Drew Elementary Principal honor

KELLIE HALL

Crosby elementary principal is a homegrown hero

BY MATT HOLLIS
matt.hollis@baytownsun.com

Kellie Hall fits the definition of a hometown hero.

Hall grew up in Barrett Station in a house right across the street from where she now works – at the Charles R. Drew Elementary School, where she is the school's principal.

Hall spent her whole life in the area and graduated from Crosby High School in 1997.

After attending Sam Houston State University, Hall returned to Crosby ISD in 2002 to serve as a long-term sub at Crosby Middle School.

"A teacher had just quit. She did not come back after spring break," Hall said. "I finished the year with them. And then, they hired me the next year as a teacher. So, I've been in the district since 2003."

Hall said for most of her teaching career, she taught eighth-grade English. However, her degree is in elementary education.

"So, I really thought I wanted to teach third grade," she said. "All I ever thought I wanted to do was teach third grade. But then I got my long-term sub position, and they started me out that next year as a seventh-grade teacher, and then I moved up to eighth grade. And once I got in eighth grade, it was like I didn't want to teach anything else. I didn't want to be anywhere else but there."

Hall not only taught in class, but she also coached basketball, volleyball and cheerleading. She did this from 2003 to 2015 when she was hired as an assistant principal at Crosby High School.

"That was huge," Hall said.

Hall felt right at home when she returned to her old school as an assistant principal. During that time, the new Crosby High School was about to open, and the old high school was on its way to becoming Crosby Middle School. Hall said she spent a lot of that year touring the new facility and wearing hard hats while working at the school where she was once a student.

"Being a part of the opening of the new high school was amazing," Hall said.

In 2021, Hall became the associate principal at Crosby Middle School.

"So, I went back to where I had taught," she said.

Hall said that what has driven her to where she is today is making connections.

"A lot of the kids that come through are kids of people I grew up with, people I went to high school with and people I went to church with," Hall said. "So, I'm able to build positive relationships because I feel that they trust me. I know the community and I know what I'm dealing with here. There are some really good kids here."

Hall said that even if she had to discuss specific situations with parents and their kids, she would feel better about it because she knew the people.

"And I'm able to connect with the families," she said.

Channelview Complex turnaround

March 3rd – April 28th*

The turnaround and area traffic

With additional workers onsite, traffic along Sheldon Road and Wallisville Road will experience heavier flows at certain times. Work schedules have been set to minimize the impact of this traffic.

