are primarily teacher guided or collaborative tasks that may include scaffolded supports. Some examples include the following:

- Unit and section introduction tasks: section overview activities, Launch Text activities
- Making Meaning tasks: First Read & Close Read guides, comprehension check, research to clarify and/or explore, close read the text, analyze the text, analyze craft and structure
- Language Development tasks: concept vocabulary, word study, conventions, author's style
- Preparation for performance assessments, Unit reflections, evidence logs, word networks
- Short constructed response, Cornell notes, double entry journals, journal quick writes

Formative Assessments/Quizzes

These assessments allow teachers and students to collect the best possible evidence about where students are in the learning process, and teachers use this information to decide what to do next.

These are quick assessments to check for understanding of the content and skills taught so far. These mini assessments can be oral, multiple choice, short answer, essay format, or visual. They

<p>methods and documentation conventions. Students will be expected to increase their awareness of the rhetorical strategies employed by authors and to apply those strategies in their own writing. Reading & Writing Tasks: Making Meaning, Language Development, and Effective Expression Writing Tasks

These tasks provide students with opportunities to “attempt” or “discover” multiple strategies in their learning of new or reviewed skills. This process allows for multiple submissions to master the learning without penalty. These are primarily teacher guided or collaborative tasks that may include scaffolded supports. Some examples include the following:

- ? Performance Task: Writing Focus (teacher-guided process essay), including prewrites, Thinking Maps, Flee Maps, drafts, peer feedback, etc.
- ? Effective Expression Writing Tasks: writing to sources, writing to compare, quick writes, summaries, Write Now tasks
- ? Short constructed response, Cornell notes, double entry journals, journal quick writes
- ? Teacher modeled writing lesson activities

Language Production through Speaking & Listening Tasks:

Preparation and participation in effective collaborative conversations that are built around important content ensures that students may show competency in contributing appropriately and analyzing and synthesizing a multitude of ideas from a variety of sources. Some examples include the following:

- ? Performance Task: Speaking and Listening

	Focus (small group presentation) ? Effective Expression Speaking & Listening tasks ? Everyday classroom participation, active participation activities, collaborative conversations, Socratic seminars, peer feedback and critiques, reader's theater, choral response, recitations

Instructional time focuses on four critical areas: (1) deepen and extend understanding of linear and exponential relationships; (2) contrast linear and exponential relationships with each other and engage in methods for analyzing, solving, and using quadratic functions; (3) extend the laws of exponents to square and cube roots; and (4) apply linear models to data that exhibit a linear trend.</p> <p>Intensified Algebra I is offered to a small group of approximately 30 students at selected sites. Students are enrolled in a double block of Algebra which is supplemented with mindset activities and a hands-on approach to help students gain confidence and competence in Algebra.

Geometry

The fundamental purpose of the Geometry course is to formalize and extend students' geometric experiences from the middle grades. This course includes standards from the Geometry conceptual category. In this Geometry course, students explore more complex geometric situations and deepen their explanations of geometric relationships, presenting and hearing formal mathematical arguments. Instructional time focuses on five critical areas: (1) establish criteria for congruence of triangles based on rigid motions; (2) establish criteria for similarity of triangles based on dilation and proportional reasoning; (3) informally develop explanations of circumference, area, and volume formulas; (4) apply the Pythagorean Theorem to the coordinate plane; and (5) prove basic geometric theorems.

Algebra 2

Building on their work with linear, quadratic, and exponential functions, students extend their repertoire of functions to include logarithmic, polynomial, rational, and radical functions in the Algebra 2 course. This course includes standards from the conceptual categories of Number and Quantity, Algebra, Functions, Geometry, and Statistics and Probability. Students work closely with the expressions that define the functions, competently manipulate algebraic expressions, and continue to expand and hone their abilities to model situations and to solve equations, including solving quadratic equations over the set of complex numbers and solving exponential equations

using the properties of logarithms. Instructional time focuses on four critical areas: (1) relate arithmetic of rational expressions to arithmetic of rational numbers; (2) expand understandings of functions and graphing to include trigonometric functions; (3) synthesize and generalize functions and extend understanding of exponential functions to logarithmic functions; and (4) relate data display and summary statistics to probability and explore a variety of data collection methods.

