

Leukemia & Lymphoma Society Society Student Visionaries Of The Year:

Lucy Marashian & Kari Tannous

Knights Knock Out Cancer

About the Campaign

The Leukemia and Lymphoma Society (LLS) is dedicated to finding and curing leukemia, lymphoma, myeloma, and other blood cancers. Today, LLS is a voluntary health organization that is dedicated to research, education, & patient services.

Every 3 minutes a patient is diagnosed with blood cancer. That is 480 people a day. Leukemia is the most diagnosed form of childhood cancer & also second leading cause of cancer deaths in children & adolescents. LSS fundraises to find a cure and better treatment.

Student Visionaries is a 7-week fundraising campaign that raises money and awareness for LLS. Our campaign will run from February 6th - March 28th. With your help, we can make great strides towards blood cancer no longer being a threat.

Sincerely, Lucy & Kari

Hello Bullard Community,

We are Kari and Lucy, juniors at Bullard High School and we are proud to be leading the legacy Knights Knock out Cancer as part of the Leukemia & Lymphoma Society's (LLS) Student Visionaries of the Year Campaign. Students Visionaries of the Year is a seven-week fundraising competition led by high school students to raise money to support LLS and their cause. We are both proud of getting involved in this great organization to help raise funds and awareness to find a cure for blood cancer. Every family is impacted by cancer, including our own. Cancer takes a toll physically, emotionally, and financially.

Our campaign kicked off on February 6th and runs thru March 28th. Throughout the remaining weeks of our campaign, we've got a lot of events planned from dining outs, fitness classes, softball clinics, blood drives, and to wrap our campaign, a car show to name a few. We can't do this alone though. With your help, we can make great strides towards blood cancer no longer being a threat.