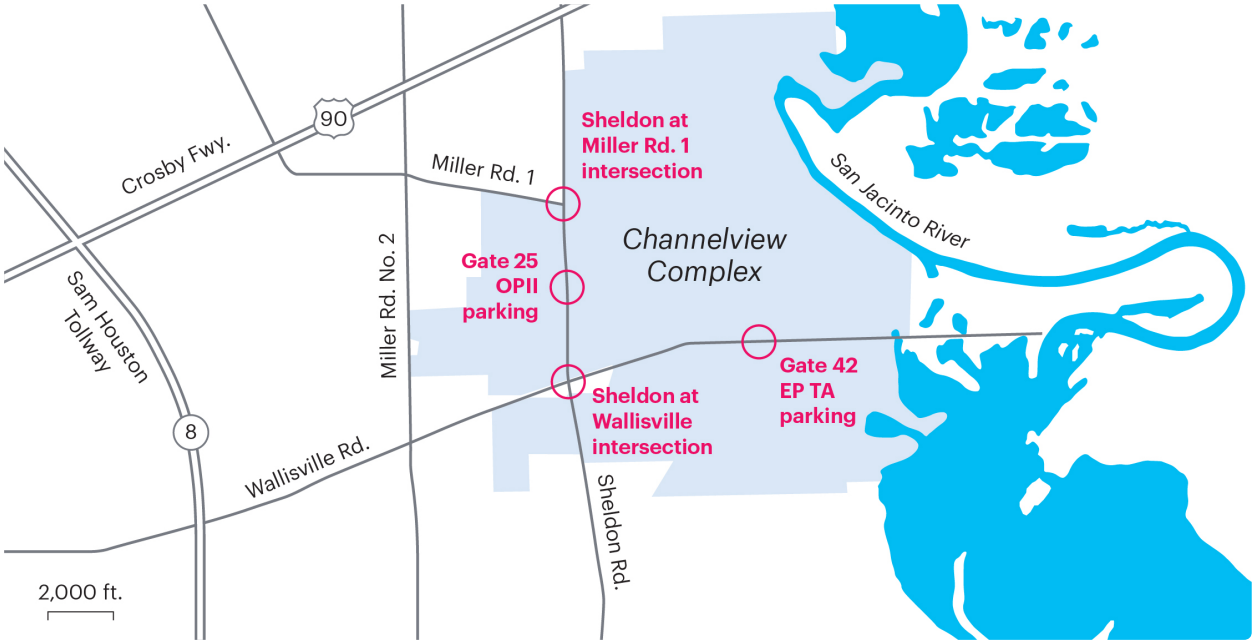

By early February, orange traffic flow signs will be placed on Sheldon Road and Wallisville Road to notify travelers. Law enforcement officers will also be along the roadway operating the lights at several intersections during peak traffic times.

Channelview Complex turnaround

March 3rd – April 28th*

What is a turnaround?

Significant maintenance and engineering activity occurs when the unit/area/plant is shut down and equipment is inspected, cleaned, repaired, removed, or installed. Generally, the work performed during a turnaround can only be done when the unit/area/plant is not operational.

The 2025 turnaround at Channelview Complex (CVO) involves two coinciding events: turnarounds (TA) in the OPII in North Plant and a turnaround in East Plant.

Interesting turnaround facts

3,000
Estimated number of professional contractors on-site each day at peak manpower in March

400
LYB employees assigned to the project

2
Years in planning to develop improvement projects, maintenance work

500,000
Direct labor hours associated with the TA

$362,000
Estimated economic impact from $244,000 local hotel and $118,000 meals**

2,415
Tasks planned within the scope

2,862,326
Cubic feet of scaffold built, which equals the length of the Fred Hartman bridge over the ship channel

109,051
Gallons of water estimated to be consumed onsite by the work crews as they stay hydrated during work

Remodelación del Channelview Complex

3 de marzo al 28 de abril*

La remodelación y el tráfico del área

Con trabajadores adicionales en el lugar, el tráfico a lo largo de Sheldon Road y Wallisville Road experimentará flujos más pesados en ciertas horas. Se han establecido horarios de trabajo para minimizar el impacto de este tráfico.

A principios de febrero, se colocarán señales naranjas de flujo de tráfico en Sheldon Road y Wallisville Road para notificar a los viajeros. Los oficiales de la policía también estarán a lo largo de la carretera operando las luces en varias intersecciones durante las horas pico de tráfico.

We wanted to share the following information from LyondellBasell regarding the Channelview Complex Turnaround. This is planned maintenance on operating units within the site. From March 3 through April 26 (or thereabouts), LyondellBasell is expecting an additional 1,200 contractors on-site at each shift. During the “shut down” and “start-up” phases, at the beginning and end of the project, you may also notice flaring, which is normal for this process. You’ll see those posts on the Community Awareness Emergency Response (CAER) line if we need to post publicly about flaring. **https://www.ehcma.org/page/caer-online** Please see the attached graphics and maps provided in both English and Spanish. Thank you.

P3 Anonymous Alerts

campus

Crosby ISD utilizes the P3 Campus Alerts App for anonymous tip reporting. P3 stands for Protect, Prevent, Participate. The program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns. You can make a report now in less than 5 minutes.

WHAT IS THE P3 CAMPUS ALERT APP?
The P3 Campus Alerts App is a reporting system to help combat bullying and other safety concerns by empowering students or parents to make anonymous reports. The system allows for one-way or two-way anonymous encrypted communications between submitters (students or parents) and campus/district administration and school staff. Users have the option to remain anonymous or include their identity when submitting a report.