Precalculus

Precalculus combines the trigonometric, geometric, and algebraic techniques needed to prepare students for the study of calculus, and strengthens students' conceptual understanding of problems and mathematical reasoning in solving problems. Instructional time focuses on four critical areas: (1) extend work with complex numbers; (2) expand understanding of logarithms and exponential functions; (3) use characteristics of polynomial and rational functions to sketch graphs of those functions; and (4) perform operations with vectors. Precalculus is not a required course for A-G completion. See additional 4th year options below.

4th Year Options

To meet the four year math requirement and to provide access to upper level math classes, some schools offer additional math electives, which may include:

- ? Introduction to Applied Math (not A-G)
- ? Intro to Data Science (IDS)
- ? Functions, Statistics & Trigonometry (FST)
- ? Finite Math
- ? AP Statistics
- ? AP Calculus (AB or BC)

Engaging parents in a productive manner through resources supports the culture/climate we are aiming to build. High School Readiness 30, Culture-Climate Survey (Parent) 40, Basic Services 30	PIQUE workshops at Avalon would engage parents in a series of workshop aimed at covering Tk-12 families. Workshops would be both virtual and in person. The series of workshop expand from how to navigate the college system to supportin students SEL needs. School Budget for Categorical Programs

The following site budget represents programs funded through the Consolidated Application. This Budget summary lists the funds that are to be consolidated as part of a schoolwide program. The SPSA's budgeted activities have been approved by the School Site Council and are in compliance with program regulations.

Federal Programs (to Consolidate)	Allocation
Title I (3010)	193054
Title I Parent and Family Involvement (3008)	2675

The following amounts are the school's share of Title I required and allowed reservations:

Share	Services	Amount
Administrative Share	Services provided to sites as part of Title I program leadership: EEP and Early Childhood Education; Additional reservation for Parent Involvement (over 1% requirement); Homeless Education; Reading Intervention/Private Schools; Research LROIX Development.	NA
Centralized Services Share	Counselors, Family Resource Centers, Facilitators, Travel/Conferences, APEX Online, Youth Orchestra Travel/Conferences, CORE	NA

State Programs *	Allocation
LCFF	38360

* It is understood that LCFF funding is district-directed; however, in the spirit of effective stakeholder engagement and transparency, LBUSD has included LCFF activities in the SPSA.

Midyear Adjustments:

The state projects amounts districts receive in Title I and other resources, sometimes making mid-year adjustments to the allotments as a result of the Consolidated Application. While there is often no difference in site allocations, LBUSD will notify affected principals who will announce any adjustment to the SSC.

Title I Reservations

Title I Reservations are used for required or Board-approved services. These reservations are made prior to allocations to sites and designed to provide central services to underserved, underperforming, and/or Title I schools. Listed programs and services are budgeted for the school year and may be slightly altered depending on need and budget adjustments.

Administrative Share & Reservations Title I Program Administration

Parent Involvement (additional funds beyond the required 1%)

Parent University Staff to help families understand & access information, as well as become a true partner in education. In addition to providing parent trainings, staff works with parent engagement events, such as Education Celebration. Multilingual staff helps support parent engagement activities as well as personalizes information for non-English speaking families.

Homeless Education

Provides homeless students and families with supplies (uniforms, basic needs), social service referrals, transportation, and counseling.

Research/TISB LROIX Development

LROIX is LBUSD's data hub to help schools access pertinent, focused, live data; formulate needs assessments; and create effective interventions. The reservation provides personnel to maintain and develop the complex system.

