

FROM
THE OFFICE
OF THE
PRINCIPAL

(If you have submitted the survey already, please disregard the text and email messages that are programmed to remind all who applied to The Early/Middle College at GTCC-Greensboro.)

Greetings Applicants, Parents, and Guardians:

Please complete the Parent/Guardian and Student survey found at this link: <https://forms.office.com/r/kc0wevcdfb>. Thank you for completing as much as you are comfortable sharing with us.

1. This survey works best on a laptop or desktop instead of a mobile device.
2. Please enter all information in one session; the survey does not save your information for completion later. You will not be able to return to enter any information later.
3. Please have your students complete essay prompts. We recommend sharing the essay prompts so your students may work on their responses and then copy-and-paste their responses into the survey.
4. Here are the student essay prompts for your convenience:
 - Now that you have learned more about the Early/Middle College...Tell us some of the reasons why you want to come here instead of your traditional high school. Specifically, how can our school benefit you more socially, emotionally/mentally, and academically than the traditional high school setting?
 - Please identify and explain a concern you have about potentially attending our school?
 - What academic and/or personal challenges or obstacles have you or your family faced that have had an impact on your educational performance? What else would you like to tell us about yourself?

Please submit the survey **as soon as possible** but **no later than 5pm on Monday, February 27, 2023**. You will have the opportunity to receive a receipt of your responses by clicking the box at the end of the survey prior to clicking "Submit". Additionally, you will receive a confirmation message that your responses were transmitted.

Sincerely,

Rodney L. Boone, Ed.D.