HOW TO ACCESS THE APP
Send reports over web or internet
You can also download the P3 Campus app for your mobile phone

HOW TO SEND A REPORT
To send reports over the internet, go to **www.p3campus.com**
To send a report from your phone:

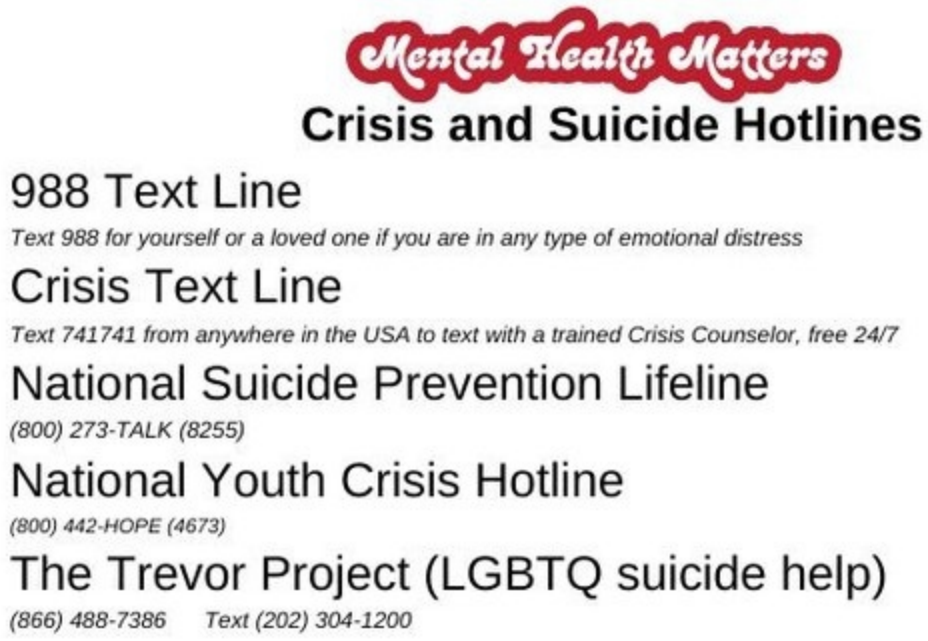

- Download the P3 Campus Alerts app for free from the Apple Store or Google Play.
- Start the app.

HOW ALERTS ARE HANDLED
Reports will be addressed by a trained team of school officials and law enforcement, when necessary. Reports are monitored 24/7 to ensure that time-sensitive matters are dealt with promptly. Reports made through the P3 Campus mobile app, unlike SMS text reports, have no length limitations or the need to remember a short code. Additionally, when reporters use the mobile app, they are noti ed when action has been taken on their report, which demonstrates the value of their time and concern. In both the web browser and app form, reporters can attach photos, screenshots, videos, documents or audio r

Hello from Space Center Houston!

We are inviting students to apply to the teen volunteer program at Space Center Houston, the Official Visitor Center of NASA Johnson Space Center. Each summer, we welcome a group of teen volunteers behind the scenes to engage directly with the artifacts, stories, and people of the space program. We are seeking enthusiastic youth with a passion for space exploration for summer 2025.

Students must be 13-17 years of age by May 27, 2025, and commit to volunteering for 3 full weeks between May 27 and August 8. Weeks do not have to be consecutive.

Program Highlights:

- **Personal and Professional Development:** In-depth training, instruction, and guidance to ensure success in facilitating hands-on activities and giving short talks. Work with educators to inspire explorer campers. Develop skills that will pay off throughout their scholastic and professional careers.
- **Stellar Benefits:** Complimentary access to Space Center Houston when not volunteering, discounts on events, unique experiences, and much more!
- **Valuable Volunteer Hours:** Opportunity to earn over 100 hours certified for the President's Volunteer Service Award.
- **Unique Experiences:** Meet interesting people from international guests to key members of our historic space program.
- **Lasting Memories:** Opportunities to collaborate with their peers and crew, test new ideas, and receive awards and recognition at special volunteer events.