Program Administration and Personnel to provide leadership:

- Curriculum Instruction and Professional Development (OCIPD): DELAC and EL services
- Early Learning (CDC, Educare, Head Start) - early childhood education, personnel including pre-K teachers of subsidized programs, office assistants
- Equity Engagement and Partnerships (EEP) - parent workshops and community engagement
- State and Federal Programs (SFP): state and federal supplemental programs

Centralized Services

Family Resource Centers

Services to address students' social, emotional, and behavioral needs at 32 schools, including short-term counseling. The centers work with families to connect them to community resources, school-based services and parent education workshops.

Youth Orchestra

Students receive music opportunities with string instruments and instruction from professional music performers on weekends.

Assistance to Schools**Counselors**

Addresses student well-being, provides and coordinates various mental health supports, and collaborates with the site team to promote academic, behavioral or social-emotional development.

Facilitators

Assists in site engagement and compliance tasks to improve communication, build and strengthen community partnerships, and address goals to improve student achievement.

Travel/Conferences

Enables staff to develop requisite knowledge about programs they lead.

CORE

The CA Office to Reform Education is a partnership of large CA urban school districts. Part of the CORE collaborative is data sharing and accountability, including the CORE surveys of parents, staff and students in grades 4-12 on a range of school climate indicators.

APEX Online

APEX Learning program is a computerized independent learning program, coupled with teacher-directed instruction designed to assist students to address gaps in knowledge.

Foster Youth Transportation

Transportation services for foster youth districtwide, contracted with Los Angeles County Department of Health

Technology

Supplemental technology support and devices to school sites

ELAC Recommendations

Pursuant to Education Code, Section 52176, the school's English Learner Advisory Committee (ELAC) conducted a needs assessment as it pertains to English Learner (EL) students and presented the following recommendations about programs and services that will assist EL students to achieve standards.

Question	Answer
1. Does the school have more than 20 EL students enrolled?	Y
2. At which ELAC meeting did ELAC approve its Recommendations?	12/12/2024
3. Input ELAC's approved recommendations. These should be services and programs pertaining to EL student achievement:	ELAC recommend that \$24,000 of Title I funds be allotted to fund PIQE (Parent Institute for Quality Education) this was based on Academic (ELPAC, SBAC, Attendance, IReady, FRSA) and culture climate (California Dashboard) data that was shared at ELAC meetings. ELAC members wanted to engage parents of students in red to educate and engage on early math and literacy skills for English language learners, college readiness and navigating the public school system. This was approved by School Site Council on 12/17/24.
4. What types of data did ELAC use to determine the need for the listed recommendations (add any that apply):	SBAC Reading Results for EL students SBAC Math for EL students CELDT/ELPAC Results Reclassification Data EL Attendance Rates
5. At which SSC meeting were the ELAC recommendations presented? Ensure the SSC Agenda and Minutes list the receipt of the ELAC Recommendations	12/17/2024

6. What was SSC's response to ELAC recommendations?	approved

Assurances & Approval

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the Consolidated Application, pursuant to California Education Code, Section 64001 and the federal Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA). The SPSA's purpose is to increase the overall effectiveness of the school program by crafting a site strategic plan that maximizes the resources available to the school. The School Site Council (SSC) is required to analyze data as part of a needs assessment, develop the SPSA, which approves programs and services in support of an annual budget to promote student achievement, pursuant to California Education Code, Sections 52853 and 52855. SSC's approach to the utilization of federal resources to support underserved, underachieving students by providing interventions that are aligned with the school and district goals and promote continuous improvement.

Assurances:

1. School Site Council received recommendations from ELAC at the following SSC meeting(s): 12/17/2024
2. The SSC approved the **Home-School Compact** on 10/09/2024
3. The SSC approved the **Parent Involvement Guidelines** on 10/09/2024
4. Our School held **two Title I Annual Parent Meetings** (input dates if a Title I school): 09/30/2024, 09/30/2024
5. SSC Participated in the Annual Evaluation of SPSA:12/17/2024
6. The SPSA was approved at the following SSC Meeting: 12/17/2024
