## How to Find the Pairing Code in Canvas for the Parent App

## Go to my.ncedcloud.org

On the login screen, enter the Student's ID Number for the Username and click GO. Then enter the NCEdCloud Password\* and click Go.

\*The NCEdCloud Password is assigned by a teacher. Try Read2020 or contact your child's teacher.

Student ID Number	NCEdCloud Password		
Go >	Go >		

Click the Canvas icon on the NCEdCloud Homepage. Canvas will open in a new tab.

On the Canvas Dashboard, click on the Account icon.

$\odot$	Dashboard
	TODAY

The Student's account profile will open. Click on Settings.

On the right side of the screen, Click Pair with Observer. (Pair With Observer may be at the bottom of the screen on smaller screen resolutions.)

## How to Find the Pairing Code in Canvas for the Parent App

Copy the code from the box for the Parent App.

Pair with Obs	server	×
Share the following pai	iring code with an observer to	allow
them to connect with y	ou. This code will expire in se	ven days,
or after one use.
