FAMILIES HEALING TOGETHER

*Discover the
path to well-
being.*

Our Program

Families Healing Together is a free service open to eligible families in Suffolk County! We provide a short-term plan that allows youth and families to participate in counseling services. Families Healing Together wishes to break the cycle caused by stressful experiences and provide individuals with coping skills to ensure future success!

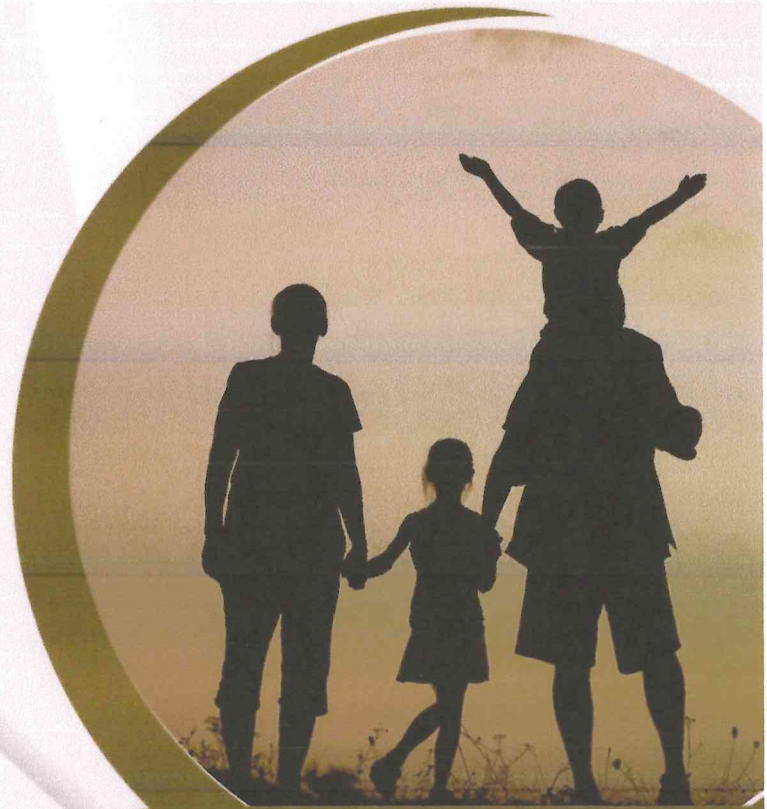

Our Services

- Individual & Family Therapy (In person & Virtual)
- Group Counseling
- Community trainings on Adverse Childhood Experiences (ACEs)
- Linkage to available resources

Requirements

- Parental/Guardian history of substance misuse
- Youth ages 7-18
- Suffolk County resident
